Through our international annual festivals, we aspire to showcase the outstanding contribution of Israeli film and television to the arts and culture industries worldwide. In each country where are festivals take place, to strive to connect larger audiences and more artists to the flourishing Israeli film industry.

We further seek to inspire artistic collaborations between creative forces from Israel and the different cultural regions we're active in and encourage partnerships that unleash creativity and expand artists' abilities to further experiment and take chances, as well as learn from and teach each other.

For the last 11 years, SERET Israeli Film Festival UK brought every year guest speakers from diverse Israeli background including directors, scriptwriters, producers and actors, who engage with the British audience across the UK and share stories from the rich tapestry of Israel's society, touch on its strengths and weaknesses, celebrate the victories and debate the challenges.

In our 2022 business plan, we have decided to develop and include educational workshops and screenings for schools from all over the UK.

As a result of COVID19 crisis, we had to re-strategise our plans for our 3 last years.

We decided to create a digital platform and managed to have a fantastic hybrid festival for our audiences. We managed to expend our audience significantly as we could reach people from all over the UK and not just in places we screen in cinemas.

SERET UK Run from 12-19 May 2022.

We offer this year an eclectic mix of features, documentaries and shorts mirroring the diversity of modern Israeli.

Our screenings will be in cinemas in central London, NW of London. Cambridge, Oxford, Brighton and Edinburgh.

Highlights of 2022 festival in the UK include a tribute to the work of Israel's esteemed director Avi Nesher with the screening of his latest film, and a retrospective of his work in the past 44 years.

We have curated a segment of documentaries devoted to Israeli cultural icons; writers, playwrights, fashionistas and actors.

And we have a fantastic selection of the newest and best that Israeli film and TV makers have created over the past year.

Support costs consist of infrastructure costs for salaries, premises, office administration. Such costs are apportioned on a reasonable and consistent basis to the various categories with a view to determining, as accurately as possible, the total resources expended for each category.
