

## GEORGE TEMPERANCE TRUST TRUSTEES' ANNUAL REPORT

---

The trustees present their annual report and the audited accounts of the company for the year ended 31 December 2021.

### **Objectives of the charity**

The principal objective of the Charity is the prevention of substance and alcohol abuse.

### **Organisation**

George Temperance Trust is a registered charity (no. 214134), governed by its Scheme dated 6 March 2001. A board of trustees administers the charity. They meet three times a year and have regard to the guidance issued by the Charity Commission on public benefit.

### **Trustees**

The trustees who served during the year were as follows:

M D Hancock (Chairman)  
A A Clark (Treasurer)  
A J Fernand  
Rev M Mellor  
Rev J Nightingale  
E Taylor

### **Reserves Policy**

The charity's reserves were at an acceptable level. Reserves are needed to maintain funds so that grants can be made and property maintenance carried out when income falls below current expenditure. It is the policy of the trustees to maintain existing reserves to enable future funding of projects out of the investment income. Reserves at the financial year end amounted to £196,814, none of which was restricted.

### **Review of activities and future developments**

During the year the Trust made grants available to the various projects, as set out in the financial statements. A number of grant applications were received and duly considered by the Trustees. Presentations were requested so that the Trustees might gain a clear insight into the work of the organisations and the expected impact that might result from funding by the Trust.

In 2021 the Trust's outgoings exceeded its income by £4,353.

### **Risk Assessment**

The Trustees confirm that the major risks to which the charity is exposed have been reviewed and systems established to mitigate those risks.

### **Trustees' Responsibilities**

The Trustees are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the charity and to enable them to ensure that the accounts comply with the Charities SORP. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.
