The charity has downsized its activities throughout the Coronavirus period, supporting its Salam LADC Lebanon partner on the ground, but otherwise not engaging in new activities and minimizing spending.

Salam LADC UK does not have any paid staff, and only reimburses its trustees for reasonably incurred expenses as well as expenses/costs approved for advancing Salam LADC UK’s charitable work, in line with its Constitution.

In line with its constitution, trustees that are not allowed to vote on matters that pose a conflict of interest. None of the Trustees have received any compensation for any of their time, effort or contributions, neither directly nor indirectly.

Section C Objectives and activities

Summary of the objects of the charity set out in its governing document

To relieve the needs of refugees and people displaced by war and/or natural disaster by providing and assisting in the provision of health, education, housing, food distribution and disaster relief services to those in need and by providing grants, items and services to organisations working to relieve such needs, in particular but not exclusively, Salam LADC in Lebanon

Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit)

Throughout 2019, Salam LADC opened up its own bank account and thereby successfully launched its own independent finances without having to rely on operating under the auspice of Salam LADC in Lebanon and Norway as well as PRISM the Gift Fund.

The first donation in the new bank account was received in September 2019, after which Salam LADC UK has focussed its fundraising efforts and activities on ongoing support for Salam LADC, including through a grant from Help Refugees, as well as a newly launched Free Border Skate program, in collaboration with the company, Every Girl:

Free Border Skate (FBS) is a female led, female centered skating program, created to use roller skating as a tool to bring people together and to positively change the lives of vulnerable people through the therapeutic nature of physical activity and the confidence building that comes with learning an extreme sport.

The program was intended to be launched in Lebanon's Bekaa Valley, by hosting roller skating sessions, training local teachers and building a roller skating park. However, due to COVID, the rebuilding following the August 2020 explosion and the increased security risk in Lebanon due to political protests, the program was moved to start in Nicaragua.

In 2021, activities remained subdued to the ongoing COVID restrictions and health safety concerns, but the team started preparing for a launch in Nicaragua.

Additional details of objectives and activities (Optional information)

You **may choose** to include further statements, where relevant, about:

- policy on grantmaking;
- policy programme related investment;
- contribution made by volunteers.

Summary of the main achievements of the charity during the year

Salam LADC UK has pivoted its Free Border Skate program from Lebanon to Nicaragua and started collaborating with a company, My Skate Pro App, to digitize skate content in order to ensure that despite health/safety concerns, the charity could still raise money and offer skating lessons to at youth risk. Otherwise activities have remained low with limited travel due to COVID.

Section E
