TRUSTEES' REPORT

FOR THE YEAR ENDED 30 SEPTEMBER 2021

The trustees present their annual report and financial statements for the year ended 30 September 2021.

The financial statements have been prepared in accordance with the accounting policies set out in note 1 to the financial statements and comply with the charity's Declaration of Trust, the Charities Act 2011 and "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)" (as amended for accounting periods commencing from 1 January 2016)

Objectives and activities

The charity's objects as stated in the Declaration of Trust are as follows:

"The Trustees shall hold the trust fund and its income upon trust to apply them for the following objects which may be carried out anywhere in the world and which shall be undertaken primarily through the life and work of a residential community or residential communities established in the name of the Charity in accordance with the doctrines and practices of the Roman Catholic Church:

'The advancement of the Christian religion and education and the relief of suffering and poverty'."

Our Charism Statement is:

"To be the heart and light of Christ through Divine Communion."

This is expressed in our mission by:

- building praying communities around the Holy Eucharist which are a prophetic sign of the Kingdom of God;
- reaching out to others, especially Catholics, to empower, encourage and equip them to have an intimate Divine Communion with God and to realise their full baptismal inheritance through Life in the Spirit;
- identifying with, ministering to and sharing with the poor and needy.

The trustees have paid due regard to guidance issued by the Charity Commission in deciding what activities the charity should undertake.

FOR THE YEAR ENDED 30 SEPTEMBER 2021

Achievements and performance St Cuthbert's

In 2001 the Cor et Lumen Christi Community completed the purchase of the former Convent of Mercy in Wigton, Cumbria in order to establish a new community base in the North of England. The property had been empty for nearly ten years and was in need of major refurbishment and repair. Since then, the community has worked to establish the community and its mission in and from the North. St Cuthbert's currently has eight residential members, ten Companions of the Heart and nine members of the Mission Fellowship.

In the past year the ministries from St Cuthbert's have included a variety of retreats and conferences held online during COVID-19 restrictions. These events have been very popular, with many drawing several hundred participants from dozens of countries around the world, often providing simultaneous translation in up to six different languages. We continue to provide ongoing formation for youth through theASCENT, a three year discipleship program for 15 - 18 year olds. The fruit of this process in the young people is very inspiring to observe.

Our regular evangelistic outreaches on the streets of Preston have not been resumed due to the pandemic, but the online prophetic ministry remains remarkably popular and successful.

After the successful roof replacement of last year, this year we finished the refurbishment of the community sitting room as well as a new flat for our fourth residential family that moved in during August. We are expecting a fifth family around December/January time, and have begun fundraising for a new residential flat for them. The building continues to near completion, although there is still a lot to do, especially on the second floor in the main building.

All building works are dependent on funds raised through donations and gifts. Income from the conferences and regular donations help to cover running expenses and maintenance.

Highfield House

The residential community took up residence at Highfield House on 23 September 1995 and completed the purchase of the property a year later on 23 September 1996. Apart from providing a home for the residential community, Highfield House is used for meetings with the wider non-residential community, for teaching courses and various activities in accordance with the objects of the Trust.

Highfield House, at the close of this financial period, had 16 residential members including (not counting children): 7 families; 1 priest; 1 single man. We successfully fundraised and created a new flat in place of the ladies dormitory. We continue to have a waiting list for people wishing to join the residential life.

The ministries of the community has changed significantly due to the COVID-19 pandemic. We are running online conferences form the house as well as in person and hybrid conferences from other hired venues. Outreaches in the UK include regular Fire and Light evenings of prayer and Adoration in Chertsey as well as involvement in charismatic services organised by other groups. We have prophecy/prayer appointments (which have proved very popular) and also continued with prayer street-ministry in local neighbourhoods. Conferences in Highfield House have included cconferences like Deeper, Advance 1 and 2, Wrost (Growth) in Polish, Refresh, Space for Women.

All building works in Highfield House are dependent on funds raised through donations and gifts. . We continue to rely on income from the conferences and regular donations to help cover the running costs and maintenance of the building and residential community. In all of this we were supported by the very generous offerings of our benefactors.

International Report

During the Covid-19 crisis the Trust has very successfully transitioned its international events to an online platform. It has established a You Tube channel: Damian Stayne and Cor et Lumen Christi Community. From this platform a weekly program Live with Damian, offering teaching and prayer for healing and prophecy is provided, watched by thousands from between 20 to 30 countries.

