Responsibilities and
basis of report

I report to the trustees on my examination of the accounts of the above charity ("the Trust") for the year ended 31/03/2022

As the charity's trustees, you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ("the Act").

I report in respect of my examination of the Trust's accounts carried out under section 145 of the 2011 Act and in carrying out my examination, I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

Independent
examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination which gives me cause to believe that in, any material respect:

- the accounting records were not kept in accordance with section 130 of the Charities Act; or
- the accounts did not accord with the accounting records; or
- the accounts did not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

Objectives and activities.

Wings and Paws Animal Rescue specializes in the rescue and placement of abused, unwanted and abandoned animals. We never discriminate on the basis of health, age or breed. We show kindness and try to prevent or suppress cruelty to animals. We make the provision of veterinary care and treatment available. We offer care and re-homing to animals that are abandoned, mistreated or lost.

Achievements and performance

We have had a successful year in terms of achievements:

We have helped over 43 cats, 22 rabbits & guinea pigs, 46 dogs, 31 birds, 56 hamsters, mice & rats, 10 sheep, 2 goats, 3 pigs, 3 horses, 5 tortoises, 3 snakes, 4 bearded dragons and a geko many of which are now in their forever homes.

One of our big achievements has been the rescue and treatment of Rupert the French Bulldog who came to us with IVDD (a severe spinal condition). His owners were going to have him put to sleep as they could not afford the £7k+ vet bill and were reluctant to hand him over to a rescue. Luckily the vets talked them round and he was signed over to us. Rupert has surgery the following day at West Midlands Referral Vets and after a long but successful recovery process and lots of Physio and Hydrotherapy Rupert is now in his forever foster home.

Another was Walter the Dachshund, who again came to us after his breeder took him to be put to sleep. Walter had a broken jaw and was only around 5-6 weeks old. We're unsure how the injury happened but we suspect mistreatment. Walter couldn't eat or drink on his own and had to be syringe fed and spent a couple of days & nights in the care of the vets. He then came to us and was placed in a very experienced foster home to be hand reared while his treatment was looked into. Again we sought the help of West Midlands Referral Vets to operate on. He had 2 pins screwed into his jaw and was then on the long road to recovery. He is now fully healed and with his new adoptive family.

We have had great exposure in the local newspaper again, as well as on the local radio station. Both media's promoted our 2nd annual Funday and the Express & Star has featured several of our animals looking for a very special type of home. Stevie the cat and Nancy the French Bulldog are two such animals who found their homes thanks to their help. Our website has continued to grow and is a large part of our rescue now.

As mentioned, we organised and ran a 2nd successful dog show in the summer, this year attracted even more visitors than last year and was a huge success.

We have also this year taken on more reptiles this year than ever before, as we're finding the rise in living costs are resulting in people being unable to afford the cost of keeping them.

Financial review

The year to 31 March 2022 showed an unrestricted fund of £693.32 being the bank balance at that date.
