HOME-START WELLINGBOROUGH & DISTRICT

Strategic Report for the Year Ended 31 March 2022

The trustees, who are directors for the purposes of company law, present their strategic report for the year ended 31 March 2022, in compliance with s414C of the Companies Act 2006.

Home-Start Wellingborough & District provides a unique service to families in our area by maintaining a team of highly-skilled volunteers who visit families in their own homes.

Our aim is to improve the lives of children and their parents through a combination of home-visiting support, social activities and interagency working.

We operate in some of the country's most deprived areas, with an increasing migrant population settling from Eastern Europe alongside other ethnic minorities. Childhood obesity is high here, as are the number of children living in poverty when compared with the UK average. Our youngsters are statistically more likely to experience poor health than national average. Statistics show that teenage pregnancy is also higher here, as is the likelihood of mothers smoking during pregnancy.

Our primary future objective is to ensure the financial stability of the core service, through a combination of fundraising efforts and grant applications

Home-Start's unique offer of friendship to families is recognised nationally and internationally as an effective means of family support. To Home-Start every family is special and we respond to each family's needs through a combination of home-visiting support, and social activities. We do this by recruiting and training volunteers, who are usually parents or carers themselves, to visit families with at least one child under the age of five at the time of referral to offer informal, friendly and confidential support.

Home-Start schemes are rooted in the communities they serve – managed locally but supported by a UK wide organisation (Home-Start UK) which offers direction, training, information, and guidance to schemes to ensure consistent and quality support for parents or carers and children wherever they are. All Home-Start schemes sign an agreement saying that they will comply with quality standards.

In addition to its Core activity, Home-Start Wellingborough & District organises a limited number of social activities for families including visits to local amenities, distribution of birthday and seasonal gifts donated by local people and businesses; and participation in community events whenever possible.

Through our network of volunteers, Home-Start aims to increase the confidence and independence of the family by:

HOME-START WELLINGBOROUGH & DISTRICT

Strategic Report for the Year Ended 31 March 2022

- Offering support, friendship and practical assistance;
- Visiting families in their own homes in Wellingborough and the surrounding districts, where the dignity and identity of each adult and child can be respected and protected;
- Reassuring parents that difficulties in bringing up children are not unusual and encourage them to enjoy family life;
- Developing a relationship with the family: the approach is flexible to take account of different needs;
- Encouraging parents' strengths and emotional well-being for the ultimate benefit of their children;
- Encouraging families to widen their network of relationships by providing a weekly support/play group and to use effectively the support and services available within the Wellingborough community.
- Providing funding for specialist mental health support for parents and children.
- Promoting the education of the public in better standards of child care within the area of Wellingborough and its environs

In 2022/23 Home-Start Wellingborough & District will: -

- Support 40 families through home visiting
- Recruit, train and place 6 new volunteers to support families through home-visiting
- Retain at least 23 of its volunteers
- Strengthen the support we offer to families by trying to fund services that are not available to them by any other means.

Whilst recognising the uniqueness of the service that Home-Start provides, we are aware that it is necessary to consider any avenues for joint working in order to ensure that the families we serve have access to a holistic approach, that there is no duplication of services and that, administrative costs are minimised.

The scheme will continue to work closely with a range of local organisations and agencies – statutory, voluntary and community.

The scheme will continue to use all appropriate means to reach families who would benefit from the use of our service. The methods employed to facilitate this include:

- Through direct contact with referrers, for example health visitors, social workers, children's centres, Greatwell Homes, Schools and other local agency staff.
- Through publicity placed in community centres and other venues, the library, the local press and community magazines.
- Through information stands in local venues as appropriate and other similar venues.
- Through attendance at and / or providing information for events organised by other agencies.
- Through word of mouth.
- Through information produced in a variety of local community languages.

Current and continuing elements of our marketing strategy include:

- On-line and printed publications.
- A regularly updated website and Facebook page.

HOME-START WELLINGBOROUGH & DISTRICT

Strategic Report for the Year Ended 31 March 2022

To fund this work, we plan to follow a strategy that is based on raising core funding from a mix of grants from Major Trusts and income from individual regular donors. Direct project delivery costs will be met through grants from Trusts such as BBC Children In Need. This will be supplemented by local fund-raising and support from local trusts (e.g., Northamptonshire Community Foundation) to provide families with outings, essential items and counselling.

