The year began for the charity overcast by a dark cloud of uncertainty. The pandemic was still a great threat to a return to normal and a mood of depression was felt in the community We continued throughout the year to stay positive adapting to the different situations and by the end of the year a new energy was coming . covid restrictions had lessened and staff were able to come back to work we ended the year feeling optimistic for 2022
In January 2021 we continued with the zoom programs. Initially they had a positive appeal but as January continued the attendance dropped considerably. They were subsequently cancelled at the end of January with only the yoga online zoom class remaining . With the lockdown and the Covid restrictions there was no
activity for 2 months February and March
From April we established a new weekly event Harinam and book & food distribution. This was a popular outdoor event connecting with new people and helping to bring a more positive
consciousness to the community. In July most of the restrictions were lifted and we re-opened the
centre. We chose an auspicious day "Guru Purnima " and celebrated by inviting the community together for kirtan and Prasad.
From the July opening we re-introduced weekly programs, Sunday Sat sang, Thursday yoga, nama-hatta and festivals according to the vaisnava calendar.
At the end of September the regular weekly outdoor event was stopped but the food distribution continued on Saturdays. In the beginning of October we began a weekly indoor kirtan event attracting new people.
From October the weekly programs were more established and a new influx of people started to come especially for bigger
events. We were able to start to re-employ our workers from the end of July and by October everyone was completely off furlough. Rakesh resigned from the board of trustees in July 2021. We continued with the retreat project in Skegness. From March we managed the maintenance and planting on the land. In October we put in for planning for a barn/reception, 10 Eco cottages, a large greenhouse and parking. Full planning permission was granted on December the 16th subject to the conditions outlined in the planning consent. As a summary for the year, we got off to a rocky start but as the year continued and we were able to be flexible enough to keep an energy going, things improved greatly and by the end of the year, programs were re-established and we received the good news that our planning application for the retreat centre was approved.
