### **Financial review**

The Statement of Financial Activities shows The trustees consider the surplus achieved on its activities to be satisfactory.

The Statement of Financial Activities shows net incoming resources of £292,755 for the year and reserves of £2,420,572

During 2021, the Gurudwara saw significant movement in its income and expenditure. The increase is an initiative to fund raise and complete the renovation projects undertaken.

The constitution of the charity remains an important part of our management structure. Compliance to the constitution and to the principles of Sikhism remains priority.

During 2021 the foot flow of congregation was returning from Covid-19 restrictions and lockdowns. The support and commitment from the community, the bank and from the trustees, has been tremendous enabling us to get through 2021 without affecting our financial position.

### **Reserve policy**

The level of reserves that the charity holds varies depending on any ongoing projects. The Trustees' regularly assess the major cash flow risks to which the charity is exposed, and ensure adequate funds are in place to meet those exposures.

The Trustees' feel that the level of reserves held at the 31 December 2021 is adequate to support the continuation of the charity's current operations."

### **Plans for future periods**

The Trustees are looking forward to the opening of the 2nd Floor Darbar (Worship Hall). This will give us the ability to conduct multiple function together. Plans are being drafted to build and install a ramp driveway linking the main carpark and back carparks together.

I report in respect of my examination of the the charity's financial statements carried out under section 145 of the 2011 Act. In carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

#### **Independent examiner's statement**

Your attention is drawn to the fact that the charity has prepared financial statements in accordance with Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) in preference to the Accounting and Reporting by Charities: Statement of Recommended Practice issued on 1 April 2005 which is referred to in the extant regulations but has now been withdrawn.

I understand that this has been done in order for financial statements to provide a true and fair view in accordance with Generally Accepted Accounting Practice effective for reporting periods beginning on or after 1 January 2015.

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

- 1 accounting records were not kept in respect of the the charity as required by section 130 of the 2011 Act; or

- 3 the financial statements do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the financial statements to be reached.

### 1 Accounting policies

(Continued)

#### 1.5 Resources expended

Fixtures and fittings	10% straight line basis

Assets in the course of construction are not depreciated.

#### 1.7 Investment properties

Financial instruments are recognised in the charity's balance sheet when the charity becomes party to the contractual provisions of the instrument.

Financial assets and liabilities are offset, with the net amounts presented in the financial statements, when there is a legally enforceable right to set off the recognised amounts and there is an intention to settle on a net basis or to realise the asset and settle the liability simultaneously.

#### **Basic financial assets**

Basic financial assets, which include debtors and cash and bank balances, are measured at transaction price.
