Achievements and Performance

	SORP reference	
Summary of the main achievements of the charity, identifying the difference the charity's work has made to the circumstances of its beneficiaries and any wider benefits to society as a whole.	Para 1.20	The charity has continued to grow post Covid 19 with a the introduction of new disabled individuals. Individuals have become more independent and progress well both within and outside of the sport, key examples of which can be viewed within the Features section of our website. Most notable is lan who will be sailing around the UK from August 2022 taking time out to promote the charity as his way of saying thank you.

INDEPENDENT EXAMINER'S REPORT TO THE TRUSTEES OF THE ANDREW CASSELL FOUNDATION (RACING FOR THE DISABLED) ON THE ACCOUNTS FOR THE YEAR ENDING 31 AUGUST 2021

I report on the accounts of the Charity for the year ended 31 August 2021, which are set out on pages 1 to 30.

This report is made solely to the charity's trustees, as a body, in accordance with section 145 of the 2011 Charities Act. My examination has been undertaken so that we might state to the charity's trustees those matters we are required to state to them in an independent examiner's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charity and its trustees as a body, for our examination, for this report, or for the opinions we have formed.

Respective responsibilities of trustees and examiner

The charity's trustees are responsible for the preparation of the accounts. The charity's trustees consider that an audit is not required for this year under section 144(2) of the Charities Act 2011 (the 2011 Act) and that an independent examination is needed.

It is my responsibility to:

- Examine the accounts under section 145 of the 2011 Act;
- To follow the procedures laid down in the general Directions given by the Charity Commission (under section 145(5)(b) of the Act, as amended); and
- To state whether particular matters have come to our attention.

Basis of independent examiner's report

My examination was carried out in accordance with the general Directions given by the Charity Commissioners. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit and consequently no opinion is given as to whether the accounts present a 'true and fair view' and the report is limited to those matters set out in the statement below.

Independent examiner's statement

In connection with our examination, no matter has come to my attention:

Spareler

- (1) which gives me reasonable cause to believe that in any material respect the requirements:
 - proper accounting records are kept (in accordance with section 130 of the 2011 Act); and
 - to prepare accounts which accord with the accounting records and comply with the accounting requirements of the 2011 Act

have not been met; or

(2) to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

Mark Paxton FCCA Bright Brown Limited

Dated: 29 June 2022

Exchange House St Cross Lane Newport Isle of Wight PO30 5BZ

Note 1 Basis of preparation

This section should be completed by all charities.

1.1 Basis of accounting

These accounts have been prepared under the historical cost convention with items recognised at cost or transaction value unless otherwise stated in the relevant note(s) to these accounts.

The accounts have been prepared in accordance with:

• and with*		the Statement of Recommended Practice: Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) issued on 16 July 2014
• and with*	~/	the Financial Reporting Standard applicable in the United Kingdom and Republic of Ireland (FRS 102)
and with the Ch	orition Ac	+ 2011

and with the Charities Act 2011.

The charity constitutes a public benefit entity as defined by FRS 102.*

Yes

1.2 Going concern

If there are material uncertainties related to events or conditions that cast significant doubt on the charity's ability to continue as a going concern, please provide the following details or state "Not applicable", if appropriate:

An explanation as to those factors that support the conclusion that the charity is a going concern;

Disclosure of any uncertainties that make the going concern assumption doubtful;

Where accounts are not prepared on a going concern basis, please disclose this fact together with the basis on which the trustees prepared the accounts and the reason why the charity is not regarded as a going concern.

_	bank balance, continues to operate and has to cover expenses

Accounting policies

2.2 INCOME

This standard list of accounting policies has been applied by the charity except for those ticked "No" or "N/a". Where a different or additional policy has been adopted then this is detailed in the box below.

Recognition of income These are included in the Statement of Financial Activities (SoFA) when: the charity becomes entitled to the resources: it is more likely than not that the trustees will receive the resources; and the monetary value can be measured with sufficient reliability. There has been no offsetting of assets and liabilities, or income and expenses, unless required or permitted by the FRS 102 SORP or FRS 102. Offsetting Grants and donations are only included in the SoFA when the general income recognition criteria are met (5.10 to 5.12 FRS102 SORP). Grants and donations In the case of performance related grants, income must only be recognised to the extent that the charity has provided the specified goods or services as entitlement to the grant only occurs when the performance related conditions are met (5.16 FRS 102 SORP). Legacies Legacies are included in the SOFA when receipt is probable, that is, when there has been grant of probate, the executors have established that there are sufficient assets in the estate and any conditions attached to the legacy are either within the control of the charity or have been met. Government grants The charity has received government grants in the reporting period Gift Aid receivable is included in income when there is a valid declaration from the donor. Tax reclaims on Any Gift Aid amount recovered on a donation is considered to be part of that gift and is donations and gifts treated as an addition to the same fund as the initial donation unless the donor or the terms of the appeal have specified otherwise. Contractual income and This is only included in the SoFA once the charity has provided the related goods or performance related services or met the performance related conditions. grants Donated goods are measured at fair value (the amount for which the asset could be Donated goods exchanged) unless impractical to do so. The cost of any stock of goods donated for distribution to beneficiaries is deemed to be the fair value of those gifts at the time of their receipt and they are recognised on receipt. In the reporting period in which the stocks are distributed, they are recognised as an expense at the carrying amount of the stocks at distribution. Donated goods for resale are measured at fair value on initial recognition, which is the expected proceeds from sale less the expected costs of sale, and recognised in 'Income from other trading activities' with the corresponding stock recognised in the balance sheet. On its sale the value of stock is charged against 'Income from other trading activities' and the proceeds from $\,$ sale are also recognised as 'Income from other trading Goods donated for on-going use by the charity are recognised as tangible fixed assets and included in the SoFA as incoming resources when receivable. Gifts in kind for use by the charity are included in the SoFA as income from donations when receivable Donated services and facilities are included in the SOFA when received at the value of Donated services and the gift to the charity provided the value of the gift can be measured reliably. facilities Donated services and facilities that are consumed immediately are recognised as income with an equivalent amount recognised as an expense under the appropriate heading in the SOFA.
