Summary of the main achievements of the charity during the year

Because of the Covid pandemic and to Covid restrictions, 2021-2022 was not a full year for activities, but APLIL was eager to offer as many services and events as possible.

September 2021- Parents' coffee

A welcome coffee was offered at school for new parents. This allowed us to exchange and create links within our community and with the school in a friendly environment.

This event does not generate cost nor raise money, as the school very generously welcomes the parents at school and offers coffee and pastries.

September 2022 - June 2022 - Friday Bakery

Every Friday at pickup time, parents and staff get a chance to purchase bread, croissants, and other French bakery specialties.

It is a weekly social event everyone looks forward to in the school. As it is an outdoor service, APLIL was able to offer this service all year long. Bakery sales generated a profit of £526: income of £4,354 / expenses of £3,828.

September 2021 – June 2022 – second-hand uniform Unitrade Sales

Usually, once a month, parents can purchase second-hand dress code from items donated to APLIL. As for the bakery sales, Unitrade was organised outside in the parking lot because of pandemic restrictions. Many families were very happy to be able to purchase from APLIL, all the more as there were severe delays with the provider due to the pandemic. Unitrade sales generated a profit of £5,419: income of £5,430 / expenses of £11.

December 2021 – Event at Christmas time, Lilluminations

The end of calendar year is a festively busy time at school and APLIL provided for a happy family event and some lovely decoration within the school. Three Wishing trees were installed and decorated by APLIL Board members.

An end of calendar year event, called "Lilluminations", providing hot chocolate and nut free crêpes, a little market, lighting of the school's facade and managing a book stall were organized on the 3rd of December 2021 by trustees and volunteers.

This year was a particular success, the community was happy to be able to gather again at school outside on the parking lot.

The Lillumination event generated a profit of £163: income of £580 / expenses of £417.

2022 - Parents' night

A themed party is organised for parents in the school gymnasium which is decorated for the occasion by volunteering parents. Usually in March, the parents' night took place this year on the 20th of May due to the pandemic. This year's theme was the Platinum Jubilee.

The parents pay an entrance fee to cover the costs of the evening including catered food, decorations and dinner drinks.

During this event, APLIL raised funds through a raffle for a night at the Savoy Hotel. It generated an income of £1,980.

The parents' night event generated a profit for APLIL of £3,638: income of \pm 7,868 / expenses of £4,230.

June 2022 - Annual School Fun Day

The Fun Fair Day or "Kermesse" is a huge festive event for the younger students from primary and their families: stalls, games, goodies, food are offered to the community. The event was organised outside, in the primary school yard, the parking lot and outside the canteen on Saturday, 25th of June 2022. Family and staff from the school gather for a big day of fun and lovely moments.

The Fun Fair Day event generated a profit of £561: income of £4,970 / expenses of £4,409.

Other events and services

APLIL organises other minor events, such as pub nights or a volunteer drink at the end of the school year.

APLIL also invites parents to join for conferences on topics regarding the education, the children's well-being and potential threats they may face (drug awareness, digital coaching, bullying awareness, etc.). All theses conferences are free for the parents and the speakers come as volunteers and are not paid.

Grants

APLIL organised a special raffle to donate to FSF, French Scholarship Foundation. FSF is a UK charity and provides financial assistance to parents or guardians of children attending the Lil or the CFBL (bursaries & others).

This raffle did not generate any profit for APLIL as the total income of \pounds 1,440 was donated to the FSF.

APLIL agreed to give a grant of £150 for an IB Student project and a grant of £191 towards CM2 hoodies (financed by cake sales).

2021-2022 - Investment programme

As the pandemic made it more difficult to hold events at school, APLIL had to adapt and organise many activities outside the school. The need for some investment became apparent. These were decided according to the Charity Commission's guidance and were voted on at meetings of the board of trustees:

- £590 barnums
- £527 shelves to store APLIL's assets (Lillumination decorations, second-hand books, Fun fair goods)
- £159 Party speaker,
- £47 coffee machine,
- £34 Sum-up machines

The total amount spent is £1,357

During the financial year all the activities listed above generated a total of $\pounds 25, 897.$

The total direct costs of running those activities were £18,569. These are mainly the cost of the events (£10,648), the services (£3,964 in particular the bakery), the investments (£ 1,357), the grants (£1,781) and others (£819 such as administrative expenses, bank fees).

Given this outcome, two end of year donations were decided:

£1,000 to FSF, French Scholarship Foundation (in addition to the \pounds 1,440 already mentioned above).

