## REPORT OF THE TRUSTEES FOR THE YEAR ENDED 31 DECEMBER 2021

The Council of Management, who are trustees and directors of the charity for the purposes of the Companies Act, present to the members their report and the unaudited financial statements for the year ended 31 December 2020. The trustees have adopted the provisions of the Statement of Recommended Practice (SORP) 'Accounting and Reporting by Charities' (FRS102) in preparing the annual report and statements of the charity.

#### **OBJECTIVES AND ACTIVITIES**

#### Objectives and aims

The Society's object is: "To promote and foster among the public knowledge, appreciation and study" of what are now known as the Arts, Humanities and Sciences. To this end, the main current activities are: to maintain the freehold premises housing a museum, library and archives and maintaining and enhancing the holdings contained therein; and the mounting of public lectures. The Society was recognised by the Master of the Rolls, under 1926 national provisions, as a local depository for manorial documents.

#### **Public benefit**

The Society provides public benefit by the maintenance and development of its collections, some of which are of national and international significance. Improved access, both physical and virtual, is the driver for activities across the Society. The Librarian and Curator receive a considerable number of specific enquiries from members of the public. These are dealt with directly or passed to other volunteers.

A summary of our charitable activities appears below.

### ACHIEVEMENT AND PERFORMANCE

#### Charitable activities

With the Covid pandemic and lockdown, 2020 has been an extraordinary year. The Museum has been closed to members and the public from March until the end of the year, with only some very limited access for essential work. In normal years the Society would open its doors to the public once a month throughout the year, with organisations and school visiting by appointment.

Although other museums have also been closed, the Society continues to have items on loan at other accredited museums and an exhibition is permanently on display at Ayscoughfee Hall.

The Society has taken a three-year rental contract in a nearby building for storage, training and to work on conservation in order to preserve the Society's collections for future generations under the guidance of a qualified conservator.

The Librarian having developed an active group of volunteers to assist with cataloguing and conserving our archives and books has made some progress during the year and, with the benefit of a successful grant application, has purchased a digitisation scanner to better document and make the collection more accessible.

Members of the Society continued, via Zoom, to give talks to members on our own history and related matters.

Regular articles are published in the local press to disseminate the results of research carried out on our archives and museum collection. Our website describes our activities to a global audience and members have contributed stories of interest from our collection.

The members of Council together with committee members have continued to meet and work online during the periods of lockdown.

## **FINANCIAL REVIEW**

### **Financial position**

The operating profit for the year was £67,762

## REPORT OF THE TRUSTEES FOR THE YEAR ENDED 31 DECEMBER 2021

#### **FINANCIAL REVIEW**

### Investment policy and objectives

To manage risk Society funds are split between interest bearing cash accounts and a portfolio of equities. The portfolio is under active review by our Finance Committee which reports value and yield to the Council throughout the year. The portfolio functions to generate a healthy income with no deduction of management fee. The Finance Committee retain the authority to manage the portfolio as necessary.

#### Reserves policy

Factors taken into account in deciding the level of reserves include the need to cover fluctuations in expenditure and the need to have sufficient funds available to finance any urgent potential capital expenditure. The Society is dependent upon the income arising from its investments to fund its core activities and therefore does not consider its investments at 31 December 2021 of £168,981 to be part of free reserves. At the year end, free reserves were £263,350. This figure falls well short of estimated potential repair costs and is a necessary requirement to cover likely expenditure needed to maintain charitable status

#### **FUTURE PLANS**

The immediate requirement is to match income to the running costs of the Society.

It has become apparent that to provide adequate accommodation for the future in line with the Vision Statement adopted in 2014 considerable capital expenditure will be needed. Steps have been taken and are being taken with a view to seeking major funding. In parallel, it will be necessary to consider all aspects of recurrent income and expenditure to ensure a viable future.

A report from Focus Consultants was commissioned to consider future options for the Society with respect to its premises and business plan. This report, funded by the Heritage Lottery Fund, was delivered to trustees in November 2017.

The Trustees are actively engaged with the HLF and other sector bodies to explore sources of funding.

## STRUCTURE, GOVERNANCE AND MANAGEMENT

### Structure

Spalding Gentlemen's Society is a company limited by guarantee and registered under the Companies Act 2006, registration number 543260. The income and property of the Society shall be applied solely towards the promotion of the object of the Society, and no portion shall be paid or transferred to any member. The liability of each member in the event of winding up is limited to £2. The company has obtained the consent of the Registrar of Companies to be exempt from the requirement to use the word "limited" in its name. It is a registered charity, number 216131. Members of Council are trustees for charitable purposes. The governing document is the Memorandum and Articles of Association adopted at the 2019 AGM, submitted to and accepted by the Charity Commission. This document is published on the Society's website. Membership of the Society is open to all aged 18 or older on payment of the annual membership fee. There are some 350 members.

About forty volunteers assist Council with the daily affairs of the Society in normal years.

