Anglo-Israel Association

Report of the Trustee for the year ended 31 December 2021

The Trustee presents its report and the financial statements for the year ended 31 December 2021.

Structure, Governance and Management

The Association is a charitable unincorporated association and is managed and administered by Anglo Israel Association Corporate Trustee, as Corporate Trustee, pursuant to the Charity Commission Scheme dated 26 July 2016. Its Board currently has five directors, known as directors, all of whom are members.

Aims, objectives and management

The Association's primary purpose is to educate about Israel to promote a wider understanding of Israel in the UK and to encourage exchanges between both countries.

The Association is an independent voluntary and non-political body which, since 1949, has enjoyed the active support of people of different faiths from across the political spectrum.

Since its foundation in 1949, the Association continues to play an active and energetic role in promoting a better understanding of Israel throughout the UK. Thanks to some loyal and generous donors and energetic supporters, we make a disproportionate impact around the country through our activities which include organising high-level colloquia, symposia, lectures, and meetings, as well as awarding scholarships and grants to encourage deeper relationships between Israel and the UK.

For seven decades, the Association has sought to portray the rich and dynamic development of the State of Israel and the dramatic growth and diversification both of its democratic traditions and of its social, religious, economic and cultural life as a balance, if not an antidote, to the incessant focus on certain twists and turns of the politics of the Middle East and the slow progress of the peace process.

As an independent, non-political, educational charity we draw support and membership from a wide cross section of British society whose different political and religious perspectives come together in a keen desire to promote a wider and better understanding of Israel in the UK, to encourage physical and intellectual exchanges between both countries at every level and generally to support activities which foster goodwill between the people of our two countries.

The Association achieving a surplus for the year of £96,915.

Despite the excellent result and our gaining a substantial legacy in order for the Association's work to progress, it is vital that additional donations are received and, in addition that supporters consider including the Association in their wills.

Anglo-Israel Association

Report of the Trustee for the year ended 31 December 2021

Review of activities – What we do:

This has been a year of review and consolidation for the Association. The consequences of the COVID pandemic, and the various restrictions it entailed, offered the Trustee, with the involvement of the members of the Association's erstwhile advisory committee, undertook a very extensive evaluation of the Association's structure and delivery. In this assessment, the Association obtained input from two consultancy firms. A firm consensus was reached, and the Association aims to implement these changes, which hold the promise of greater effectiveness in the coming years.

AIA Scholarships: this year we made £50,000 grants to extraordinary Israeli students to help enable them to study in the UK. The awards went to students studying all over the country although many opted for Cambridge, Oxford and the LSE. The subjects studied are as diverse as preserving Jewish/Israeli cultural heritage for future generations to theatre design, criminology, sociology of scientific knowledge and autism.

If you would like to support exceptionally talented Israeli and British students to further their studies in each other's country, the scholarship programme is an excellent way of making sure your donation goes directly to a student.

Your continued engagement with the Associations is important to show the breadth of support that Israel has in the UK.

We look forward to next year when we hope we will be able to reinstate our live events including briefings and fundraising events.

Anglo-Israel Association

Report of the Trustee for the year ended 31 December 2021

Trustee's responsibilities

Law applicable to Charities in England and Wales requires the Trustee to prepare financial statements for the financial year which give a true and fair view of the Association's financial activities during the year and of its financial position at the end of the year (unless the Association is entitled to prepare accounts on the alternative receipts and payment basis). In preparing financial statements giving a true and fair view, the Trustee should follow best practice and:

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards and statements of recommended practice have been followed, subject to any departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Association will continue in operation.

The Trustee is responsible for keeping accounting records which disclose with reasonable accuracy the financial position of the Association and which enable it to ascertain the financial position of the Association and which enable it to ensure that the financial statements comply with applicable law. It is also responsible for safeguarding the assets of the Association and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities

Reserves policy

The current level of free reserves, being the unrestricted funds is £26,948 (2020: £96,897). Having regard to future development, the Trustee has set a target level of free reserves of approximately 6 months' expenditure. This will enable the Association to continue its current activities and allow it to respond quickly in the event of an emergency. It intends to continue its fundraising efforts with a view to maintaining the target level so that the Association will be well placed to respond to its future needs. The reserves policy is reviewed annually.

Public Benefit

The principal activities of the Association during the year continued to be to educate about Israel to promote a wider understanding of Israel in the UK and to encourage exchanges between both countries. The Trustee is aware of the Charity Commission guidance on public benefit reporting as set out in section 17 of the Charities Act 2011. The Trustee believes that the Association achieves a public benefit by providing these services as detailed elsewhere in this report.

Signed on behalf of the trustee, Anglo Israel Association Corporate Trustee, on 28 October 2022

Anglo-Israel Association

Independent Auditor's Report to the Trustee of Anglo-Israel Association for the year ended 31 December 2021

Opinion

We have audited the financial statements of Anglo-Israel Association (the 'Charity') for the year ended 31 December 2021 which comprise the Statement of Financial Activities, the Balance Sheet and notes to the financial statements, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102: The Financial Reporting Standard applicable in the UK and Republic of Ireland (United Kingdom Generally Accepted Accounting Practice).

In our opinion, the financial statements:

-) give a true and fair view of the state of the Charity's affairs as at 31 December 2021 and of its income and expenditure for the year then ended;
-) have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice;
-) have been prepared in accordance with the requirements of the Charities Act 2011.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the Charity in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

In auditing the financial statements, we have concluded that the trustee's use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the Charity's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the directors with respect to going concern are described in the relevant sections of this report.

