STRATEGIC REPORT

Achievement and performance

Charitable activities

The Charity was established in 1982, we provide services for disabled children and young people from pre-school to 25 years, in particular those on the autistic spectrum, and we provide support for their families. We aim to ensure disabled people enjoy a rich and full individual and family life, engaging with, and contributing to, their local community.

We are now working to the post Covid -19 arrangement enforced on the organisation through the Lambeth Short Break agreement. This arrangement has created a short fall in our finances from Lambeth. (2021 - 2022)

Our main activities post Covid -19 included: smaller groups of young people, but same services. All our services are back to face to face delivery. The Lambeth Shortbreak contract for services which started in January 2021, which includes ASC four days per week, Saturday club and Holiday playschemes, (Easter, summer and October half term).

The Management committee considers that the performance of the Charity for 2021/22 has been manageable and remain in a stable position. However, the Charity would not be able to provide such a wide range of services to its stakeholders without the support of the frontline staff. We appreciate the hard work and versatility of the Management team through their leadership and dedication, the organisation has been much more flexible in its approach in 2021/22, with contract variations, smaller grouping of young people attending services and restrictions on visits and outings.

Lifelong Family Links will be looking to develop its current staff and look at ways we can have the organisation in a ready state to expand. The Charity, post Covid -19 had a reduction in Face to face services with young people and the budget is based on young people attending the projects. However, the Shortbreak grant has been adjusted to cover six weekly periods, called the 'call off order', which has to be submitted and approved by the Children with Disability team (CDW), with payment after services has been delivered.

LFL has been working under the post Covid-19 contract for Lambeth, and other funders from March 2020 and our new Shortbreak agreement will start in January 2021.

The charity is hoping to work with several different partners in the coming year amongst which, are Walcot foundation, Lambeth Children and Adolescent Mental Health Services (CAMHS), The Lambeth Multi-Agency Team (MAT), Lambeth Short Break Team, CLEN (Capacity Building), Kingfisher Employment Law and Health & Safety Consultancy along with, London Youth; Prince's Trust, Ebony Horse Club; Bankside Community Garden; Active Living Support, Hive Café; Disability Advice Service Lambeth; Skills Builders, NHS; Streatham Business District; Wheels for wellbeing, Lambeth Adult Services, Vauxhall City Farm and Lambeth Disable Sport. Other stakeholders are various departments Lambeth council, Ofsted, London Youth and Youth and Play.

LFL has been recognised for delivering quality and much needed short break services. The specialised care services are for a more challenging group of children and young people with behavioural difficulties, communication needs, including mental health and social exclusion, referred to as 'Specialist users' The projects offer a range of different activities to stimulate disabled children and young people and encourage their social and emotional development. Not only by participating in activities designed explicitly for CYP with ASD disabilities but also by promoting integration and socialisation with peers in universal settings, which is in a safe, nurturing, supportive environment. Moreover, we are working on outcomes that will develop emotional resilience and help them feel more positive about themselves, which also includes, employability components through our Early Intervention project and Life skills project, respectively.

New staff, volunteers, trustees and work experience staff are put through an induction programme to support them in their roles which includes some shadowing. Training opportunities are also provided with both faces to face and online. More so online during the lockdown period. The training cover areas such as (Paediatric First Aid, Moving and Handling, Food Hygiene, Autism awareness, dealing challenging behaviours, Fire Prevention, Health & Safety, Safeguarding, Safe administering of Medicine, Makaton and Midas) these course are mandatory to staff and regular supervision, along with DBS (Disclosure and Barring Service) checks through an online system. We also require all staff to have two references. These checks are to protect our vulnerable children and young people. More senior staff are offered leadership training and NVQ level 3 in social care.

All policies and procedures are updated/modified as required regularly.

