TOOLEY'S BOATYARD TRUST

TRUSTEES' REPORT

FOR THE PERIOD ENDED 30 SEPTEMBER 2021

The Trustees present their annual report and financial statements for the Period ended 30 September 2021.

The financial statements have been prepared in accordance with the accounting policies set out in note 1 to the financial statements and comply with the Trust's governing document, the Charities Act 2011 and "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)".

Objectives and activities

The Trust's objectives are

1) To advance the education of the public by establishing Tooley's Boatyard as a working heritage centre of narrowboat maintenance and construction designed to enhance public understanding of narrowboats and canal life and the key role played by Banbury, and Tooley's Boatyard in particular, in the history of canals.

2) To preserve for the public benefit Tooley's Boatyard as a building of historic interest.

The Trust was formed in March 2019 and raised funds, half from the Architectural Heritage Fund and half from local donors, to commission a Project Viability Study.

The Trustees have paid due regard to guidance issued by the Charity Commission in deciding what activities the Trust should undertake.

Achievements and performance

The scope for fundraising activities was severely restricted owing to Covid-19. Notwithstanding that, the Trust applied for, and was awarded, a grant from Historic England's Heritage at Risk fund for much-needed repairs to the Old Forge. The work was carried out by local firm P.R.Alcock & Sons using only materials appropriate to the historic building.

Starting in July 2021, as soon as the Covid restrictions were relaxed, the Trust operated regular Saturday boat trips and guided tours, which proved very popular, and introduced Tooley's to a much wider range of people.

A further grant was obtained from the Architectural Heritage Fund, under their Cultural Recovery Programme, for marketing, planning and audience development, and some initial work was done in the period on marketing the boat trips. The bulk of this grant will be spent in the following year.

Financial review

It is the policy of the Trust that unrestricted funds which have not been designated for a specific use should be maintained at a level equivalent to between three and six month's expenditure. The Trustees consider that reserves at this level will ensure that, in the event of a significant drop in funding, they will be able to continue the Trust's current activities while consideration is given to ways in which additional funds may be raised. This level of reserves has been maintained throughout the Period.

The Trustees have assessed the major risks to which the Trust is exposed, and are satisfied that systems are in place to mitigate exposure to the major risks.

Structure, governance and management

The Trust is a Charitable Incorporated Organisation (CIO).

TOOLEY'S BOATYARD TRUST
TRUSTEES' REPORT (CONTINUED)
FOR THE PERIOD ENDED 30 SEPTEMBER 2021

The Trustees who served during the Period and up to the date of signature of the financial statements were:

Mr J R Madden

Mr R Langton

Mr D Clacher

Mr J Spratt

Dr C Saffin

Mr R Oddy

Mr M Phillips

Mr O Kyffin

Ms Y Kaduji

Ms L Mallier

Ms V Smith

(Appointed 28 September 2021)

(Appointed 28 September 2021)

All appointments subsequent to 19 March 2019 were approved by the existing Trustees at the time.

None of the Trustees has any beneficial interest in the company. In the event of the CIO being wound up, the Trustees have no liability.

The Trustees' report was approved by the Board of Trustees.

TOOLEY'S BOATYARD TRUST

INDEPENDENT EXAMINER'S REPORT

TO THE TRUSTEES OF TOOLEY'S BOATYARD TRUST

I report to the Trustees on my examination of the financial statements of Tooley's Boatyard Trust (the Trust) for the Period ended 30 September 2021.

Responsibilities and basis of report

As the Trustees of the Trust you are responsible for the preparation of the financial statements in accordance with the requirements of the Charities Act 2011 (the 2011 Act).

I report in respect of my examination of the Trust's financial statements carried out under section 145 of the 2011 Act. In carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

Independent examiner's statement

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

- 1 accounting records were not kept in respect of the Trust as required by section 130 of the 2011 Act; or
- 2 the financial statements do not accord with those records; or
- 3 the financial statements do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the financial statements to be reached.

TOOLEY'S BOATYARD TRUST

NOTES TO THE FINANCIAL STATEMENTS FOR THE PERIOD ENDED 30 SEPTEMBER 2021

1 Accounting policies

Charity information

Tooley's Boatyard Trust is a Charitable incorporated organisation.

The financial statements for Tooley's Boatyard Trust have been prepared for the period 7 September 2020 to 30 September 2021.

1.1 Accounting convention

The financial statements have been prepared in accordance with the Trust's governing document, the Charities Act 2011, FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" ("FRS 102") and the Charities SORP "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)" (effective 1 January 2019). The Trust is a Public Benefit Entity as defined by FRS 102.

The Trust has taken advantage of the provisions in the SORP for charities not to prepare a Statement of Cash Flows.

The financial statements are prepared in sterling, which is the functional currency of the Trust. Monetary amounts in these financial statements are rounded to the nearest £.

