**Achievements and performance**

In 2021 the PCC focused on rebuilding following Covid. Many of our pre-pandemic activities restarted and new projects also began. The PCC has continued to extend its work with children and young people, most notably through music, but also incorporating the Parish schools and the 'Divine Youth Club'. The latter regularly attracted over 70 children each week during term-time, largely from Saint Gabriel's College, the parish secondary school. The choirs resumed, and new choristers have been recruited to all choirs, youth choirs have also been working with adult choir to sing together for both services and concerts. The annual Cambridge summer residential for the children's choirs resumed, following a gap in 2020. Parish groups have restarted or continued, working with people of all ages – including a walking group, a poetry group, and an Advent course. Involvement with Citizens UK, a community organising network, has continued to be a vehicle to improve community institutions locally. The Robes project for homeless people, has been supported by the church, but has continued to take place in hotel accommodation in 2021. The parish also started a mission to Latin American community. It recruited a Latin American Outreach Volunteer, started producing bilingual mass booklets in Spanish and Portuguese, and started to host Latin American events, including a social knitting group in the church hall. Plans were made to start monthly Spanish and Portuguese services in 2022. Restarting hospitality has also been a major task, and the parish hosted several parties during the year, including barbecues to celebrate the Windrush generation, the Nativity of the Blessed Virgin Mary, and a Christmas Party for the Latin American community.

**Financial Review**

The value of the parish's net assets increased by £5,364 in 2021, to £322,948, up from £317,584 in 2020. That was, however, more than accounted for by a rise in the value of investments due to rising stock markets. It cannot be assumed this will be repeated. Excluding stock market gains, there was an underlying deficit of £16,833. This underlying deficit was not unexpected and is a result of falls in donations during the pandemic, as well as the early receipt of some grants in 2020 intended for planned expenditure in 2021. Work will be needed in future years to raise the parish's income, so that its activities are financially sustainable.

Total income was £305,359 against £300,609 in 2020. Expenditure increased to £322,192 in 2021, against £300,292 in 2020, as we restarted activities, and major property repairs were required. No employee changes were made during the year. With COVID restrictions in abeyance, expenditure was more consistent with pre-pandemic norms towards the end of 2021. Expenditure on property maintenance in 2021 increased by £25,163 relative to 2020 due to some major repairs. There was no expenditure on the Community Centre development project in 2021. No legacy income was received. No investments were sold in 2021, and £12,000 investments were purchased.

**Reserves policy**

It is the policy of the charity to maintain liquid unrestricted funds, which are the free reserves of the charity, at a level which equates to approximately six months unrestricted expenditure. This provides sufficient funds to cover management and administration and support costs and to respond to emergency applications for grants which arise from time to time. Unrestricted funds were maintained at this level throughout the year.

**For the year ended 31 December 2021**

**Plans for future periods**

With the encouragement of the Diocese of Southwark, the Parish continues to work towards the development of a new community centre and associated accommodation, and an organ project. With the disruption in activity because of the pandemic, significant outreach work is envisaged in the short to medium term. This will be supported with an additional pastoral assistant in a scheme working with the Society of the Sacred Mission. Opportunities for greater collaboration across the range of music at the church will also be developed.

**Public Benefit**

The Trustees confirm that they have referred to the guidance contained in the Charity Commission's general guidance on public benefit when reviewing the charity's aims and objectives and in planning future activities. The trustees have considered the requirement that the Charity's activities continue at all times to be for the public benefit.

**Statement of Trustees' Responsibilities**

The trustees are responsible for preparing the Trustees' Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

The law applicable to charities in England & Wales requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of the affairs of the charity and of the incoming resources and application of resources of the charity for that period. In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business.

I report to the charity trustees on my examination of the financial statements of St. John the Divine, Kennington (SJDK) for the year ended 31 December 2021.

**Responsibilities and basis of report**

As the trustees of the St. John the Divine, Kennington (SJDK) you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the 2011 Act'). You are satisfied that the accounts are not required by charity law to be audited and have chosen instead to have an independent examination.