### Recruitment and appointment of new council members

Members of Council are elected at an Annual General Meeting. Any casual vacancy other than the President and Vice Presidents may be filled by the Council who may also co-opt and appoint additional Members of Council. Any member, so appointed, shall retire at the next Annual General Meeting but shall be eligible for election at that Meeting. Members of the Society may put themselves forward for election at the Annual General Meeting. The new constitution dictates that at the 2020 AGM all trustee positions fall vacant and a new Council of trustees must be elected. The minimum number of trustees then and thereafter will be nine and the maximum twelve.

Members of Council are mainly retired and have acquired appropriate skills and experience. Courses and updated information are available from professional, historical and heritage bodies and training is taken when considered necessary.

## REPORT OF THE TRUSTEES FOR THE YEAR ENDED 31 DECEMBER 2021

### STRUCTURE, GOVERNANCE AND MANAGEMENT

### Induction and training of new trustees

An audit of skill sets is made to identify gaps in expertise and governance requirements for the future. New members of Council are advised of their statutory duties and provided with induction information. New and old Trustees are encouraged to participate in training programmes. Members of Council and other Society members have continued to participate actively in courses provided by MDEM and the National Lottery Heritage Fund, previously known as the Heritage Lottery Fund (or HLF).

### Risk management and mitigation

The condition of our Broad Street premises is our most serious concern. There has been historic settlement and distortion of foundation and flooring with cracks and gaps evident around the building. These defects are not covered by insurance. Historic England have grant supported a monitoring programme for the building from their Buildings at Risk department. At the end of the monitoring period a consultant will produce a report with recommendations for remedial work.

The grant of planning permission to the owners of the Business Centre next door creates a further threat. The permission as it stands would create major disturbance. We are in discussion with the owners to see if we can acquire at least part of the site in order to achieve urgent expansion of our premises, obtain access to effect repairs to the rear and control construction activity on our boundary.

## INDEPENDENT EXAMINER'S REPORT TO THE TRUSTEES OF SPALDING GENTLEMEN'S SOCIETY

## Independent examiner's report to the trustees of Spalding Gentlemen's Society ('the Company')

I report to the charity trustees on my examination of the accounts of the Company for the year ended 31 December 2021.

### Responsibilities and basis of report

As the charity's trustees of the Company (and also its directors for the purposes of company law) you are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

Having satisfied myself that the accounts of the Company are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of your charity's accounts as carried out under section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under section 145(5) (b) of the 2011 Act.

#### Independent examiner's statement

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

- 1. accounting records were not kept in respect of the Company as required by section 386 of the 2006 Act; or
- 2. the accounts do not accord with those records; or
- the accounts do not comply with the accounting requirements of section 396 of the 2006 Act other than any
  requirement that the accounts give a true and fair view which is not a matter considered as part of an
  independent examination; or
- 4. the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities (applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

#### Basis of preparing the financial statements

The financial statements of the charitable company, which is a public benefit entity under FRS 102, have been prepared in accordance with the Charities SORP (FRS 102) 'Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)', Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' and the Companies Act 2006. Life membership subscriptions received are credited to the statement of financial activities in twelve annual instalments.

The historical cost of the freehold properties is £4,402. Freehold property is included in the financial statements at the Members of Council estimation of market value based on a valuation obtained from R Longstaff & Co on 28 March 2013.

The Museum collection is a Heritage Asset which has been amassed over the last 300 years mainly by way of gift and is of such extent that neither cost nor market value, are readily ascertainable. The Society has not obtained a valuation of the Museum collection from the balance sheet, as permitted by paragraph 18.17 of the Charities SORP (FRS102). In most cases it would be impossible to place a reliable value on items in the collection and the volume of unique items mean it would not be practical or a reasonable use of society funds to obtain a valuation.

The cost of additions to the museum collection, library and archives as well as museum has not been capitalised, being written off in the statement of financial activities as museum expenditure. Gifts of exhibits during the year to the Society are not included in the statement of financial activities. The museum collection is on exhibit in the Museum and is available for scholastic research and visits by arrangement with the curator.

In addition to the unrestricted fund the society has the following designated and restricted funds:

## Designated fund:

The council has designated an amount equivalent to the net book value of non-restricted fund fixed assets and investments used to enable the Society to continue to carry on its charitable mission.

## Designated building fund:

The council have established a separate fund to work towards the repair and renewal of the society property by designating individual gifts and insurance proceeds received on the property as a building fund.

## Restricted building fund:

The council have begun fund raising to provide the reserves required to repair and renew the property from which the society operates in order to be able to provide improved access to and the environment providing suitable protection for the societies collection. Donations and gifts received as part of this fund raising are restricted for these purposes.

### Restricted library fund:

Part of the societies collection is a substantial library, which requires significant conservation due to age of many of the books. The council have developed an 'adopt a book' scheme to provide the funds to undertake this work and all income received is restricted for the purposes of library conservation.

## Other restricted funds:

Other restricted funds relate to grants received for various projects, which are restricted in use dependent on the terms of the grant in question.
