FINANCIAL REVIEW

In 2021 St Giles received gross income of £243,623, which was an increase of approximately £15,000 on the amount received in the previous year (£228,461). The majority of this income comes through planned giving from the St Giles family, service collections, one off donations, church hall letting and fees received for performing weddings and funerals. Donations to the church were in line with the previous year, with the increase in income attributable to a catch up of gift aid claims and a grant from Culture Recovery Fund for Heritage in respect of the costs of buildings preparation ahead of reopening post COVID.

Total expenditure in 2021 increased by approximately £37,000 from the previous year to £265,749, giving a net deficit for the year of £22,126 (2020: £34 surplus). The increase in costs in the year are largely attributable to preparation of the church buildings and facilities for reopening following the extended period of closure during the COVID-19 pandemic and the replacement of the boilers in the church buildings.

The reserves position at the end of the year remains positive, and the PCC will continue to invest in improvements to the church buildings and facilities as appropriate, whilst maintaining funds in line with the reserves policy.

REPORT OF THE TRUSTEES FOR THE YEAR ENDED 31 DECEMBER 2021

Reserves policy

It is the charity's policy that the Parish Reserves fund should be maintained to cover approximately 3 months of running costs and be sufficient to enable future development without financial restraints.

PUBLIC BENEFIT

The Trustees have had due regard to the guidance published by the Charity Commission on public benefit when reviewing the charity's aims and objectives and in planning future activities. The Trustees actively promote the Church and encourage all members of the community to become involved, and aspire to reach as many individuals from the local community as possible.

INDEPENDENT EXAMINER'S REPORT TO THE PAROCHIAL CHURCH COUNCIL OF THE ECCLESIASTICAL PARISH OF ST GILES WEST BRIDGFORD

I report to the charity trustees on my examination of the accounts of the charity for the year ended 31 December 2021, which are set out on pages five to fourteen.

Responsibilities and basis of report

As the charity's trustees you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the Act').

I report in respect of my examination of the charity's accounts carried out under section 145 of the Act and in carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

Independent examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

- 1. accounting records were not kept in respect of the charity as required by section 130 of the Act; or
- 2. the accounts do not accord with those records; or
- 3. the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair view' which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 DECEMBER 2021

1. ACCOUNTING POLICIES

The PCC constitutes a public benefit entity as defined by FRS102.

The accounts have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland issued in October 2019, the Financial Reporting Standard applicable in the United Kingdom and Republic of Ireland (FRS102), the Charities Act 2011 and applicable regulations, the Church Accounting (Amendment) Regulations 2006 and UK Generally Accepted Practice.

The financial statements have been prepared to give a 'true and fair' view and have departed from the Charities (Accounts and Reports) Regulations 2008 only to the extent required to provide a 'true and fair view'. This departure has involved following the Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland issued in October 2019 rather than the Accounting and Reporting by Charities: Statement of Recommended Practice effective from 1 April 2005 which has since been withdrawn.

The significant accounting policies applied in the preparation of these financial statements are set out below. These policies have been consistently applied to all years presented unless otherwise stated.

The financial statements have been prepared on a going concern basis under the historical cost convention. The financial statements are presented in sterling which is the functional currency of the charity and rounded to the nearest pound. The financial statements include all transactions, assets and liabilities for which the PCC is responsible in law. They do not include the accounts of church groups that owe their main affiliation to another body nor those that are informal gatherings of church members.

The trustees consider that there are no material uncertainties about the Charity's ability to continue as a going concern.

The accounts include all transactions, assets and liabilities for which the PCC is responsible in law. They do not include the accounts of church groups that owe their main affiliation to another body or those that are informal gatherings of church members.

Incoming resources

Planned giving, collections and similar donations are recognised when received. Tax refunds are recognised when the incoming resource to which they relate is received. Grants and legacies are accounted for when the PCC is entitled to the use of the resources, their ultimate receipt is considered reasonably certain and the amounts due are reliably quantifiable. Interest is accounted for as and when accrued by the payer, and rental income from letting church premises is recognised when the rental is due. All incoming resources are accounted for gross.

Resources expended

Expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all cost related to the category. Grants and donations are accounted for when paid over, or when awarded, if that award creates a binding obligation on the PCC.

The diocesan parish share is accounted for when paid. Any parish share unpaid at 31 December is provided for in these accounts as an operational (though not a legal) liability and is shown as a creditor in the Balance Sheet.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 DECEMBER 2021

1. ACCOUNTING POLICIES (continued)

Tangible fixed assets

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life.

Fixtures and fittings = 10% - 15% on cost
Computer equipment = 15% - 33% on cost

Consecrated and benefice property is not included in the accounts in accordance with s10(2)(a) and (c) of the Charities Act 2011.

Moveable church furnishings held by the Rector and Churchwardens on special trust for the PCC, and which require a faculty for disposal, are accounted as inalienable property unless consecrated. They are listed in the church's inventory which can be inspected (at any reasonable time). For inalienable property acquired prior to 2000 there is insufficient cost information available and therefore such assets are not valued in the accounts.

Items acquired since 1 January 2000 have been capitalised and depreciated in the accounts over their currently anticipated useful economic life on a straight line basis.

Rental income arises from two cottages, 9 and 11 Church Drive, the ownership of which is vested in the Southwell & Nottingham Diocese, held in benefit for St Giles' West Bridgford PCC.

Taxation

The charity is exempt from tax on its charitable activities.

Fund accounting

Unrestricted funds can be used in accordance with the charitable objectives at the discretion of the trustees.

General funds represent the funds of the PCC that are not subject to any restrictions regarding their use and are available for application on the general purposes of the PCC. Funds designated for a particular purpose by the PCC are also unrestricted.

Designated funds are established for specific purposes as agreed by the PCC members, and remain as unrestricted funds.

Restricted Funds comprise revenue donations for a specific activity intended by the donor.

Pension costs and other post-retirement benefits

The charity operates a defined contribution pension scheme. Contributions payable to the charity's pension scheme are charged to the Statement of Financial Activities in the period to which they relate.

Debtors and Creditors

Debtors and Creditors with no stated interest rate and receivable or payable within one year are recorded at transaction price.

Current asset investments

The charity hold cash on deposit for investment purposes, in order to obtain a better rate of return, thereby increasing their income enabling them to meet their objects.

Cash at bank

The charity holds sufficient funds in order to meet its short term cash commitments as they fall due.
