Objectives and activities

Summary of the purposes of the charity set out in its governing document

To relieve poverty, hardship or distress through the provision of food to people in need of emergency supplies in York and the surrounding area and by such other means as the trustees may determine.

Summary of the main activities in relation to those purposes for the public benefit, in particular, the activities, projects or services identified in the accounts

The collecting of donated food by members of the public, the training of care professionals in giving out emergency food vouchers, the supporting of four local churches (Gateway Church, Living Word Church, York Community Church and York City Church) who run Foodbank sessions where vouchers can be redeemed for three days' worth of food. This year saw the continuation of an emergency delivery service to ensure food provision for those who could not access Foodbank sessions due to the imact of the Covid-19 pandemic, and the development of a remote Community Advice Service in partnership with Peasholme charity to support Foodbank clients. York Foodbank continues to depend predominently upon the work of a dedicated team of volunteers who give their time to help local people in need.

The trustees consider that they have complied with their duties to have due regard to the public benefit guidance published by the Charity Commission.

Achievements and performance

Summary of the main achievements of the charity, identifying the difference the charity's work has made to the circumstances of its beneficiaries and any wider benefits to society as a whole.

This year our service and sessions continued to adapt to the varius challenges posed through the ongoing Covid-19 Pandemic and the gradual lifting of nearly all restrictions. Across the '21-'22 financial year York Foodbank received and distributed 72,461kg of food, most of which was distributed through the fulfillment of 2088 vouchers representing 3,217 adults and 2,328 children (5,545 individuals in total). This represented a slight decrease of 12.2% fewer vouchers fulfilled than during the previous financial year '20-'21, but 20.76% more than the last complete financial year which was unaffected by the Pandemic ('18-'19). The year concluded with the opening of a new Distribution Point at Clifton Moor Community Church on 31st March following a period of assessing the need for increasing the frequency and location of Foodbank openings, with a further additional opening planned for later in 2022. York Foodbank continued to offer a Volunteer Collection ("Delivery") option to those unable to access these sessions for physical or mental health reasons, recognised by our referral agency partners.

The Community Advice Service delivered by Peasholme Charity returned to offer in-person engagement in sessions during the summer of 2021 as restrictions were lifted. During the '20-'21 Financial Year we pioneered a Taste and See Gift Card scheme which was introduced to supplement to our Foodbank packages from June 2021. The scheme afforded clients the dignity of purchasing £18,000 of food items of their choice, whilst giving them access to fresh and frozen food items which the Foodbank cannot provide directly. Suitable controls in place with the participating shops ensured that the provision was strictly for food items only. York Foodbank also operated a Grant Fund initiative which distributed £96,845 to local charities and funded projects aligned with our own charitable aims to alleviate poverty, hardship and distress and develop long term resiliance against the need for emergency food.

Review of the charity's financial position at the end of the period

York Foodbank continues to be blessed by substantial public and corportate giving, completing the financial year with a planned budgetary defecit. This has also offered a platform for the foodbank to develop a number of initiatives supporting clients, notably (1) the planning of new Distribution Points, (2) Enhancing the provision and availability of advice and support to those referred to York Foodbank. As expected, the extremely high levels of donations during 2020-2021 were not repeated in 2021-2022 and total income reduced by 48.1%. The decrease was not as deep as anticipated and the charity remains financially healthy.

Statement explaining the policy for holding reserves stating why they are held

The trustees of York Foodbank had previously set an aim to have more than 3 months running costs in reserve, however, the additional needs encountered by York Foodbank dictate that maintaining a reserve of 12 months normal running costs is desirable, including a provision for advice services serving Foodbank sessions. With allowances for inflation, increased energy costs and recent increases in Foodbank referrals, this total is currently estimated to be £150,000. A further £35,000 may be retained and ring-fenced to safeguard food stocks in the event of reduced food dontaitons or an unexpected increase in need. York Foodbank reserves continue to exceed this total at the present time which will permit further consideration of initiatives which will provide long term benefit to local people experiencing poverty, hardship or distress in and around York, and/or emergency provisions which will offset the wider impact of the increased cost of living for Foodbank clients.

Amount of reserves held

£352,405 of which £352,199 are unrestricted.
