Independent Examiner's report to the trustees (directors) of The Crosby Community Association Ltd  
I report on the accounts of The Crosby Community Association Limited for the year ended 31 March 2022, which are set out on pages 9 to 19.

**Respective responsibilities of trustees and examiner**

The trustees (who are also the directors of the company for the purposes of company law) are responsible for the preparation of the accounts. The trustees consider that an audit is not required for this year under section 144(2) of the Charities Act 2011 (the 2011 Act) and that an independent examination is needed.

Having satisfied myself that the charity is not subject to audit under company law and is eligible for independent examination, it is my responsibility to:

- examine the accounts under section 145 of the 2011 Act;
- to follow the procedures laid down in the general Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act; and
- to state whether particular matters have come to my attention.

**Basis of independent examiner's report**

My examination was carried out in accordance with the general Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit and consequently no opinion is given as to whether the accounts present a 'true and fair view' and the report is limited to those matters set out in the statement below.

**Independent examiner's statement**

In connection with my examination, no matter has come to my attention:

(1) which gives me reasonable cause to believe that in any material respect the requirements:

- to keep accounting records in accordance with section 386 of the Companies Act 2006; and
- to prepare accounts which accord with the accounting records, comply with the accounting requirements of section 396 of the Companies Act 2006 and with the methods and principles of the Statement of Recommended Practice: Accounting and Reporting by Charities

have not been met; or

(2) to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

Risk Management

The trustees are aware of the need to manage risk in the organization. The main risk is the continuation of funding or income streams. The CCA does not charge for the welfare rights benefit service provided to its clients. It is therefore essential that funding is applied for continuously to sustain this work. All funded posts are monitored and further funding is applied for to continue projects prior to their funding coming to term. Donations from clients are gratefully received and further income is derived by way of Gift Aid.

**Objectives and Activities**

The object of the company is to promote the benefit of the inhabitants of Crosby and North Lincolnshire without distinction of gender, sexual orientation, race or political, religious or other opinions by the provision of a free and impartial welfare benefit advice service in an effort to reduce poverty.

Main objectives for the following year

In developing the main objectives for the following year the Trustees have given regard to the Charity Commission guidance on public benefit.

The main objectives are to continue with the provision of the present service to ensure social inclusion for all who need advice and help. Specified advice in Debt and the provision of the Domestic Violence/Advocacy Counsellor has enabled the CCA to provide a package to clients. Those affected by Debt will be given a full benefit check; entitlement will provide increased income which in turn will increase disposable income to the creditors. Domestic Violence unfortunately, is often the outcome of many families' lives when affected by serious debt problems. Valuable volunteers will continue to run our drop in centre, selling second hand donated clothing and bric a brac, tea and coffee. The income derived will continue to help support the free advice and advocacy offered by the organisation. The CCA will continue to ensure that the provision has reached those in need of our help throughout Crosby and North Lincolnshire.

Strategies for and significant activities that contribute to achieving stated objectives

The organisation will continue to target pockets of deprivation in the many rural areas surrounding North Lincolnshire. Aiming to provide help to those restricted by infirmity, disability and/or transportation problems. Working in partnership with other agencies by the provision of advice clinics.

**Achievements and Performance**

Statement of grant making policy

The registered charity and company is not a grant making organisation.

Review of Activities year ended 31 March 2022

By collating client figures over this period the CCA has noted that there is a proven need for advice (Welfare benefits). Excellent results have been achieved through the internal referral service. Increased financial stability through benefit entitlements and debt solutions have strengthened the family unit and provided a basis for forward planning.

From April 2021 to March 2022

As a part of our advice service there is different levels of advice that we give. Level One advice is when we give information, referrals and signposting to our clients, this is done mainly by our front-line service. The advisor's work is classed as Level three advice with casework.

The Front-line service has had 4,332 enquiries from April 21 to March 22 and they were given Level one advice.

From April 21 to March 22 we supported 873 clients with casework, including Attendance Allowance, Personal Independence Payments, Universal Credit, Appeals and Mandatory Reconsiderations.

67% of the clients have a disability either physical or mental, have a long-term health problem, have a learning difficulty or have mental health issues.

From these cases we have managed to generate £1,024,496.00 for our clients, which has been put back in to our community.

During the year we also opened our Community Fridge Project to reduce food waste in our community.

**1. Accounting Policies**

**1.1 Accounting convention**

The financial statements have been prepared under the historical cost convention with items recognised at transaction value unless otherwise stated in relevant notes to these accounts. The accounts have been prepared in accordance with the Statement of Recommended Practice: Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) effective from 1<sup>st</sup> January 2019 and with the Charities Act 2011.

**1.2 Company status**

The charity is a company limited by guarantee. The members of the company are the directors named on page 1.

**1.3 Incoming resources**

Grants received of a revenue nature are credited to Incoming Resources in the Statement of Financial Activities when the company is legally entitled to the income and the amount can be quantified with reasonable accuracy.

Services provided, investment income and rents are accounted for on the accruals basis. Other income is accounted for when received. All income is shown gross with associated costs included in expenditure.

Grants received to fund the purchase of fixed assets are credited to the Statement of Financial Activities when the company is legally entitled to the income. The related expenditure is charged to Tangible Assets in the Balance Sheet.

**1.4 Resources expended**

All expenditure is accounted for on an accruals basis and has been classified under headings that aggregate costs related to the category. Where costs cannot be directly attributed to particular headings they have been allocated to activities on a basis consistent with the use of the resources.

**1.5 Tangible assets and depreciation**

Tangible assets are stated at cost less depreciation. Depreciation on other assets is provided at rates calculated to write off the cost less estimated residual value of each asset over its expected useful life (except as detailed below) as follows:

**NOTES TO THE FINANCIAL STATEMENTS**  
**FOR THE YEAR ENDED 31 MARCH 2022**

**1. Accounting Policies (continued)**

**1.6 Fund accounting**

Restricted funds are funds which are to be used in accordance with specific restrictions imposed by donors. Restricted funds are accounted for separately to each other and to the core funding of the company. The costs of raising and administering such funds are charged against each specific fund.

Unrestricted funds are available for use at the discretion of the trustees in furtherance of the general objectives of the charity and which have not been designated for other purposes.

**2. Income and Expenditure Account**

The company is a registered charity and so achievements cannot be measured by normal commercial criteria. Accordingly, the Directors consider that it would be inappropriate to present a Profit and Loss Account in one of the formats set out in the Companies Act 2006. Therefore as permitted by the Companies Act, in order to reflect the special nature of the company's activities, the Directors are of the opinion that it would be more appropriate to present an Income and Expenditure Account.