LIFELONG FAMILY LINKS

REPORT OF THE TRUSTEES **FOR THE YEAR ENDED 31ST MARCH 2022**

Lifelong Family Links have two full-time, office staff 1 project coordinator and we have worked with eight work experience volunteers. LFL have increased the number of its pool of support/playworkers to 15 in this financial year, along with the increase in children and young people, our numbers are back to pre-Covid. Before the increase in staffing we were forced to use the services of agency staff, which have reduced as we recruit new support workers.

During the financial year, LFL has successfully secured funding from various sources

- o Lambeth Youth & Play
- o Lambeth Short Breaks (starts January 2021)
- o Walcott Foundation (started January 2022)
- o Digital Inclusion Fund
- o TRA (Cotton Grns and Vauxhall Grns)
- o Lambeth Summer Prevention Grant
- o EIP project (Lambeth)
- o Big Lottery Grant
- o London Youth (Good for Girls, Getting Active and Sport Development Learning Grant)
- o JRS Grant (Furlough)
- o Direct Payments (parents)
- o Charity Bank (interest)
- o Shortbreaks Equipment (Ex-Aiming High Fund)
- o HAF (Summer and Christmas 2021)
- o Hall Hire

All our staff have returned back to work after lockdown but we had lost at least three staff members. We have been recruiting staff and volunteers but we find people are taking part in the training and induction but leave shortly after for better paid jobs.

PLAYSCHEMES

Lifelong Family Links continues to provide out of School Activities for young people with special needs within the borough. Holiday Playschemes are one of the most requested short break services that we provide. The playscheme has a structured day with on-site activities like drama, sensory Play, healthy cooking. Multi-sport and Off-site activities such as trips to the seaside, Hewitt's farm in Kent, football sessions, wall climbing, cycling are also offered. For the first time in many years, LFL was able to offer a weekend away, at Hindleap Warrant outdoor centre through London Youth organisation. This was an excellent opportunity for young people to enjoy outdoor activities and build confidence in this environment. The attendance average is 28 - 30 children per day overall projects, which now take place on two sites (2nd site, Willington Road). YLC (no longer exist) Lambeth Youth and Play had funded part of our playscheme in 2021 this has been a great help, as it has enabled us to deliver a better project and offer more activities for young people.

REFERRALS

Referrals come from social workers in the Mat team, Early intervention, adult disability team Children with disabilities team other charitable organisations and self-referrals through Direct payment. Within a week, we are contracted to respond to all referrals where an initial assessment is carried out, and families are registered with LFL to have access to the services we provide. We are in the process of working with Lambeth to option Purchase order numbers before starting young people for a new financial year, 2021/22.

FAMILY OUTINGS

LFL provides families outings mainly during the School Holiday period. Due to the Covid -19, we had no family seaside outings this year.

AFTER SCHOOL CLUB

The Charity runs After School Club sessions which offers 12 hours of respite per week for parents, over four days, Monday to Thursday during term time on the Palace Road site, but we also mirror our activities on Willington Road site. There is a transport service to drop the children home after the sessions, which has proved to be in demand. The transport service was introduced for a small number of children in local mainstream schools who were not provided with SEN Transport. Now we give transport to our young people on two sites with our two mini buses with tail lifts for wheel chair users. The ASC offers healthy eating, rambling, art & craft, cooking multi-sports, and sensory play.

LIFE SKILLS

The Life skill project has been very successful, especially with Future Talent and Good for Girls projects funded by London Youth who reported how pleased they were working with LFL and the commitment shown to the projects.

Participants will follow a personal development programme accredited by ASDAN, a charitable curriculum development and awarding organisation offering a range of nationally approved qualifications. LFL had successfully run ASDAN accredited courses before and achieved a 100% pass rate. The project's customised ASDAN programme is specifically developed to support the skills needed for a successful transition to adulthood and independent living. The young people have also completed personal development training in retail, first aid at work, resilience and food hygiene.

Financial review

FUNDING

We have fourteen current funding streams which included Lambeth Youth & Play for Playscheme (HAF), early intervention (life skills) funding. The new Lambeth Short Breaks started in January 2021, year two of the contract. We had exceptional successes in the last two years with Walcott Foundation, covering Life skills project, which was refunding for a further two years. The young people experienced work in a number of environments such as gardening and grooming horses with Ebony Horse Riding Club. We have received funding from Lambeth Business Grant during Covid-19 pandemic (2021) to support the charity.