In addition events are run every month from our 2 residential houses advertised to many countries. Up to 5 language translations are offered. These events are usually attended by over 300 people but at least half of these events are attended by over 600 and sometimes with as many as 750 in attendance. The Miracle Healing Services in the evenings attract more than 1000 and over the next few days these are watched by thousands more.

In addition teachings are uploaded every Thursday with translation into several languages. The Community has also founded a new Fraternity in Poland. So the international dimension of the Trusts mission has been very successful during the Covid-19 situation.

Financial review

The charity's income consists primarily of gifts and donations from many sources including contributions from members of the community. The charity's expenses consist mainly of the running costs and upkeep and repair of both Highfield House in Surrey and St Cuthbert's in Cumbria, the ministry of the community and modest administrative costs. Many help us in our work and members and friends generously give their services free of charge.

During the year to 30 September 2021 the charity made an excess of income over expenditure of £89,233 (2020: £98,962).

It is the policy of the charity that unrestricted funds which have not been designated for a specific use should be maintained at a level sufficient to meet its objectives.

The balance held at 30 September 2021 was £733,087 (2020: £643,854), of which £533,939 (2020: £484,048) are unrestricted free reserves.

Plans for future periods

Over the coming months and years we plan to expand the organisation and to purchase two properties totalling in excess of £2M, one next to St Cuthberts in Wigton and one one adjacent to Highfield House in Chertsey. We plan to carry out fundraising activities and allocate funds in order to complete these purchases.

Structure, governance and management

The charity is an unincorporated body formed by a Declaration of Trust dated 15 August 1995 and is registered with the Charity Commission under number 1049357.

The trustees who served during the year and up to the date of signature of the financial statements were:

- D Stayne
- C Stayne
- G Evenhuis
- A Fava
- L Wallage

Future trustees are appointed by a resolution of all the trustees.

INDEPENDENT EXAMINER'S REPORT

TO THE TRUSTEES OF COR LUMEN CHRISTI TRUST

I report to the trustees on my examination of the financial statements of Cor Lumen Christi Trust (the charity) for the year ended 30 September 2021.

Responsibilities and basis of report

As the trustees of the charity you are responsible for the preparation of the financial statements in accordance with the requirements of the Charities Act 2011 (the 2011 Act).

I report in respect of my examination of the charity's financial statements carried out under section 145 of the 2011 Act. In carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

Independent examiner's statement

Since the charity's gross income exceeded £250,000 your examiner must be a member of a body listed in section 145 of the 2011 Act. I confirm that I am qualified to undertake the examination because I am a member of ICAEW, which is one of the listed bodies.

Your attention is drawn to the fact that the charity has prepared financial statements in accordance with Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) in preference to the Accounting and Reporting by Charities: Statement of Recommended Practice issued on 1 April 2005 which is referred to in the extant regulations but has now been withdrawn.

I understand that this has been done in order for financial statements to provide a true and fair view in accordance with Generally Accepted Accounting Practice effective for reporting periods beginning on or after 1 January 2015.

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

- 1 accounting records were not kept in respect of the charity as required by section 130 of the 2011 Act; or
- 2 the financial statements do not accord with those records; or
- 3 the financial statements do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the financial statements to be reached.

NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED 30 SEPTEMBER 2021

1 Accounting policies

Charity information

Cor Lumen Christi Trust was formed by a Declaration of Trust dated 15 August 1995 and is registered with the Charity Commission under number 1049357.

1.1 Accounting convention

The financial statements have been prepared in accordance with the charity's Declaration of Trust, the Charities Act 2011 and "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)" (as amended for accounting periods commencing from 1 January 2016). The charity is a Public Benefit Entity as defined by FRS 102.

The charity has taken advantage of the provisions in the SORP for charities applying FRS 102 Update Bulletin 1 not to prepare a Statement of Cash Flows.

The financial statements have departed from the Charities (Accounts and Reports) Regulations 2008 only to the extent required to provide a true and fair view. This departure has involved following the Statement of Recommended Practice for charities applying FRS 102 rather than the version of the Statement of Recommended Practice which is referred to in the Regulations but which has since been withdrawn.

The financial statements are prepared in sterling, which is the functional currency of the charity. Monetary amounts in these financial statements are rounded to the nearest \pounds .

