THE FRIENDS OF THE ARCHBISHOP OF CANTERBURY'S ANGLICAN COMMUNION FUND

TRUSTEES' REPORT

FOR THE YEAR ENDED 31 DECEMBER 2021

The Trustees present their report for the year ended 31 December 2021.

Objectives and activities

Objectives and the public benefit

The Friends of the Archbishop of Canterbury's Anglican Communion Fund (the Friends) acted until 31 December 2021 principally as the fund-raising arm of the Archbishop of Canterbury's Anglican Communion Fund (the Fund) and was created to apply its income for the benefit of the churches and provinces of the Anglican Communion and the international ministry of the Archbishop of Canterbury. The principal objectives of the Fund are:

- to provide assistance for the provinces or dioceses of the Anglican Communion at times of crisis in the Anglican Communion or the community;
- to support strategic initiatives to assist religious and other charitable work of the Anglican Communion; and
- to provide official representation of the Anglican Communion at international institutions and consultations including the Anglican Communion Office at the United Nations.

There is no other substantial source of funding for these purposes available to the Archbishop of Canterbury which is accessible wholly for the general purposes of the whole Communion. The aim of the Fund is not to supplant the generosity of individual parishes, dioceses or provinces, but, rather, to support the work of the Church locally on behalf of the whole Communion.

When planning the charity's activities, the Trustees have regard to the Charity Commissioners' guidance on public benefit and in particular to the specific guidance on charities for the advancement of religion.

On 1 January 2022, the activities of the charity were transferred to the Fund. The charity will be wound up in due course.

Significant activities

The Friends' main activity was to seek and welcome donations to finance their grant making activities.

Aims and objectives for the year.

The main aim of the charity for the year was to maintain and increase its overall level of income by maintaining good relationships with the principal donors and by publicising the needs of the Anglican Communion to potential new donors to broaden the donor base and to increase its grant making capacity.

In addition, in July 2020 the Archbishop of Canterbury launched the Together in Unity Appeal, an appeal to the Anglican Communion to support one another by providing funds for churches and communities around the world in particular need during the Covid 19 pandemic. This appeal was administered jointly by the Friends and the Fund.

Volunteers

Much of the activity of the charity is undertaken by the trustees on a voluntary basis with administrative support from the Chief Executive Officer and Executive Assistant.

Achievement and performance

In 2021 the Friends received donations totalling £508,619. This compares with £844,773 in the previous year.

These donations were:

- £223,952 being \$ 298,675 @ \$1.33 to £1 (2020 - £203,082 being \$278,243 @ \$1.37 to £1) received from the American Friends of the Archbishop of Canterbury's Anglican Communion Fund, (the American Friends) a US charity established to support the work of the Friends and the Fund. This donation has been made to finance certain specified grants to be made by the Friends or the Fund.
- UK donations of £226,929 from 33 individuals and trusts (2020 - £295,960 from 34 individuals and trusts) on which Gift Aid totalling £9,742 (2020 - £16,874) is also receivable. This year UK donations included new donations of £9,932 from 54 people raised during the Big Give Fundraising week in December 2021 and pledged donations totalling £20,034 from six people or trusts. It should also be noted that UK donations totalling £65,950 from 7 individuals and trusts were received directly by the Fund (2020 – Nil)
- £47,996 in response to the Together in Unity Appeal (2020 - £319,357)

The Trust made donations totalling £525,347 during the year (2020 - £811,337). Grants totalling £45,000 were made (2020 - £45,000) to support the Anglican Communion Office at the United Nations. £480,347 (2020 - £766,337) was granted to the Archbishop of Canterbury's Anglican Communion Fund. A balance of £2,000 was retained towards the costs of winding up the charity.

Financial review

The accounts are set out on pages 8 to 14.

It has been the policy of the Friends to distribute by way of grant virtually all its unrestricted net income each year and to retain in reserves only an amount to fund the following six month's estimated net operating expenses of the Friends and the Fund, which for 2021 total an estimated £45,000. Since the Friends has now transferred its activities to the Fund, in 2021 all the available reserves were transferred to the Fund, with the exception of £2,000 which was retained towards the costs of winding up the charity.

The principal funding sources have been UK individuals and trusts and the American Friends, a US non-profit organisation. £49,732 (US\$66,307) of the grant from the American Friends emanated from donations from US investment managers.

103% of the income received was donated by way of grant. Administration and finance costs represented 0.3% of income and Development costs borne by the Friends represented 4.9% of income.