1.2 Going concern

At the time of approving the financial statements, the Trustees have a reasonable expectation that the Trust has adequate resources to continue in operational existence for the foreseeable future. Thus the Trustees continue to adopt the going concern basis of accounting in preparing the financial statements.

1.3 Charitable funds

Unrestricted funds are available for use at the discretion of the Trustees in furtherance of their charitable objectives.

Restricted funds are subject to specific conditions by donors as to how they may be used. The purposes and uses of the restricted funds are set out in the notes to the financial statements.

1.4 Income

Income is recognised when the Trust is legally entitled to it after any performance conditions have been met, the amounts can be measured reliably, and it is probable that income will be received.

Cash donations are recognised on receipt. Other donations are recognised once the Trust has been notified of the donation, unless performance conditions require deferral of the amount. Income tax recoverable in relation to donations received under Gift Aid or deeds of covenant is recognised at the time of the donation.

1.5 Expenditure

Expenditure is recognised once there is a legal or constructive obligation to transfer economic benefit to a third party, it is probable that a transfer of economic benefits will be required in settlement, and the amount of the obligation can be measured reliably.

Expenditure is classified by activity. The costs of each activity are made up of the total of direct costs and shared costs, including support costs involved in undertaking each activity. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs which contribute to more than one activity and support costs which are not attributable to a single activity are apportioned between those activities on a basis consistent with the use of resources. Central staff costs are allocated on the basis of time spent, and depreciation charges are allocated on the portion of the asset's use.

TOOLEY'S BOATYARD TRUST

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED) FOR THE PERIOD ENDED 30 SEPTEMBER 2021

1 Accounting policies

(Continued)

Expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all cost related to the category. Where costs cannot be directly attributed to particular headings, they have been allocated to activities on a basis consistent with the use of resources.

1.6 Cash and cash equivalents

Cash and cash equivalents include cash in hand, deposits held at call with banks, other short-term liquid investments with original maturities of three months or less, and bank overdrafts. Bank overdrafts are shown within borrowings in current liabilities.

1.7 Financial instruments

The Trust has elected to apply the provisions of Section 11 'Basic Financial Instruments' and Section 12 'Other Financial Instruments Issues' of FRS 102 to all of its financial instruments.

Financial instruments are recognised in the Trust's balance sheet when the Trust becomes party to the contractual provisions of the instrument.

Financial assets and liabilities are offset, with the net amounts presented in the financial statements, when there is a legally enforceable right to set off the recognised amounts and there is an intention to settle on a net basis or to realise the asset and settle the liability simultaneously.

Basic financial assets

Basic financial assets, which include debtors and cash and bank balances, are initially measured at transaction price including transaction costs and are subsequently carried at amortised cost using the effective interest method unless the arrangement constitutes a financing transaction, where the transaction is measured at the present value of the future receipts discounted at a market rate of interest. Financial assets classified as receivable within one year are not amortised.

Basic financial liabilities

Basic financial liabilities, including creditors and bank loans are initially recognised at transaction price unless the arrangement constitutes a financing transaction, where the debt instrument is measured at the present value of the future payments discounted at a market rate of interest. Financial liabilities classified as payable within one year are not amortised.

Debt instruments are subsequently carried at amortised cost, using the effective interest rate method.

Trade creditors are obligations to pay for goods or services that have been acquired in the ordinary course of operations from suppliers. Amounts payable are classified as current liabilities if payment is due within one year or less. If not, they are presented as non-current liabilities. Trade creditors are recognised initially at transaction price and subsequently measured at amortised cost using the effective interest method.

Derecognition of financial liabilities

Financial liabilities are derecognised when the Trust's contractual obligations expire or are discharged or cancelled.

1.8 Taxation

The charity is exempt from tax on its charitable activities.

Tooley's Boatyard Trust was not registered for Value Added Tax during the year. In these financial statements, where applicable, expenditure is shown inclusive of VAT.

TOOLEY'S BOATYARD TRUST

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED) FOR THE PERIOD ENDED 30 SEPTEMBER 2021

2 Critical accounting estimates and judgements

In the application of the Trust's accounting policies, the Trustees are required to make judgements, estimates and assumptions about the carrying amount of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised where the revision affects only that period, or in the period of the revision and future periods where the revision affects both current and future periods.

The Architectural Heritage Fund PVR grant was awarded for the charity's Project Viability Report, completed in March 2020.

The Architectural Heritage Fund CRP grant, awarded in December 2020, covered marketing, business planning and audience development.

The Trust obtained a grant from Historic England's Heritage At Risk Fund to cover badly needed repairs to the Old Forge, some of which had been caused by trespassers during the 2020 lockdowns. Three quotes were obtained and the contract awarded to local firm P.R.Alcock & Sons with the lowest tender. The work was supervised by the charities Architects and completed in April 2021. Tooley's Forge made a major contribution to the works, building the improved railings overlooking the Forge.