The financial statements have been prepared under the historical cost convention, [modified to include the revaluation of freehold properties and to include investment properties and certain financial instruments at fair value]. The principal accounting policies adopted are set out below.

1.2 Going concern

At the time of approving the financial statements, the trustees have a reasonable expectation that the charity has adequate resources to continue in operational existence for the foreseeable future. Thus the trustees continue to adopt the going concern basis of accounting in preparing the financial statements.

1.3 Charitable funds

Unrestricted funds are available for use at the discretion of the trustees in furtherance of their charitable objectives.

Restricted funds are subject to specific conditions by donors as to how they may be used. The purposes and uses of the restricted funds are set out in the notes to the financial statements.

1.4 Income

Income is recognised when the charity is legally entitled to it after any performance conditions have been met, the amounts can be measured reliably, and it is probable that income will be received.

Cash donations are recognised on receipt. Other donations are recognised once the charity has been notified of the donation, unless performance conditions require deferral of the amount. Income tax recoverable in relation to donations received under Gift Aid or deeds of covenant is recognised at the time of the donation.

Legacies are recognised on receipt or otherwise if the charity has been notified of an impending distribution, the amount is known, and receipt is expected. If the amount is not known, the legacy is treated as a contingent asset.

1.5 Expenditure

Liabilities are recognised as soon as there is a legal or constructive obligation committing the charity to pay out resources.

Charitable expenditure comprises those costs incurred by the charity in the delivery of its activities and services for its beneficiaries. It includes both the direct costs and the support costs relating to these activities.

1.6 Tangible fixed assets

Tangible fixed assets are initially measured at cost and subsequently measured at cost or valuation, net of depreciation and any impairment losses.

Depreciation is recognised so as to write off the cost or valuation of assets less their residual values over their useful lives on the following bases:

Freehold property	Straight line over 50 years
Property improvements	Straight line over 15 years
Fixtures and fittings	Straight line over 3-20 years

The gain or loss arising on the disposal of an asset is determined as the difference between the sale proceeds and the carrying value of the asset, and is recognised in the statement of financial activities.

1.7 Impairment of fixed assets

At each reporting end date, the charity reviews the carrying amounts of its tangible assets to determine whether there is any indication that those assets have suffered an impairment loss. If any such indication exists, the recoverable amount of the asset is estimated in order to determine the extent of the impairment loss (if any).

1.8 Cash and cash equivalents

Cash and cash equivalents include cash in hand, deposits held at call with banks, other short-term liquid investments with original maturities of three months or less, and bank overdrafts. Bank overdrafts are shown within borrowings in current liabilities.

Basic financial assets

Basic financial assets, which include debtors and cash and bank balances, are initially measured at transaction price including transaction costs and are subsequently carried at amortised cost using the effective interest method unless the arrangement constitutes a financing transaction, where the transaction is measured at the present value of the future receipts discounted at a market rate of interest. Financial assets classified as receivable within one year are not amortised.

Basic financial liabilities

Basic financial liabilities, including creditors and bank loans are initially recognised at transaction price unless the arrangement constitutes a financing transaction, where the debt instrument is measured at the present value of the future payments discounted at a market rate of interest. Financial liabilities classified as payable within one year are not amortised.

Debt instruments are subsequently carried at amortised cost, using the effective interest rate method.

Trade creditors are obligations to pay for goods or services that have been acquired in the ordinary course of operations from suppliers. Amounts payable are classified as current liabilities if payment is due within one year or less. If not, they are presented as non-current liabilities. Trade creditors are recognised initially at transaction price and subsequently measured at amortised cost using the effective interest method.

(Continued)

Derecognition of financial liabilities

Financial liabilities are derecognised when the charity's contractual obligations expire or are discharged or cancelled.

1.9 Employee benefits

The cost of any unused holiday entitlement is recognised in the period in which the employee's services are received.

Termination benefits are recognised immediately as an expense when the charity is demonstrably committed to terminate the employment of an employee or to provide termination benefits.

2 Change in accounting policy

This year when carrying out the independent examination, it was brought to our attention that the Joint Tithe that has been previously been included as operating income should in fact be a donation. The adjustment has been made in the 2020 accounts to reflect this, as well as the 2021 accounts.

3 Critical accounting estimates and judgements

In the application of the charity's accounting policies, the trustees are required to make judgements, estimates and assumptions about the carrying amount of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised where the revision affects only that period, or in the period of the revision and future periods where the revision affects both current and future periods.