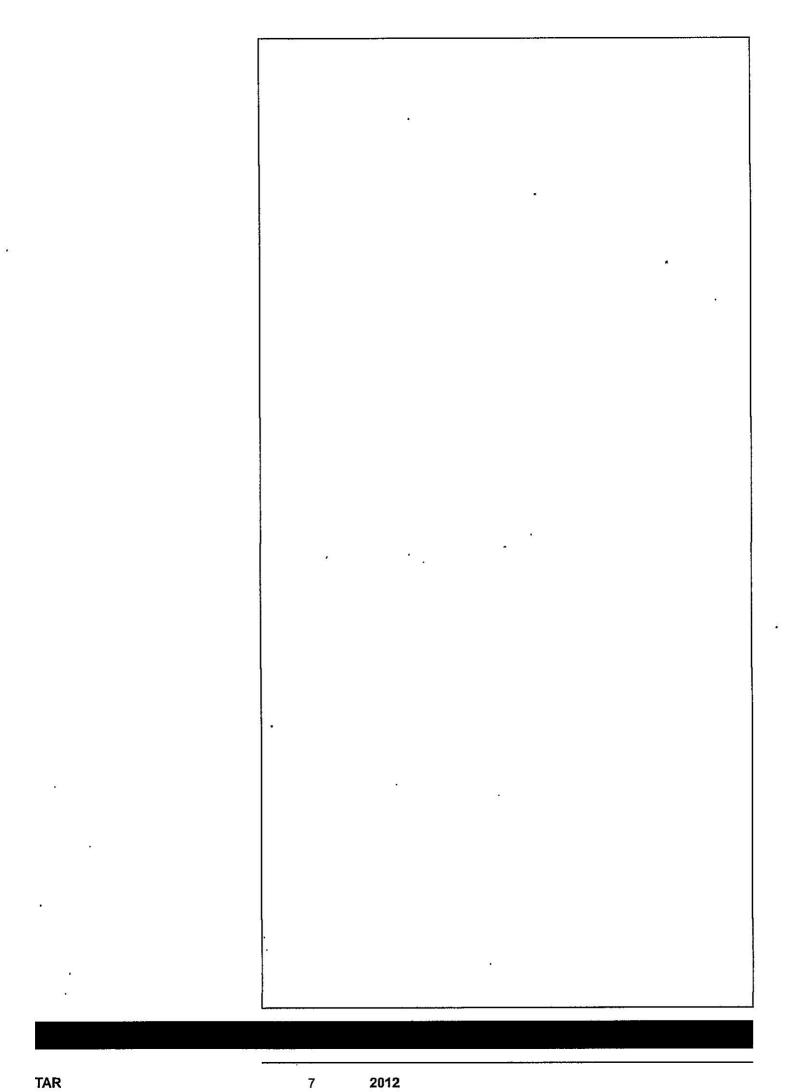

In previous years, APLIL used to grant the FSF (French Scholarship Foundation) 10% of the surplus for the year (before School grant).

 £6,300 to the Lycée International de Londres to finance specific projects for the students.

At the year-end we held $\pm 9,062$ of cash and unrestricted reserves (± 28 from this year and $\pm 9,034$ from previous years).

For the coming years, we aim to hold at least \pounds 4,000 at the end of the financial year and no more than \pounds 10,000.

The reserves are held in order to meet any unforeseen expenditure that may occur as well as being able to set up activities in the following year before funds can be raised.

| Brief statement of the charity's policy on reserves | At the year-end we held £9,062 of unrestricted reserves (£28 from this year and £9,034 from previous years). For the coming years, we aim to hold at least £4,000 at the end of the financial year and no more than £10,000. The reserves are held in order to meet any unforeseen expenditure that may occur as well as being able to set up activities in the following year before funds can be raised. |
|--|---|
| Details of any funds materially in deficit | Not applicable |
| Further financial review details | (Optional information) |
| You may choose to include additional information, where relevant about: the charity's principal sources of funds (including any fundraising); how expenditure has supported the key objectives of the charity; investment policy and objectives including any ethical investment policy adopted. | Funds were mainly raised through Events (Parents night, Fun Fair Day, Lillumination) and through services to the community (Bakery sales, Unitrade Sales). The funds that are not used to run the activities are granted to the School as restricted funds for the purchase of equipment and the financing of projects benefitting the students (see above detail). There was a consultation with school staff and Head of School on the best use of the funds granted and APLIL agreed on the above contribution. We aim to keep the cost of the activities to parents affordable and for the surplus generated to be spent during the school year within the limit of our reserves policy stated above. We try to keep running costs down by relying on volunteers wherever and whenever possible. |
