Additional governance issues (Optional information)

You **may choose** to include additional information, where relevant, about:

- policies and procedures adopted for the induction and training of trustees;
- the charity's organisational structure and any wider network with which the charity works;
- relationship with any related parties;
- trustees' consideration of major risks and the system and procedures to manage them.

The charity is a standalone organisation.

All meetings are properly convened; trustees usually meet four times per year; all decisions are properly minuted.

Trustees' views may be sought to address applications between meetings to avoid any unnecessary delay in granting important aid to those in need.

All applications for assistance are judged on their individual merits; informal professional advice (eg medical or educational) may be sought on an anonymous basis if required to ensure decisions are soundly based.

Applications are welcomed via professionally trained and qualified third parties as their involvement does assist in the "due diligence" undertaken to ensure validity of any application.

Section C Objectives and activities

Summary of the objects of the charity set out in its governing document

The Charity's responsibilities are to maintain the properties in their ownership and to oversee their cash investments, thereafter using the proceeds on the following basis: one-third is given directly to St Peter's Church to assist with the maintenance of the fabric of the building, one-third is allocated to a Relief in Need fund and the final third is allocated to an Education fund.

Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit)

Trustees consider all applications received on their individual merit. Some applicants may be ineligible for various reasons.

The overarching criterion for assistance is that the recipient must be resident with the ecclesiastical parish of Brackley, which comprises the town of Brackley and the small nearby village of Halse.

Applications are accepted from individuals, from schools, clubs and organisations. Others may be received via local healthcare professionals, via local churches, via housing associations, via local Money Advice Officers.

Additional details of objectives and activities (Optional information)

You **may choose** to include further statements, where relevant, about:

- policy on grantmaking;
- policy programme related investment;
- contribution made by volunteers.

Summary of the main achievements of the charity during the year

Annually the charity divides its income into three parts. One third is granted directly to St Peter's Church for assistance towards the maintenance of the fabric of the building. This year, that sum was £9,000.

A second third is transferred into our Relief in Need "pot". During the year under review just under £5,000 was paid out. Grants included a walker and carpet for a disabled resident, help to a volunteer group who were assisting families over Christmas during Covid, white goods purchased for a victim of domestic violence who had been rehomed in Brackley with very little to her name, counselling for three people who had suffered adversely from family issues and from anxiety arising from the pandemic. Contributions were also made to school uniforms for some local children. Finally, Christmas gifts of money were delivered to around 20 elderly or disabled local residents.

The final third goes into our Education fund. This year substantial grants were made to the Radstone School for a charging trolley for their IT equipment, to Bracken Leas School also for a charging trolley, to Brackley Junior School for five new iPads. Another substantial grant was made to the South Northants Youth Engagement group: they required funds of a seed corn nature to enable them to set up a youth club in the town and run a pilot scheme. Feoffee funding meant that they could run ten weekly sessions to prove the value of the scheme, and it has continued subsequently; a measure of its success is that it needed to move to larger premises. The charity also gave a grant to a local student who has been accepted on to a Master's course at the University of Worcester. Over £4,000 was distributed during the year.

The trustees were surprised that, given the hardship caused to many by Covid, there were not greater demands on their resources. However, the ending of furlough did not really have an impact until after the end of the financial year on 30 September 2021, so more applications are anticipated as we move forward.

Section E

Financial review

Brief statement of the charity's policy on reserves

The charity aims to maximise benefit from its assets: our four properties are let out at full market rent and our COIF investments are carefully monitored. The increase in income enables the charity to accommodate more people in need. An equitable balance between investment in properties and cash investments is maintained.

Further financial review details (Optional information)

You **may choose** to include additional information, where relevant about:

- the charity's principal sources of funds (including any fundraising);
- how expenditure has supported the key objectives of the charity;
- investment policy and objectives including any ethical investment policy adopted.

The charity is in the fortunate position of not needing to actively fundraise in order to pursue its charitable objectives.

The charity's income derives from:

- a) its rental income and b) its investment income

I report on the accounts of the charity (number 238067) for the year ended 30th September 2021 which are set out on pages 7 to 9.

Respective Responsibilities of Trustees and Examiner

The charity's trustees are responsible for the preparation of the accounts. The charity's trustees consider that an audit is not required for this year under section 144 of the Charities Act 2011 (the Charities Act) and that an independent examination is needed.

It is my responsibility to:

- Examine the accounts under section 145 of the Charities Act;
- Follow the procedures laid down in the general directions given by the Charity Commission under section 145(5)(b) of the Charities Act; and
- State whether particular matters have come to my attention.

Basis of Independent Examiner's Report

My examination was carried out in accordance with general directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from the trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently, no opinion is given as to whether the accounts present a 'true and fair' view and the report is limited to those matters set out in the statement below.

Independent Examiner's Statement

In connection with my examination, no material matters have come to my attention which gives me cause to believe that in, any material respect:

accounting records were not kept in accordance with section 130 of the Charities Act or

the accounts do not accord with the accounting records

I have come across no other matters in connection with the examination to which attention should be drawn in order to enable a proper understanding of the accounts to be reached.

BRACKLEY UNITED FEOFFEE CHARITY
STATEMENT OF TRUSTEES' RESPONSIBILITIES

The trustees are responsible for preparing the Trustee's Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards.

The law applicable to charities in (England & Wales) requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources of the charity for that period. In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in operation.

The trustees are responsible for keeping accounting records that disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the Charities Act 2011 and trust deed. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The trustees are responsible for the maintenance and integrity and financial information included on the charity's website.
