Structure, governance and management

The trust is managed by the trustees and policy decisions are determined by consensus. The capital fund is invested in a portfolio of equity based quoted investments. Investments are managed by the investment manager on a discretionary basis with the objective of obtaining an acceptable level of income with a reasonable prospect of medium term capital growth.

Appropriate policies are determined to achieve a balanced investment strategy taking account of the investment risks to which the portfolio is exposed.

Trustees' Report (continued) for the year ended 5 April 2022

Structure, governance and management (continued)

Trustees are appointed based on recommendations from the family of the settlor and current trustees. The induction process for newly appointed trustees comprises of a series of meetings with the trustees.

Risk management

The charity trustees have considered the major risks to which the charity is exposed and have reviewed those risks and established systems and procedures to manage those risks. The trustees hold regular meetings to consider the performance of the investment portfolio and the recommendations of the investment managers.

Main objectives and activities

The objective of the trust is to apply the whole of the trust fund in furtherance of charitable purposes, charitable institutions or charitable foundations in a manner determined by and at the discretion of the trustees.

Although donations are made at the discretion of the trustees, special consideration will be given to registered institutions relating to Jewish charities, medical research, education, social welfare and heritage. Donations to individuals will not be considered. Appeals should be in writing only to trust managers. Unsuccessful appeals will not necessarily be acknowledged. The trustees meet as necessary to consider appeals received and to determine charitable donations.

Plans for the future

The Arnold Burton 1998 Charitable Trust looks to further its charitable objectives as set out above under "Main objectives and activities" as opportunities and needs arise.

Trustees' responsibility for the financial statements

The trustees are responsible for preparing the trustees' annual report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

The law applicable to charities in England & Wales requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources of the charity for that period. In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- value assets and liabilities in accordance with the Statement of Recommended Practice "Accounting and Reporting by Charities" (Charities SORP (FRS102));
- state whether applicable accounting standards have been followed subject to any material departures disclosed and explained in the financial statements;
- prepare financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in operation.

The trustees are responsible for keeping adequate accounting records which are sufficient to:

- show and explain the charity's transactions;
- disclose with reasonable accuracy at any time the financial position of the charity;
- enable them to ensure that any financial statements comply with the requirements of the Charities (Accounting and Reports) regulations 2008.

The trustees are also responsible for safeguarding the assets of the charity and for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Compliance and statutory requirements

The Trustees' Report has been prepared in accordance with the provisions of the Charities (Accounts and Reports) Regulations 2008 and the Statement of Recommended Practice "Accounting and Reporting by Charities" (Charities SORP (FRS102)).

Trustees' Approval

Independent Examiner's Report to the Trustees for the year ended 5 April 2022

Charity Commission Reference Number 1074633

I report to the trustees on my examination of the financial statements of the Arnold Burton 1998 Charitable Trust on pages 6 to 11.

Respective responsibilities of trustees and examiner

The charity's trustees are responsible for the preparation of the accounts. The charity's trustees consider that an audit is not required for this year under section 144(2) of the Charities Act 2011 ("the Charities Act") and that an independent examination is needed.

It is my responsibility to:

- examine the accounts under section 145 of the Charities Act.
- to follow the procedures laid down in the General Directions given by the Charity Commission (under section 145(5)(b) of the Charities Act); and
- to state whether particular matters have come to my attention

Basis of independent examiner's statement

My examination was carried out in accordance with General Directions given by the Charity Commissioners. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from the trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently no opinion is given as to whether the accounts present a 'true and fair' view and the report is limited to those matters set out in the statement below.

Independent examiner's statement

In connection with my examination, no material matters have come to my attention which gives me cause to believe that in, any material respect:

- the accounting records were not kept in accordance with section 130 of the Charities Act; or
- the accounts did not accord with the accounting records; or
- the accounts did not comply with the applicable requirements concerning the form and content of
 accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any
 requirement that the accounts give a 'true and fair' view which is not a matter considered as part of
 an independent examination.

I have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.