The strategic report was approved by the trustees of the charity on and signed on its behalf by:

Juliet Smith - Chairperson
Trustee

Julian Payne - Treasurer
Trustee

HOME-START WELLINGBOROUGH & DISTRICT

Trustees' Report

The trustees, who are directors for the purposes of company law, present the annual report together with the financial statements of the charitable company for the year ended 31 March 2022.

Objectives and activities

Objects and aims

The charity's aims are to increase the confidence and independence of the family by:

- offering support, friendship and practical assistance;
- visiting families in their own homes, where the dignity and identity of each adult and child can be respected and protected;
- reassuring parents that difficulties in bringing up children are not unusual and encouraging them to enjoy family life;
- developing a relationship with the family in which time can be shared and understanding can be developed: the approach is flexible to take account of different needs;
- encouraging parents' strengths and emotional well-being for the ultimate benefit of their children;
- encouraging families to widen their network of relationships and to use effectively the support and services available within the community.

Public benefit

The trustees are aware of the requirements of the Charities Act 2011 regarding the reporting of the public benefit of the charity. The trustees recognise that, for the accounting period ended 31 March 2022, their report is required to include such a report. In setting the charity's objectives and planning activities, the trustees and management have given consideration to the Charity Commission's general guidance on public benefit and believe that the charity meets the public benefit requirement.

Research indicates that many difficulties experienced by adults and older children can be avoided or minimised if children receive appropriate parenting which meets the needs of the child in their early years. The children are more likely to reach their full potential and be more able to contribute to society, they are less likely to have mental health problems, be involved in disruptive or criminal behaviour and will make better parents themselves. In line with this research the trustees are aware of the government initiative "Every Child Matters" (2003) and it is used as one of our guiding principles.

The trustees confirm that they have complied with the requirements of section 4 of the Charities Act 2011 to have due regard to the public benefit guidance published by the Charity Commission for England and Wales.

Structure, governance and management

Governing Document

Home-Start Wellingborough & District is based at Dexters Chambers Wellingborough, which is the company's registered office and principal address of the charity. Home-Start Wellingborough & District is a company limited by guarantee not having a share capital. Its registered number is 05694775, having been incorporated on 1 February 2006. Home-Start Wellingborough & District has always maintained charitable status with a new charity number of 1114076 being issued on 8 May 2006, following incorporation.

HOME-START WELLINGBOROUGH & DISTRICT

Trustees' Report

Appointment of Trustees

The trustees named on the previous page have served on the Board. Appointment and re-appointment is decided on an annual basis via election at the Annual General Meeting. One third of the trustees retire at each AGM, but can stand for re-election. The terms of office are three years. A trustee can stand for three consecutive terms, after which they must stand down for one year, before applying for re-election.

The trustees want to express particular gratitude for Maureen Thompson's service both as a volunteer and trustee for many years. We also thank her family for the generous support following her death.

Organisation Structure and How Decisions are Made.

The Board when complete, consists of at least five and not more than twelve trustees. The Board meets at least five times a year with additional sub-committee meetings as required. The trustees review the management, income and expenditure and financial status of the charity and decide upon the allocation of funds.

Relationship Between Charity and Related Parties

Home-Start Wellingborough & District is a local, independently funded charity, with its own constitution and management committee. It is affiliated to Home-Start UK through signing up to The Home-Start Agreement to which it adheres in all areas of service provision. Compliance with the Agreement is formally reviewed on a tri-yearly basis.

Risk Management

The trustees agree policies to ensure effective governance and management of the scheme and to ensure the provision of quality support to local families. These include policies relating to areas such as financial management, reserve funds, Health & Safety and Equality and Diversity. The trustees are aware of potential risk and steps are taken to mitigate these risks.

Achievements and Performance

For the previous two years the way we have been able to work has been governed by the Covid restrictions. This year we have gradually returned to the charities core work of home visiting. This has taken some time in order to take the health and safety needs of the volunteers in to account and to ensure that they felt comfortable to work in the home. Where families could not be visited, they have been supported in other ways.

We have continued to work with families from some of the most deprived areas of Wellingborough and district. Many of our families face extremely challenging circumstances in their daily living. These include mental illness, addiction and family conflict as well as debt and housing problems.

We have supported 48 families over the year which have included 122 children. In the past our families have consisted mainly those on full benefits. However, over the last few years this has changed and now 65% of the families we are involved with are low wage earners.