Having satisfied myself that the accounts of the St. John the Divine, Kennington (SJDK) are not required to be audited under charity law and are eligible for independent examination, I report in respect of my examination of the accounts carried out under section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

**Independent examiner's statement**

Since the Company's gross income exceeded £250,000 your examiner must be a member of a body listed in section 145 of the 2011 Act. I can confirm that I am qualified to undertake the examination because I am a registered member of ICAEW which is one of the listed bodies.

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the Trust as required by section 130 of the 2011 Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the accounting requirements of concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair view which is not a matter considered as part of an independent examination.
4. the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

**NOTES TO THE FINANCIAL STATEMENTS**

**For the year ended 31 December 2021**

---

**1. ACCOUNTING POLICIES**

***Basis of preparation of financial statements***

The financial statements of the charity, which is a public benefit entity under FRS102, have been prepared under the historical cost convention, except for investments which are included at market value and the revaluation of certain fixed assets. They have been prepared in accordance with applicable United Kingdom accounting standards, the requirements of the Statement of Recommended Practice 'Accounting and Reporting by Charities' (SORP), in accordance with the Financial Reporting Standard applicable in the UK (FRS 102) and the Charities Act 2011. The presentational currency of the financial statements is Pound Sterling (£).

The Trustees consider that there are no material uncertainties about the Trust's ability to continue as a going concern.

***Fund accounting***

General funds are unrestricted funds which are available for use at the discretion of the Trustees in furtherance of the general objects of the Charity and which have not been designated for other purposes.

Restricted funds are funds which are to be used in accordance with specific restrictions imposed by donors which have been raised by the Charity for particular purposes. The cost of administering such funds are charged against the specific fund. The aim and use of each restricted fund is set out in the notes to the financial statements. Statutory grants which are given as contributions towards the Charity's core services are treated as unrestricted.

***Incoming resources***

Revenue grants are credited to incoming resources on the earlier date of when they are received or when they are receivable, unless they relate to a specific future period, in which case they are deferred. All other incoming resources are included in the Statement of Financial Activities (SOFA) when the charity is legally entitled to the income and the amount can be quantified with reasonable accuracy. Investment Income is recognised on an accruals basis.

Other income is included in the Statement of Financial Activities when the Charity is legally entitled to the income and the amount can be quantified with reasonable accuracy.

***Resources Expended***

All expenditure is accounted for on an accruals basis and has been included under expense categories that aggregate all costs for allocation to activities. Support costs, including governance costs, which cannot be directly attributed to particular activities, have been apportioned proportionately to the direct staff costs allocated to the activities. Governance costs include the costs of servicing Trustees' meetings, audit and strategic planning.

***Investments***

Investments are stated at market value at the balance sheet date. The statement of financial activities includes the net gains and losses arising on revaluations and disposals throughout the year.

All gains and losses are taken to the statement of financial activities as they arise. Realised gains and losses on investments are calculated as the difference between sales proceeds and opening market value (purchase date if later). Unrealised gains and losses are calculated as the difference between the market value at the year end and opening market value (or purchase date if later).

---

**NOTES TO THE FINANCIAL STATEMENTS**  
**For the year ended 31 December 2021**

---

**Tangible fixed assets and depreciation**

Tangible fixed assets are stated at cost less depreciation. Depreciation is provided at rates calculated to write off the cost of fixed assets, less their estimated residual value, over their expected useful lives on the following bases:

Land and buildings	-	50 years
Fixture and fittings	-	20 years

**Debtors**

Trade and other debtors are recognised at the settlement amount due after any trade discount offered. Prepayments are valued at the amount prepaid net of any trade discounts due.

**Cash at bank and in hand**

Cash at bank and cash in hand includes cash and short term highly liquid investments with a short maturity of three months or less from the date of acquisition or opening of the deposit or similar account.

**Creditors and provisions**

Creditors and provisions are recognised where the charity has a present obligation resulting from a past event that will probably result in the transfer of funds to a third party and the amount due to settle the obligation can be measured or estimated reliably. Creditors and provisions are normally recognised at their settlement amount after allowing for any trade discounts due.

**Financial Instruments**

The charity only has financial assets and financial liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsequently measured at their settlement value.

**Judgements and key sources of estimation uncertainty**

Judgements and key sources of estimation uncertainty are detailed in the above accounting policies, where applicable.