The Community Fund project has just completed its third year, and we are grateful to our funder and the successful delivery of this project. The London Youth Good for Girls, Getting Active and Sport Development Learning projects ended in 2021/22.

LFL is pleased to announce we have completed London Youth Bronze accreditation for our Youth work.

Reserves policy

The Trustees have established a reserves policy to enable the charity to function effectively and meet its obligations in the event of a decline in our income or a major cost. Having considered the relevant risks of changes in income and expenditure, the trustees have determined that the appropriate level of reserves is in the range £200,000 to £300,000 would be reasonably adequate for a charity of our size.

Going concern

The Board have taken initial steps to consider the impact that the COVID 19 situation may have on the Charity and consider that the Charity has adequate resources and sufficient sources of funds available for the foreseeable future. Therefore the Board believe that it is appropriate for this reason to continue to adopt the going concern basis in preparing the financial statements for the year ended 31 March 2022.

STRATEGIC REPORT

Future plans

What we shall achieve from 2022 to 2023

a) Clear shared vision of our future

We are conscious that LFL needs a clear shared vision of where it wants to be in five years' time, or there is a risk that we will focus on short-term challenges and pay insufficient attention to the long term sustainability of the business. Preparing this plan has involved Trustees, staff, young people, parents/carers, partners and other stakeholders and we are confident that we have identified a way forward that will not only builds on existing expertise but tackles the emerging social agenda and the field of disabilities in general.

Our strategy, therefore, is to build on our expertise of working with young people who have a disability and have challenging behaviours and/or complex needs (Short break Projects) together with people with disabilities and/or mental health issues and are in need of a Life skills, Community Fund. Lambeth adult services, offer spot purchase opportunity for 1:1 work in the community with adults. A meeting is being sort with them in September 2022. This will also assist us to meet the demands of payment by results. We will consider restructuring the organisation to accommodate growth of the organisation in the coming years.

(b) Developing good working relationships

In addition, we are looking to develop good relationships with local employers, in order to secure work placements for our SEND young people who are on the Life skills/Employability programme, funded by the Walcott Foundation, and with providers who will help young people to successfully find work experience such as, Ebony Horse Riding, Streatham Business Distract, Bankside Gardens, Brixton Orchard Gardens and Transport for London (TFL) not forgetting Kensington and Chelsea Hospital, NHS, wheels for wellbeing, Oasis Venture, Sunshine Art, Active living Support, Urban growth, Disability Advice Service Lambeth, Southwark Food Bank, Southwark Connection, Bankside Garden Centre and Waterloo Business District.

We also aim to form closer partnerships with other providers so that we can replicate the collaborative approach we have followed in Lambeth, Southwark and Croydon to gain more contracts.

(c) Focus on marketing

There will be significant changes in the way services are purchased and provided in the next five years. Personal health budgets will enable us to provide services to people who have not been referred to by secondary/Lambeth or Southwark social care teams. This transition from a block contract to individual contracting needs to be handled carefully. Otherwise, it could destabilise the organisation.

Marketing our services need to be robust and ongoing. Ensuring we have a high profile in Lambeth and Southwark among purchasers, people in need of support and other providers are crucial. They require using social media and the website effectively.

We have managed to secure several new contracts, Lambeth youth & Play, (Playscheme), Walcot Foundation for three years, Community Fund (Lottery) 3-year Short break services. Main hall, have been redecorated, new furniture and new play equipment, along with repairs to doors, windows and plaster have been carried out 2020/21. We mainly use the upstairs of Laburnum Court, for the Life Skills project in the day time, and the older young people in the evening. With a music room, keep fit and main work area with IT. We feel this coming year will present itself with further financial challenges, of which we will be prepared and able to fight off, with our work plan, investment and new ideas for generating new funding streams.
