LANGLEY CHARITABLE TRUST

TRUSTEES' REPORT FOR THE YEAR ENDED 31 DECEMBER 2021

The Trustees present their annual report together with the financial statements of the Charity for the year 1 January 2021 to 31 December 2021.

Objectives and activities

● Policies and objectives

The principal activity of the trust is to advance the gospel of Jesus Christ and Christianity and the general welfare of humanity in its creation, nurturing and development of Christian outreach in varied dimensions. The trust does not support projects that do not directly benefit or help people.

In setting objectives and planning for activities, the Trustees have given due consideration to general guidance published by the Charity Commission relating to public benefit, including the guidance 'Public benefit: running a charity (PB2)'.

● Grant-making policies

The trustees meet on a regular basis to review requests for grants and to consider projects under development.

● Correspondence for grant applications

The trustees only reply where they require further information. No telephone calls or correspondence will be entered into concerning any proposed or declined applications.

All correspondence should be addressed to: The Trustees, Wheatmoor Farm, 301 Tamworth Road, Sutton Coldfield, West Midlands, B75 6JP.

Achievements and performance

● Review of activities

The statement of financial activities is shown on page 6.

Grant making in the year totalled £181,500 (2020: £ 71,800) which included a grant of £25,000 to Adventure Plus, a charity which provides adventure and education in a positive Christian environment and a grant of £150,000 to Betel UK Anchor Point Birmingham, a Christian charity that is building a community outreach and skills training centre to address head-on the hardships of social exclusion, substance dependencies, family breakdown and unemployment.

The net deficit of funds for the year was £106,905 (2020: net income of £11,463) including a £75,558 surplus on revaluation of investments (2020: £130,666).

The trust also provided support to NAYC through a temporary repayment holiday on the loan until 31 March 2021.

**TRUSTEES' REPORT (CONTINUED)
FOR THE YEAR ENDED 31 DECEMBER 2021**

Financial review

• **Going concern**

After making appropriate enquiries, the Trustees have a reasonable expectation that the Charity has adequate resources to continue in operational existence for the foreseeable future. For this reason, they continue to adopt the going concern basis in preparing the financial statements. Further details regarding the adoption of the going concern basis can be found in the accounting policies.

• **Reserves policy**

The trustees have accumulated reserves with a view to providing ongoing financial support to new projects as well as providing one off grants. The trustees have currently adopted a policy to accumulate reserves as part of a longer term vision for a project which will require significant capital investment.

Current free reserves (net current assets) are £896,154 (2020: £924,075).

Structure, governance and management

• **Constitution**

The Langley Charitable Trust is an unincorporated body which was established as a grant making trust on 24 January 1980 and registered as a charity on 19 March 1980.

The charity was established under a trust deed that established the objects and powers of the trust. Mr J P Gilmour and Mrs S S Gilmour have held office as trustees since the creation of the trust to date and have complete discretion over the use of the charity's funds and consider allocation of grants and application of funds for charitable purposes on a regular basis.

• **Methods of appointment or election of Trustees**

The management of the Charity is the responsibility of the Trustees who are elected and co-opted under the terms of the Trust deed.

• **Organisational structure and decision-making policies**

The charity is managed by the trustees.

• **Financial risk management**

The trustees believe that the charity is not exposed to significant external risk. Internal risks are minimised by the implementation of procedures for authorisation of all transactions and projects and to ensure consistent quality of delivery for all operational aspects of the charity. These procedures are periodically reviewed to ensure that they still meet the needs of the charity.

Plans for future periods

The trust continues to support a number of initiatives and projects in line with the charity's principal objective of Christian outreach to benefit and help people. The trustees are continuing to support Adventure Plus and NAYC in their purposes. The trustees are prayerfully considering the direction that the Lord would have them take in deciding upon further projects to support.

TRUSTEES' REPORT (CONTINUED) FOR THE YEAR ENDED 31 DECEMBER 2021

Statement of Trustees' responsibilities

The Trustees are responsible for preparing the Trustees' report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

The law applicable to charities in England & Wales requires the Trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the Charity and of its incoming resources and application of resources, including its income and expenditure, for that period. In preparing these financial statements, the Trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles of the Charities SORP (FRS 102);
- make judgments and accounting estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards (FRS 102) have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Charity will continue in business.

The Trustees are responsible for keeping adequate accounting records that are sufficient to show and explain the Charity's transactions and disclose with reasonable accuracy at any time the financial position of the Charity and enable them to ensure that the financial statements comply with the Charities Act 2011, the Charity (Accounts and Reports) Regulations 2008 and the provisions of the Trust deed. They are also responsible for safeguarding the assets of the Charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Approved by order of the members of the board of Trustees and signed on their behalf by:

LANGLEY CHARITABLE TRUST

INDEPENDENT EXAMINER'S REPORT FOR THE YEAR ENDED 31 DECEMBER 2021

Independent examiner's report to the Trustees of Langley Charitable Trust ('the Charity')

I report to the charity Trustees on my examination of the accounts of the Charity for the year ended 31 December 2021.