HOME-START WELLINGBOROUGH & DISTRICT

Trustees' Report

The Stay and Play group was restarted. This gave the parents an opportunity to develop social networking and to learn to engage and play with their children more appropriately. However, after consideration and taking the health and safety needs of the group in to account it has been decided that the focus of this group should change. It has now reformed with the focus of "Nursery Readiness". This still gives the parents the same opportunities but meets the needs of a slightly older group of children.

For the trustees and staff this has been a very busy year. Although we are a charity in our own right, we are affiliated with the national body. Home-Start UK decided that it was time to review and update their agreement with us. This has led to us reviewing all our working practises and governance so that we could meet the requirements of the new agreement.

All working practises have been reviewed by the staff and in line with the guidance from the umbrella organisation. A few things needed updating and are now completed.

For the trustees it has given us an opportunity to review our own practise and all our governance documents so that they are fit for the 21st century. This has been a big piece of work. Several of the documents were out of date and required upgrading before we would be eligible to sign the new agreement with Home-Start UK. We have also reworked our strategy for the next three years. Any updated documents have either been signed off or will be in the next few weeks. We will be signing the updated agreement with Home-start UK as well as the branding agreement very shortly.

Reserves Policy Statement and Designated Fund

The trustees consider that, given the nature of the charity's work, free reserves should be a minimum of 3 months revenue expenditure, but with the intention of maintaining a level of approximately 6 months. The rationale for this is to cover the overheads of the scheme, owing to the uncertainty in the timing and of grants from various funding agencies.

On 31st March free reserves stood at the equivalent of just over 8 months revenue expenditure, based on projected 2022-23 expenditure.

Financial Review

The overall fundraising strategy means that the scheme has sufficient funding for the immediate future and to meet its reserves policy. This has been achieved through securing a mixture of grants from charitable trusts and foundations, supports from local organisations and individuals and through both one-off and regular donations.

During the year a number of grant applications have been unsuccessful due to changes with funder's criteria. The downturn in the economy and Covid have also affected the funding options open to us. It was, therefore, decided that we would focus on securing smaller amounts of funding from more sources, and this has proved successful. This also means that we have more flexibility in allocating the funds because they are not tied to a donor's term.

Analysis of Funds

Due to the Covid restrictions on funding, the Charity was funded to do work in a different way. The funding came from various organisations including The Northamptonshire Community Foundation, The Borough Council of Wellingborough and The National Lottery.

HOME-START WELLINGBOROUGH & DISTRICT

Statement of Trustees' Responsibilities

The trustees are responsible for preparing the trustees' report and the financial statements in accordance with the United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice) and applicable law and regulations.

Company law requires the trustees to prepare financial statements for each financial year. Under company law the trustees must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the charitable company and of its incoming resources and application of resources, including its income and expenditure, for that period. In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue in business.

The trustees are responsible for keeping adequate accounting records that are sufficient to show and explain the charitable company's transactions and disclose with reasonable accuracy at any time the financial position of the charitable company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Approved by the trustees of the charity on and signed on its behalf by:

Juliet Smith - Chairperson
Trustee

Julian Payne - Treasurer
Trustee

HOME-START WELLINGBOROUGH & DISTRICT

Independent Examiner's Report to the trustees of HOME-START WELLINGBOROUGH & DISTRICT

I report on the accounts of the charity for the year ended 31 March 2022 which are set out on pages 11 to 19 .

Respective responsibilities of trustees and examiner

The trustees (who are also the directors of the company for the purposes of company law) are responsible for the preparation of the accounts. The trustees consider that an audit is not required for this year under section 144(2) of the Charities Act 2011 (the 2011 Act) and that an independent examination is needed.

Having satisfied myself that the charity is not subject to audit under company law and is eligible for independent examination, it is my responsibility to:

- examine the accounts under section 145 of the 2011 Act;
- to follow the procedures laid down in the general Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act; and
- to state whether particular matters have come to my attention.

Basis of independent examiner's report

My examination was carried out in accordance with the general Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit and consequently no opinion is given as to whether the accounts present a 'true and fair view' and the report is limited to those matters set out in the statement below.

Independent examiner's statement

In connection with my examination, no matter has come to my attention:

(1) which gives me reasonable cause to believe that in any material respect the requirements:

- to keep accounting records in accordance with section 386 of the Companies Act 2006; and
- to prepare accounts which accord with the accounting records, comply with the accounting requirements of section 396 of the Companies Act 2006 and with the methods and principles of the Statement of Recommended Practice: Accounting and Reporting by Charities

have not been met; or

(2) to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

HOME-START WELLINGBOROUGH & DISTRICT

Notes to the Financial Statements for the Year Ended 31 March 2022

1 Charity status

The charity is a charity limited by guarantee and consequently does not have share capital. Each of the trustees is liable to contribute an amount not exceeding £1 towards the assets of the charity in the event of liquidation.