Impact of Coronavirus

The coronavirus pandemic did not have a significant impact on the fundraising ability of the Friends. However, the Together in Unity Appeal raised £47,966 in 2021 and £319,357 in 2020 through donations to the Friends during the year enabling the Fund to respond to a high level of applications for emergency grants to meet the needs of communities around the Anglican Communion affected by the pandemic.

Future developments

As the activities of the Friends were transferred to the Fund with effect from 1 January 2022, the charity has ceased to operate and will be wound up in due course.

Structure, governance and management

Governing document

The Charity was created by a deed of trust dated 12 November 1997 and on 15 February 1999 was registered in England as a Charity. The name of the charity was The Anglican Investment Agency Trust until 2012 when the name was changed to The Friends of the Archbishop of Canterbury's Anglican Communion Fund by a Resolution dated 29 July 2012 which was accepted by the Charity Commission on 4 September 2012.

Recruitment and appointment of new trustees

The Chair of the Inter-Anglican Finance and Administration Committee and the Secretary General of the Anglican Communion are ex-officio trustees. Three co-opted trustees are appointed by the Archbishop of Canterbury. The other trustees are appointed by the trustees from among lay persons and non-stipendiary ministers with relevant commercial knowledge and experience.

Induction and training of trustees

The policies and procedures of the charity and the responsibilities of trustees are explained to new trustees by the chairman and the treasurer.

Organisational structure and decision making process

The Friends is controlled by the Trustees who meet at least once a year to determine the fundraising policy, review donations received and consider grants to be made. A Management Committee oversees the day to day activities of the trust. The members of the management committee, which is chaired by Lord Green, are indicated in the administration details below.

Related parties and wider networks

The Friends works closely with the American Friends, an American non-profit organisation, which has a similar role in the United States of America and which makes grants each year to the Friends. Certain trustees of the Friends are also trustees of the American Friends.

The Friends has acted principally as the fund raising arm of The Archbishop of Canterbury's Anglican Communion Fund (the Fund) and also had the right to nominate some of the trustees of that Fund. That right has now lapsed. Each year the Friends has made one or more grants to

support particular projects and, after retaining in reserves an amount to fund the following six months' estimated net operating expenses of the Friends and the Fund, has granted the balance of its available income to the Fund.

The Friends and the Fund both apply their income for the benefit of the churches and provinces of the Anglican Communion and the international ministry of the Archbishop of Canterbury.

Risk management

The major risks to which the Friends is exposed have been reviewed and procedures have been established to mitigate those risks. The main risk is considered to be the possibility that grants made by the Friends and the Fund are not applied for the approved purposes. To mitigate this risk grantees are required to submit detailed reports on the use of the funds received within six months, and in many cases only a proportion of the approved grant is paid until an interim report on project progress is received.

Trustees' statement of responsibility in relation to the accounts

Under charity law, the Trustees are responsible for preparing the Trustees' Annual Report and the financial statements for each financial year which show a true and fair view of the state of affairs of the charity and of the excess of income over expenditure for that period.

In preparing these financial statements, generally accepted accounting practice entails that the trustees:

- Select suitable accounting policies and apply them consistently;
- Make judgements and estimates that are reasonable and prudent;
- State whether the recommendations of the Statement of Recommended Practice have been followed, subject to any material departures disclosed and explained in the financial statements;
- Prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue its activities.

The Trustees are required to act in accordance with the trust deed of the charity, within the framework of trust law. They are responsible for keeping proper accounting records, sufficient to disclose, at any time, with reasonable accuracy the financial position of the charity at that time, and to enable the Trustees to ensure that, where any statements of account are prepared by them under section 132(1) of the Charities Act 2011, those statements of account comply with the requirements of regulations under that provision. They have general responsibility for taking such steps as are reasonably open to them to safeguard the assets of the charity and to prevent and detect fraud and other irregularities.

Accountant's report

Independent examiner's report to the trustees of The Friends of the Archbishop of Canterbury's Anglican Communion Fund

I report on the accounts of the trust for the year ended 31 December 2021, which are set out on pages 8 to 14.

Respective responsibilities of trustees and examiner

The charity's trustees are responsible for the preparation of the accounts. The charity's trustees consider that an audit is not required for this year under section 144 of the Charities Act 2011 (the Charities Act) and that an independent examination is needed.

It is my responsibility to:

- examine the accounts under section 145 of the Charities Act,
- to follow the procedures laid down in the general Directions given by the Charity Commission (under section 145(5)(b) of the Charities Act), and
- to state whether particular matters have come to my attention.