Responsibilities and basis of report

As the Trustees of the Charity you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the 2011 Act').

I report in respect of my examination of the Charity's accounts carried out under section 145 of the 2011 Act and in carrying out my examination I have followed the applicable Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

Independent examiner's statement

Your attention is drawn to the fact that the Charity has prepared the accounts in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) in preference to the Accounting and Reporting by Charities: Statement of Recommended Practice issued on 1 April 2005 which is referred to in the extant regulations but has been withdrawn.

I understand that this has been done in order for the accounts to provide a true and fair view in accordance with the Generally Accepted Accounting Practice effective for reporting periods beginning on or after 1 January 2015. I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the Charity as required by section 130 of the 2011 Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached. This report is made solely to the Charity's Trustees, as a body, in accordance with Part 4 of the Charities (Accounts and Reports) Regulations 2008. My work has been undertaken so that I might state to the Charity's Trustees those matters I am required to state to them in an Independent examiner's report and for no other purpose. To the fullest extent permitted by law, I do not accept or assume responsibility to anyone other than the Charity and the Charity's Trustees as a body, for my work or for this report.

**NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 DECEMBER 2021**

1. General information

Langley Charitable Trust is a charitable trust registered in England and Wales. The address of its registered office is Wheatmoor Farm, 301 Tamworth Road, Sutton Coldfield, B75 6JP, which is also the address of its principal place of business. The principal activity of the trust is supporting organisations which are aligned with the Trust's objectives.

2. Accounting policies

2.1 Basis of preparation of financial statements

The financial statements have been prepared in accordance with the Charities SORP (FRS 102) - Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) and the Charities Act 2011.

The financial statements have been prepared to give a 'true and fair' view and have departed from the Charities (Accounts and Reports) Regulations 2008 only to the extent required to provide a 'true and fair' view. This departure has involved following the Charities SORP (FRS 102) published in October 2019 rather than the Accounting and Reporting by Charities: Statement of Recommended Practice effective from 1 April 2005 which has since been withdrawn.

Langley Charitable Trust meets the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy.

2.2 Income

All income is recognised once the Charity has entitlement to the income, it is probable that the income will be received and the amount of income receivable can be measured reliably.

Income tax recoverable in relation to donations received under Gift Aid or deeds of covenant is recognised at the time of the donation.

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 DECEMBER 2021

2.3 Expenditure

All expenditure is inclusive of irrecoverable VAT.

2.5 Tangible fixed assets and depreciation

The Trustees consider that the residual value of the buildings is such that there is no depreciation charged. The property is reviewed for impairment on an annual basis.

Office equipment - over 3 years

**NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 DECEMBER 2021**

2. Accounting policies (continued)

2.6 Investments

Fixed asset investments are a form of financial instrument and are initially recognised at their transaction cost and subsequently measured at fair value at the Balance sheet date, unless the value cannot be measured reliably in which case it is measured at cost less impairment. Investment gains and losses, whether realised or unrealised, are combined and presented as 'Gains/(Losses) on investments' in the Statement of financial activities.

2.7 Programme related investments

Programme related investments held as fixed assets represent long term loans and advances, sometimes on terms that are interest free, to assist in the acquisition and development of property and projects for charitable purposes by third parties.

The loans are initially measured at fair value, being the amount advanced, and subsequently measured at amortised cost using the effective interest rate method, less impairment.

2.8 Debtors

Trade and other debtors are recognised at the settlement amount after any trade discount offered. Prepayments are valued at the amount prepaid net of any trade discounts due.

2.9 Cash at bank and in hand

Cash at bank and in hand includes cash and short-term highly liquid investments with a short maturity of three months or less from the date of acquisition or opening of the deposit or similar account.

2.10 Liabilities and provisions

Liabilities are recognised when there is an obligation at the Balance sheet date as a result of a past event, it is probable that a transfer of economic benefit will be required in settlement, and the amount of the settlement can be estimated reliably.

Liabilities are recognised at the amount that the Charity anticipates it will pay to settle the debt or the amount it has received as advanced payments for the goods or services it must provide.

Provisions are measured at the best estimate of the amounts required to settle the obligation. Where the effect of the time value of money is material, the provision is based on the present value of those amounts, discounted at the pre-tax discount rate that reflects the risks specific to the liability. The unwinding of the discount is recognised in the Statement of financial activities as a finance cost.

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 DECEMBER 2021

2. Accounting policies (continued)

2.11 Financial instruments

The Charity only has financial assets and financial liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsequently measured at their settlement value.

2.12 Fund accounting

General funds are unrestricted funds which are available for use at the discretion of the Trustees in furtherance of the general objectives of the Charity and which have not been designated for other purposes.

In 2019 the loans to NAYC were renegotiated to amalgamate the two existing loans into one loan with an interest rate of 2.85% above base repayable in monthly instalments. A temporary loan repayment holiday was agreed for part of 2020. In accordance with the terms of the loan agreement, the interest accrued during the repayment holiday can be capitalised and was therefore added to the loan. This deferral was added onto the final completion date. The loan is now repayable by 2 October 2027.
