Achievements and performance

2021 feels very much like a year of two halves for InterACT. The first half was dominated by COVID hub activity, as we continued to work with Leeds City Council and Voluntary Action Leeds. This meant coordinating volunteers in our area to deliver food, pick up prescriptions, make befriending phone calls and carry out other helpful tasks for people struggling with the impacts of the pandemic.

Trustees' report (continued) for the year ended 31 December 2021

Achievements and performance (continued)

We weren't entirely limited to the Hub role in that first part of the year. We worked with the Barn Café at the beginning of the year to make food boxes with prepared ingredients and recipes, which we delivered each week for 8 weeks to around 15 different households. We ran it as a pilot to see if it was something we could do in future – a treat delivery which also helped people try out new foods and recipes. It was very well received and certainly something we'd love to do again. We did follow up with something similar at Easter, with food deliveries that included fresh chicken or a vegetarian alternative.

Throughout the year, we were working with Thrive Leeds, Carr Manor School and Community Action To Create Hope (CATCH) as we work towards a new youth project for the area that we hope will have a base in a modular building on the grounds of our member churches. The project will give young people an opportunity to take a lead, volunteering and taking on roles that will earn them badges and privileges. We've done some good groundwork and there should be some significant developments with this in 2022.

Also throughout the year, Holy Trinity Community Café, a joint activity with InterACT, managed to stay open, albeit with a limited menu of hot drinks and biscuits for much of the year. It was good to be able to keep the space available for those who wanted/needed it.

In April we erected a mammoth 32x12ft shed at the allotments in Meanwood Farm, the base for Meanwood Men Shed. By the end of the year, the shed was electrically powered and ready for a steady programme of activities as we go forward. Following a few low key but very enjoyable social events (COVID waves preventing anything larger), a group of men worked on our first project – making the structures for nativity scenes exhibited at the Farm over Christmas. Dressings for the structures were created by a very talented group of ladies meeting each week in the latter part of Autumn, making for some wonderful life-size nativity characters and a lovely community enterprise at the end of another difficult year.

In July, shortly after we finished our role as the Moortown and Meanwood Hub, we opened our food Pantry in a converted shipping container on the grounds of Meanwood Community Centre. It was hard work to get to opening day, but it has definitely been worth it. The Pantry holds to the ethos of dignity, choice and hope. It is different from a Food Bank in that it is not intended to be an emergency provision but rather a community shop and hub. It is a space where members make significant savings on the cost of shopping, have an opportunity to help run the shop as a volunteer, receive help and advice where needed, and pick up recipe ideas (or share their own with others!). The shop is open three times a week and is run by volunteers from the local area, some of whom joined us after working with us through the pandemic. There were around 50 members by the end of the year, and now the team are confident in running this new venture, we look forward to welcoming more in 2022!

Financial review

The net receipts for the year were £16,165, including net receipts of £7,719 on unrestricted funds and net receipts of £8,446 on restricted funds.

Reserves policy

The charity's free reserves at the year end were £28,516.

Our reserves policy is to hold four-and-a-half months core costs, plus an additional 5% for contingency and inflation, plus the cost of statutory redundancy payments, as they would be on 31st December of the accounting year.

The target figure is set at the beginning of the year based on our budget, although we may adjust this in line with projections if core costs look set to be higher than budgeted. For 2022, the target is £38,400.

Going forward, we aim to increasingly diversify our income to include more unrestricted donations and grants in order to meet our reserves target.

InterACT Church and Community Partnership Trustees' report (continued) for the year ended 31 December 2021

Funds or subsidiary undertakings materially in deficit

The Pantry fund ws £6,938 in deficit at the year end, but funds were secured totalling £9,741; due to be received in 2022.

Signed on behalf of the board of trustees on 11/09/2022

John Rogers (Trustee)

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

- 1 accounting records were not kept in respect of the CIO as required by section 130 of the Act; or
- 2 the accounts do not accord with those records.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

InterACT Church and Community Partnership Notes to the accounts for the year ended 31 December 2021

1 Accounting policies

Basis of accounting

The trustees have taken advantage of section 133 of the Charities Act 2011 and have prepared the accounts on a receipts and payments basis.

There has been no change to the accounting policies since last year.

No changes have been made to the accounts for previous years.

Taxation

As a charity the organisation benefits from rates relief and is generally exempt from income tax and capital gains tax but not from VAT. Irrecoverable VAT is included in the cost of those items to which it relates.

Fund accounting

Unrestricted funds are available for use at the discretion of the trustees in furtherance of the general objectives of the charity.

Restricted funds are subjected to restrictions on their expenditure imposed by the donor or through the terms of an appeal.

Further explanation of the nature and purpose of each fund is included in the notes to the accounts.
