Recruitment and appointment of new trustees

To become a trustee of the charity, you must be approved at a general meeting by the members, by the passing of an ordinary resolution and no person can become a trustee of the company unless they are approved by the existing directors.

Report of the Trustees for the year ended 30 September 2021 (continued)

Induction and training of new trustees

The policy for inducting and training for trustees has been reviewed and there is a training plan in place.

STRUCTURE, GOVERNANCE AND MANAGEMENT (continued)

Organisational structure

The trustees make decisions regarding strategic matters and all expenditure. Day to day decisions are made by the Board members of the company. The day to day decisions of its asset locked community interest company will be made through its management and appointed staff.

Risk management

The trustees have a duty to identify and review the risks to which the charity is exposed and to ensure appropriate controls are in place to provide reasonable assurance against fraud and error.

Internal risks are minimised by the implementation of procedures for authorisation of all transactions and projects and to ensure consistent quality of delivery for all operational aspects of the charitable company. These procedures are periodically reviewed to ensure that they still meet the needs of the charity.

OBJECTIVES AND ACTIVITIES

Objectives and aims

The object of the charity is to benefit the residents of Calderdale, in particular the areas of Ovenden and its surrounding neighbourhood, but not exclusively, without distinction of sex, sexual orientation, race or of political, religious or other opinions by associating together, along with the local authority, voluntary and other organisations in a common effort to advance education, preserve and protect good health and to provide facilities in the interests of social welfare for recreation leisure time occupation, with the objective of improving the lives of the residents.

The strategies employed to achieve the charity's objectives are to advance:

Health and wellbeing - making and impacting on health and lifestyle
Amateur sport and physical activity - increasing participation
Community development - engaging with the local community
Education and skills - performance at the highest level and developing skills in the community
Community facilities - venue for local community events

The Foundation partners - Ovenden West Riding Football Club, Ovenden Amateur Rugby League Club, Halifax Panthers Women's Rugby League Club, Forest Cottage Dance Group, Calderdale Taekwondo and other users of the facility will deliver these strategies through their development plans.

Public benefit

The charity's aims, objectives and activities are to be renewed each year. In this review the charity plans to look at the activities undertaken in the previous year to ensure that the benefits have been brought to those groups the charity was set up to help. The review will also help to ensure that the activities remain focused on the stated aims and objectives. We have referred to the guidance contained in the Charity Commission's general guidance on public benefit when reviewing our aims and objectives and in planning the charity's future activities. In particular the trustees consider how planned activities will contribute to the aims and objectives they have set.

ACHIEVEMENT AND PERFORMANCE

Charitable activities

The Charitable Limited Company, OSCA Foundation Ltd was established in January 2011 as a new third sector organisation based in North Halifax, Registered Charity - registered No: 1140246 and Company Limited by Guarantee registered - No: 7362562 (England and Wales). It is concerned with the charitable benefits for the residents of Calderdale, Ovenden and the local neighbourhood of North Halifax.

Report of the Trustees for the year ended 30 September 2021 (continued)

Charitable activities(continued)

We have also formed the Community Interest Company, Ovenden Sports and Community Arena, registered No: 7368140 (England and Wales), which is responsible for the advancement of community facilities, community development, health and wellbeing, education and skills, amateur sport and physical activity programmes.

Since the launch of our Business Case - A Compelling Vision, in July 2011, our major milestone in the transfer of the land asset of the four fields site for community management by the charity has provided the springboard for the development. The 42 year lease (at a peppercorn rent) for the site, agreements, variations and community use agreement are all secured.

In the previous periods, sixteen areas of our work programme were achieved.

A 125 year lease was secured on Forest Cottage building - a community building owned by Calderdale Metropolitan Borough Council, which was transferred to OSCA as part of the Council's asset transfer programme-which included the extension of the 42 year lease on the four fields to 125 years.

In August 2020 the Foundation moved into a new and exciting phase of its development as a "first class community sports organisation" having secured grants from Sport England, Football Foundation, National Stadia Fund and Rugby World Cup 2021 Create Fund totalling in excess of £652,000, to develop the Forest Cottage community building.

The development of Forest Cottage started in September 2020 and was completed in July 2021. The completion coincided with the lifting of Covid restrictions and the use of the new facilities has increased since that date. With football and rugby being played on the site, the new facilities make the site unique in the area and this is giving us the opportunity to host events.

Due to Covid, the take up of use of the Multi Use Games Area (MUGA) has accelerated with most evenings now fully booked. A number of slots are taken during the day for local groups, ranging from veteran walking football to use of the facilities by mental health groups. There is however still more capacity available for use of the MUGA.

The sports hall has been decorated and the floor refurbished. Calderdale Taekwondo use this regularly, along with keep fit, Zumba and retired ballroom dancers. The sports hall has been used for a number of events for the local community, such a birthday parties, Muslim bridegroom present giving, engagement parties and funerals. Where required, the bar has been made available to extend the experience.

The Community and Youth Hub are being used by local groups for mothers and toddlers, first aid training, mental health support and a 13-18 year old youth group.

Much work has also been carried out on the playing fields, to improve the playing surface and experiences. This has been done using the newly acquired tractor and grounds machinery provided by the Football Foundation. In addition, the main pitches have been verti-drained and sanded to try and correct some drainage issues.

There is more capacity across the whole site and there is an active plan to recruit volunteers and to market the facilities and the site.

Fundraising activities

During the year we have continued to realise income resources from investment and other income as itemised on the Detailed Statement of Financial Activities on page 11.

In connection with our examination, we can confirm that no matter has come to our attention:
