#### TRUSTEES' REPORT

#### FOR THE YEAR ENDED 31 DECEMBER 2021

The trustees present their report and financial statements for the year ended 31 December 2021.

The financial statements have been prepared in accordance with the accounting policies set out in note 1 to the financial statements and comply with the charity's [governing document], the Charities Act 2011 and "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)" (as amended for accounting periods commencing from 1 January 2016)

#### Objectives and activities

The charity's objects are:

- to educate the public in the dramatic and operatic arts
- to further the development of public appreciation and taste in the said arts
- to assist and further such charitable institutions and charitable purposes in line with the governing document.

#### Plans for future periods

The charity will continue to present shows and endeavour to raise funds through various fundraising opportunities and by increasing studio rental.

The Society shall continue to work very closely with Herne Bay Youth Theatre, there being a very useful symbiotic relationship which helps to increase potential audiences, whilst also providing a course of natural progression of older children to transition from the Youth Theatre on to Herne Bay Musical Theatre Society.

The Trustees are reassured that post pandemic lockdown, the future calendar is filling up with upcoming shows. The first of these events scheduled by Herne Bay Musical Theatre Society is Guys & Dolls, which is due to be performed in the week from 10 to 17 July 2022.

Work has also commenced on the upgrading of the quality of the rental space at Arkley Road, with the installation of air conditioning and internet to the building. Future remedial work is currently planned to bring the toilet facilities and waste systems up to an appropriate standard.

Additionally a hard clear up of the yard has removed the lean-to storage facility with the eventual aim of increasing the car parking facilities in order to reduce the impact of parking on the residents of Arkley Road.

The Trustees continue to look for ways to improve the Society's standing within the local community, both in the immediate vicinity and within the wider scope of Herne Bay and beyond, and seek the help from members who may have particular expertise and transferable skills in order to raise the profile of Herne Bay Musical Theatre Society.

#### Achievements and performance

The successful relationship between Herne Bay Youth Theatre and Herne Bay Musical Theatre Society was evident in the recent Oliver show, which was finally staged in November 2021, with sell out shows across all six of the performances.

Whist it is difficult to quantify the exact gain from the show, due to the long run up as well as the various Covid-19 grants, insurance claims and returned tickets, the Trustees estimate the net revenue from the show to be in the region of £5,000.

Arkley Studios has been transformed into an on-site venue to stage small capacity shows, with upgrades to lighting, sound and technical availability within the space. A few smaller shows by Herne Bay Musical Theatre Society have already taken place at the studios, which have been successful and have proved the benefits gained of the expenditure on upgrading the systems.

#### TRUSTEES' REPORT (CONTINUED)

#### FOR THE YEAR ENDED 31 DECEMBER 2021

#### Financial review

During the year there was a net profit of £19,711 (2020: £7,841 loss). The cash position of the charity remains positive at £26,643 (2020: £7,776). The Society has received a Covid-19 business support grant of £17,717 (2020: £1334).

The trustees have assessed the going position over the next 12 months and are in a good position to continue and operate for the foreseeable future. Cash is currently in a strong position and the charity does hold a fixed asset at historical cost.

#### Structure, governance and management

The charity is governed by a constitution amended on 28 March 2011. The day to day management of the charity is also carried out by the committee which is elected annually at the AGM by the members of the charity.

The trustees who served during the year and up to the date of signature of the financial statements were:

Mr A Cozens (Appointed 22 June 2021)
Mr M Greenstreet (Appointed 22 June 2021)

Ms L McCann

The trustees' report was approved by the Board of Trustees.

#### Mr A Cozens

#### INDEPENDENT EXAMINER'S REPORT

#### TO THE TRUSTEES OF HERNE BAY MUSICAL THEATRE SOCIETY

I report to the trustees on my examination of the financial statements of Herne Bay Musical Theatre Society (the charity) for the year ended 31 December 2021.

#### Responsibilities and basis of report

As the trustees of the charity you are responsible for the preparation of the financial statements in accordance with the requirements of the Charities Act 2011 (the 2011 Act).

I report in respect of my examination of the charity's financial statements carried out under section 145 of the 2011 Act. In carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

#### **Independent examiner's statement**

Your attention is drawn to the fact that the charity has prepared financial statements in accordance with Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) in preference to the Accounting and Reporting by Charities: Statement of Recommended Practice issued on 1 April 2005 which is referred to in the extant regulations but has now been withdrawn.

I understand that this has been done in order for financial statements to provide a true and fair view in accordance with Generally Accepted Accounting Practice effective for reporting periods beginning on or after 1 January 2015.

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

- accounting records were not kept in respect of the charity as required by section 130 of the 2011 Act; or
- 2 the financial statements do not accord with those records; or
- the financial statements do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the financial statements to be reached.

#### NOTES TO THE FINANCIAL STATEMENTS

#### FOR THE YEAR ENDED 31 DECEMBER 2021

#### 1 Accounting policies

#### **Charity information**

Herne Bay Musical Theatre Society is a public benefit entity and a registered charity in England and Wales and is unincorporated. The address of the principal office is 28 Arkley Road, Herne Bay, CT6 5SL.

#### 1.1 Accounting convention

The financial statements have been prepared in accordance with the charity's [governing document], the Charities Act 2011 and "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)" (as amended for accounting periods commencing from 1 January 2016). The charity is a Public Benefit Entity as defined by FRS 102.

The charity has taken advantage of the provisions in the SORP for charities applying FRS 102 Update Bulletin 1 not to prepare a Statement of Cash Flows.

The financial statements have departed from the Charities (Accounts and Reports) Regulations 2008 only to the extent required to provide a true and fair view. This departure has involved following the Statement of Recommended Practice for charities applying FRS 102 rather than the version of the Statement of Recommended Practice which is referred to in the Regulations but which has since been withdrawn.

The financial statements are prepared in sterling, which is the functional currency of the charity. Monetary amounts in these financial statements are rounded to the nearest £.

The financial statements have been prepared under the historical cost convention, modified to include the revaluation of freehold properties and to include investment properties and certain financial instruments at fair value. The principal accounting policies adopted are set out below.

#### 1.2 Going concern

At the time of approving the financial statements, the trustees have a reasonable expectation that the charity has adequate resources to continue in operational existence for the foreseeable future. Thus the trustees continue to adopt the going concern basis of accounting in preparing the financial statements.

#### 1.3 Charitable funds

Unrestricted funds are available for use at the discretion of the trustees in furtherance of their charitable objectives unless the funds have been designated for other purposes.

Restricted funds are subject to specific conditions by donors as to how they may be used. The purposes and uses of the restricted funds are set out in the notes to the financial statements.

Endowment funds are subject to specific conditions by donors that the capital must be maintained by the charity.

#### 1.4 Incoming resources

Income is recognised when the charity is legally entitled to it after any performance conditions have been met, the amounts can be measured reliably, and it is probable that income will be received.

Cash donations are recognised on receipt. Other donations are recognised once the charity has been notified of the donation, unless performance conditions require deferral of the amount. Income tax recoverable in relation to donations received under Gift Aid or deeds of covenant is recognised at the time of the donation.

Legacies are recognised on receipt or otherwise if the charity has been notified of an impending distribution, the amount is known, and receipt is expected. If the amount is not known, the legacy is treated as a contingent asset.

#### NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

#### FOR THE YEAR ENDED 31 DECEMBER 2021

#### 1 Accounting policies

(Continued)

#### 1.5 Tangible fixed assets

Tangible fixed assets are initially measured at cost and subsequently measured at cost or valuation, net of depreciation and any impairment losses.

Depreciation is recognised so as to write off the cost or valuation of assets less their residual values over their useful lives on the following bases:

Freehold land and buildings 33% on straight line Equipment 33% on straight line

The gain or loss arising on the disposal of an asset is determined as the difference between the sale proceeds and the carrying value of the asset, and is recognised in net income/(expenditure) for the year.

#### 1.6 Impairment of fixed assets

At each reporting end date, the charity reviews the carrying amounts of its tangible assets to determine whether there is any indication that those assets have suffered an impairment loss. If any such indication exists, the recoverable amount of the asset is estimated in order to determine the extent of the impairment loss (if any).

#### 1.7 Financial instruments

The charity has elected to apply the provisions of Section 11 'Basic Financial Instruments' and Section 12 'Other Financial Instruments Issues' of FRS 102 to all of its financial instruments.

Financial instruments are recognised in the charity's balance sheet when the charity becomes party to the contractual provisions of the instrument.

Financial assets and liabilities are offset, with the net amounts presented in the financial statements, when there is a legally enforceable right to set off the recognised amounts and there is an intention to settle on a net basis or to realise the asset and settle the liability simultaneously.

#### Basic financial assets

Basic financial assets, which include debtors and cash and bank balances, are initially measured at transaction price including transaction costs and are subsequently carried at amortised cost using the effective interest method unless the arrangement constitutes a financing transaction, where the transaction is measured at the present value of the future receipts discounted at a market rate of interest. Financial assets classified as receivable within one year are not amortised.

#### Basic financial liabilities

Basic financial liabilities, including creditors and bank loans are initially recognised at transaction price unless the arrangement constitutes a financing transaction, where the debt instrument is measured at the present value of the future payments discounted at a market rate of interest. Financial liabilities classified as payable within one year are not amortised.

Debt instruments are subsequently carried at amortised cost, using the effective interest rate method.

Trade creditors are obligations to pay for goods or services that have been acquired in the ordinary course of operations from suppliers. Amounts payable are classified as current liabilities if payment is due within one year or less. If not, they are presented as non-current liabilities. Trade creditors are recognised initially at transaction price and subsequently measured at amortised cost using the effective interest method.

#### Derecognition of financial liabilities

Financial liabilities are derecognised when the charity's contractual obligations expire or are discharged or cancelled.

#### NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

#### FOR THE YEAR ENDED 31 DECEMBER 2021

#### 1 Accounting policies (Continued)

#### 1.8 Government grants

Government grants are recognised at the fair value of the asset received or receivable when there is reasonable assurance that the grant conditions will be met and the grants will be received.

A grant that specifies performance conditions is recognised in income when the performance conditions are met. Where a grant does not specify performance conditions it is recognised in income when the proceeds are received or receivable. A grant received before the recognition criteria are satisfied is recognised as a liability.

#### 2 Critical accounting estimates and judgements

In the application of the charity's accounting policies, the trustees are required to make judgements, estimates and assumptions about the carrying amount of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised where the revision affects only that period, or in the period of the revision and future periods where the revision affects both current and future periods.