2 Accounting policies

Summary of significant accounting policies and key accounting estimates

The principal accounting policies applied in the preparation of these financial statements are set out below. These policies have been consistently applied to all the years presented, unless otherwise stated.

Statement of compliance

The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2015) - (Charities SORP (FRS 102)), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) and the Companies Act 2006.

Basis of preparation

HOME-START WELLINGBOROUGH & DISTRICT meets the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy notes.

Going concern

The trustees consider that there are no material uncertainties about the charity's ability to continue as a going concern nor any significant areas of uncertainty that affect the carrying value of assets held by the charity.

Income and endowments

All income is recognised once the charity has entitlement to the income, it is probable that the income will be received and the amount of the income receivable can be measured reliably.

Donations and legacies

Donations are recognised when the charity has been notified in writing of both the amount and settlement date. In the event that a donation is subject to conditions that require a level of performance by the charity before the charity is entitled to the funds, the income is deferred and not recognised until either those conditions are fully met, or the fulfilment of those conditions is wholly within the control of the charity and it is probable that these conditions will be fulfilled in the reporting period.

HOME-START WELLINGBOROUGH & DISTRICT

Notes to the Financial Statements for the Year Ended 31 March 2022

Grants receivable

Grants are recognised when the charity has an entitlement to the funds and any conditions linked to the grants have been met. Where performance conditions are attached to the grant and are yet to be met, the income is recognised as a liability and included on the balance sheet as deferred income to be released.

Gift aid

Incoming resources from tax reclaims are included in the Statement of Financial Activities at the same time as the gift to which they relate.

Investment income

The investment income is entirely interest received on bank deposits.

Expenditure

All expenditure is recognised once there is a legal or constructive obligation to that expenditure, it is probable settlement is required and the amount can be measured reliably. All costs are allocated to the applicable expenditure heading that aggregate similar costs to that category. Where costs cannot be directly attributed to particular headings they have been allocated on a basis consistent with the use of resources, with central staff costs allocated on the basis of time spent, and depreciation charges allocated on the portion of the asset's use. Other support costs are allocated based on the spread of staff costs.

Charitable activities

Charitable expenditure comprises those costs incurred by the charity in the delivery of its activities and services for its beneficiaries. It includes both costs that can be allocated directly to such activities and those costs of an indirect nature necessary to support them.

Support costs

Support costs include central functions and have been allocated to activity cost categories on a basis consistent with the use of resources, for example, allocating property costs by floor areas, or per capita, staff costs by the time spent and other costs by their usage.

Government grants

Government grants are recognised based on the accrual model and are measured at the fair value of the asset received or receivable. Grants are classified as relating either to revenue or to assets. Grants relating to revenue are recognised in income over the period in which the related costs are recognised. Grants relating to assets are recognised over the expected useful life of the asset. Where part of a grant relating to an asset is deferred, it is recognised as deferred income.

Taxation

The charity is considered to pass the tests set out in Paragraph 1 Schedule 6 of the Finance Act 2010 and therefore it meets the definition of a charitable company for UK corporation tax purposes. Accordingly, the charity is potentially exempt from taxation in respect of income or capital gains received within categories covered by Chapter 3 Part 11 of the Corporation Tax Act 2010 or Section 256 of the Taxation of Chargeable Gains Act 1992, to the extent that such income or gains are applied exclusively to charitable purposes.

HOME-START WELLINGBOROUGH & DISTRICT

Notes to the Financial Statements for the Year Ended 31 March 2022

Cash and cash equivalents

Cash and cash equivalents comprise cash on hand and call deposits, and other short-term highly liquid investments that are readily convertible to a known amount of cash and are subject to an insignificant risk of change in value.

Fund structure

Unrestricted income funds are general funds that are available for use at the trustees's discretion in furtherance of the objectives of the charity.

Designated funds are unrestricted funds set aside for specific purposes at the discretion of the trustees.

Restricted income funds are those donated for use in a particular area or for specific purposes, the use of which is restricted to that area or purpose.

3 Income from donations and legacies

	Unrestricted funds		Restricted funds	Total 2022	Total 2021
	Designated £	General £	£	£	£