Other information

The Trustee is responsible for the other information. The other information comprises the information included in the annual report other than the financial statements and our auditor's report thereon. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon. In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

Anglo-Israel Association

Independent Auditor's Report to the Trustee of Anglo-Israel Association for the year ended 31 December 2021

Matters on which we are required to report by exception

In the light of the knowledge and understanding of the Charity and environment obtained in the course of the audit, we have not identified material misstatements in the Trustee's Annual Report.

We have nothing to report in respect of the following matters in relation to which the Charities Act 2011 requires us to report to you if, in our opinion:

- sufficient accounting records have not been kept;
- the financial statements are not in agreement with the accounting records and returns; or
- we have not obtained all the information and explanations necessary for the purposes of our audit.

Responsibilities of the trustee

As explained more fully in the trustee's responsibilities statement, the trustee is responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as they determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the trustee is responsible for assessing the Charity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the trustee either intends to liquidate the Charity or to cease operations, or has no realistic alternative but to do so.

Our responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud. The extent to which our procedures are capable of detecting irregularities, including fraud are set out below.

In identifying and assessing risks of material misstatement in respect of irregularities, including fraud and non-compliance with laws and regulations, our procedures included the following:

-) We enquired of management, which included obtaining and reviewing supporting documentation, concerning the Charity's policies and procedures relating to:
 -) identifying, evaluating, and complying with laws and regulations and whether they were aware of any instances of non-compliance;
 -) Detecting and responding to the risks of fraud and whether they have knowledge of any actual, suspected, or alleged fraud;
 -) The internal controls established to mitigate risks related to fraud.
-) We obtained an understanding of the environment that the Charity operates in, focusing on those laws and regulations that had a material effect on the financial statements.
-) We reviewed the financial statement disclosures and tested these to supporting documentation to assess compliance with applicable accounting standard.
-) We performed analytical procedures to identify any unusual or unexpected relationships that may indicate risks of material misstatement due to fraud.
-) In addressing the risk of fraud through management override of controls, we tested the appropriateness of journal entries and other adjustments, assessed whether the judgements made in making accounting estimates are indicative of a potential bias and tested significant transactions that are unusual or those outside the normal course of business.

Anglo-Israel Association

Independent Auditor's Report to the Trustee of Anglo-Israel Association for the year ended 31 December 2021

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at: www.frc.org.uk/auditorsresponsibilities. This description forms part of our auditor's report.

Use of our report

This report is made solely to the Charity's trustee, as a body, in accordance with section 144 of the Charities Act 2011 and the regulations made under section 154 of that Act. Our audit work has been undertaken so that we might state to the Charity's trustee those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Charity and the Charity's trustee as a body, for our audit work, for this report, or for the opinions we have formed.

Anglo-Israel Association

Notes forming Part of the Financial Statements for the Year Ended 31 December 2021

1 Accounting policies

(a) General information and basis of preparation

Anglo-Israel Association is an unincorporated charity governed by its Constitution and operating within the United Kingdom. The address of the principal office is given in the charity information on page 1 of the financial statements. The nature of the charity's operation and principal activities are to educate about Israel to promote a wider understanding of Israel in the UK and to encourage exchanges between both countries.

The charity constitutes a public benefit entity as defined by FR 102. The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) issued on 16 July 2014, as revised in February 2016, the Financial Reporting Standard applicable in the United Kingdom and Republic of Ireland (FRS 102), the Charities Act 2011 and UK Generally Accepted Practice.

The financial statements have been prepared to give a "true and fair" view and have departed from the Charities (Accounts and Reports) Regulations 2008 only to the extent required to provide a "true and fair view". This departure has involved following the Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102).

The financial statements are prepared on a going concern basis under the historical cost convention, modified to include certain items at fair value. The financial statements are prepared in sterling which is the functional currency of the charity.

The significant accounting policies applied in the preparation of these financial statements are set out below. The policies have been consistently applied to all years presented unless otherwise stated.

(b) Donations and other charitable income

These are included in the Statement of Financial Activities when receivable together with any tax recoverable in respect thereof. Residuary legacies are recognised as receivable once probate has been granted, provided sufficient information has been received to enable valuation of the Charity's entitlement. Amounts receivable are included at the amounts received following the Balance Sheet date to reflect the uncertainty inherent in the administration of estates.

(c) Tangible fixed assets and depreciation

Tangible fixed assets are stated at cost less depreciation. Depreciation is provided at rates calculated to write-off the cost less estimated residual value of each asset over its expected useful life, as follows:

Computer equipment	- 33.33%
Office equipment	- 20%

(d) Investments

All fixed asset investments are recorded at market value.

(e) Operating leases

Annual rentals are charged to the profit and loss account on a straight line basis over the term of the lease.

Anglo-Israel Association

Notes Forming Part of the Financial Statements for the Year Ended 31 December 2021 *(Continued)*

(f) Restricted funds

Donations received towards the costs of specific charitable programmes.

(g) Debtors and creditors receivable/payable within one year

Debtors and creditors with no stated interest rate and receivable or payable within one year are recorded at transaction price. Any losses arising from impairment are recognised in expenditure.

(h) Foreign currency

Foreign currency transactions are initially recognised by applying to the foreign currency amount the spot exchange rate between the functional currency and the foreign currency at the date of the transaction.

Monetary assets and liabilities denominated in a foreign currency at the balance sheet date are translated using the closing rate.

(i) Going concern

The financial statements have been prepared on a going concern basis as the trustees believe that no material uncertainties exist. The trustees have considered the level of funds held and the expected level of income and expenditure for 12 months from authorising these financial statements. The budgeted income and expenditure are sufficient with the level of reserves for the charity to be able to continue as a going concern.