Basis of independent examiner's report

My examination was carried out in accordance with general Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from the trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently no opinion is given as to whether the accounts present a 'true and fair' view and the report is limited to those matters set out in the statement below..

Independent Examiner's statement

In connection with my examination, no matter came to my attention:

(1) which gives me reasonable cause to believe that in any material respect the requirements:

- to keep accounting records in accordance with Section 130 of the Charities Act;
- to prepare accounts which accord with the accounting records and comply with the requirements of the Charities Act

have not been met; or

(2) to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

Notes to the accounts

31 December 2021

Constitution

The Charity was created by a deed of trust dated 12 November 1997 for the benefit of the churches and provinces of the Anglican Communion and the international ministry of the Archbishop of Canterbury. On 15 February 1999 the Charity was registered in England as Charity No 1073955. The name of the charity was The Anglican Investment Agency Trust until 2012 when the name was changed to The Friends of the Archbishop of Canterbury's Anglican Communion Fund (The Friends) by a Resolution dated 29 July 2012 which was accepted by the Charity Commission on 4 September 2012.

Accounting policies

The principal accounting policies adopted, judgements and key sources of estimation of uncertainty in the preparation of the accounts are as follows:

Basis of financial statements

The accounts have been prepared in accordance with the Statement of Recommended Practice: Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) and the Charities SORP 2015 (SORP 2015) as amended by Updated Bulletin 1.

The trust is a public benefit entity as defined by FRS 102. The accounts have been prepared under the historical cost convention and include all transactions, assets and liabilities for which the trust is responsible in law.

The trustees consider that there are no material uncertainties about the Trust's ability to continue as a going concern.

Preparation of the accounts on a going concern basis

The trust is a grant making trust and only makes grants out of available income. During the year the trust had an excess of expenditure on unrestricted funds over income of £43,000, which at the year end amounted to £2,000. The activities of the trust are being wound down, as its fundraising activity was transferred to a related charity, The Archbishop of Canterbury's Anglican Communion Fund, on 1 January 2022. However the trustees are not aware of any circumstances that might affect the going concern status of the trust in the foreseeable future.

For this reason, the trustees are of the opinion that the trust can be considered a going concern for the foreseeable future, this being a period of at least twelve months from the date of approval of the balance sheet.

Funds

Unrestricted funds are funds set aside by the trustees that are not subject to any restrictions regarding their use and are available for application on the general purposes of the trust.

Designated funds are general funds set aside for a particular purpose by the trustees. They are also unrestricted.

Restricted funds represent donations or grants received for a specific object or invited by the trustees for a specific object. The funds may only be expended on the specific object for which they were given. Any balance remaining unspent at the end of the year must be carried forward as a balance on that fund.

2 Accounting policies (Cont'd)

Income

All income is recognised once the charity has entitlement to the income, it is probable that the income will be received and the amount of income receivable can be measured reliably.

Donations are recognised when the Trust has been notified in writing of both the amount and settlement date.

Legacies are recognised on a case by case basis following the granting of probate when the administrator/executor for the estate has communicated in writing both the amount and settlement date.

Interest on funds held on deposit is included when receivable and the amount can be measured reliably by the charity; this is normally upon notification of the interest paid or payable by the bank.

The value of donated services is calculated at the estimated cost of employing staff to provide the services concerned.

Expenditure

Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the charity to that expenditure, it is probable that settlement will be required and the amount of the obligation can be measured reliably.

Expenditure on charitable activities comprises direct expenses incurred on the defined charitable purposes of the charity and includes staff costs attributable to the activity.

Grants payable are accounted for once there is a legal or constructive obligation to make a payment to a third party, it is probable that settlement will be required and the amount of the obligation can be measured reliably.

Governance costs comprise expenditure on compliance with and advice on constitutional and statutory matters.

As all expenditure can be attributed to specific categories no apportionment between heading has been necessary. Irrecoverable VAT is included in the items of expenditure to which it relates.

Fixed assets

Office equipment and the *database* are depreciated on a straight line basis over 4 years.

Individual items of equipment with a purchase price of £500 or less are written off when the asset is acquired.

Foreign currencies

Transactions in foreign currencies are recorded at the rate ruling at the date of the transaction.

Monetary assets and liabilities denominated in foreign currencies are translated at the rate of exchange ruling at the balance sheet date. All differences are taken to the profit and loss account.

Taxation

The Trust, as a registered charity, is exempt from taxation on its income and gains falling within Section 505 of the Taxes Act 1988 or Section 256 of the Taxation of Chargeable Gains Act 1992 to the extent that they are applied to its charitable objectives. No tax charge has arisen in the year.
