Annual Report by the Council of Trustees for the year ended 31 August 2022

The Council of Trustees ('the Council') of Wycliffe College (Incorporated) presents their Annual Report for the year ended 31st August 2022 under the Companies Act 2006 and the Charities Act 2011, together with the audited accounts for the year and confirm that, the latter comply with the requirements of the Act, the Trust Deed and the Charities SORP 2019.

The Charity was founded in 1882 and is registered with the Charity Commission under charity number 311714. The Council, Officers of the College and registered office of the Charity are as listed on pages 1 and 2. Particulars of the Charity's professional advisers are given on page 2.

STRUCTURE, GOVERNANCE AND MANAGEMENT

Governing Documents

The Charity is governed by its Articles of Association adopted by Special Resolution on 9th September 2006, as amended by Special Resolutions on 7th June 2011 and 25th March 2014.

Governing Body

The Charity has a single Governing Body for its two schools, Wycliffe Senior School and Wycliffe Prep School. The governance structure comprises Members of the Charity, of unlimited numbers, and a Council of between 8 and 15 Trustees with the power to delegate to a number of functional sub-committees or working parties. As of 31st August 2022, the Council consisted of 14 Trustees and there were 40 Members.

Recruitment and Training of Trustees

The College's Governance Manual contains the Trustee Recruitment and Induction Policy, Roles and Responsibilities and Code of Conduct for a Trustee at Wycliffe. The Role of the Clerk to the Trustees sets out the responsibilities of the Clerk including induction and training of new Trustees. The induction process includes meetings with all members of the Leadership Team to provide a clear insight into the College's operation and a tour of the campus. Training is provided both internally and externally by presentations at Council and subcommittee meetings and attendance at AGBIS and other seminars that are available throughout the year.

Organisational Management

The Council, as the Trustees of the Charity, is legally responsible for the overall management and control of both Schools of the College. Trustees met as a Council five times during the year, which included a strategic business review meeting in May 2022. The detailed work of the Council is delegated to six sub-committees, each of which operate under terms of reference, which are approved by the Governance Committee and which are required to report to the full Council on a regular basis.

- Finance Committee
- Education Committee
- Estates Committee
- Governance Committee
- Marketing Committee
- Welfare Committee

Committee members are listed on page 1.

In addition to the sub-committees, certain Trustees also act as Trustees for Wycliffe College Foundation and as Directors for Woodpark Limited.

Annual Report by the Council of Trustees for the year ended 31 August 2022

Organisational Management (continued)

The Annual General Meeting in May 2022 provided the one occasion during the year for the Members to meet and to receive the Financial Statements and Annual Report for the year ended 31 August 2021.

The strategic direction of the College is delegated to the Leadership Team which has responsibility for the day to day management of the College. During the year the Leadership Team comprised:

- · the Head, Mr N J Gregory
- the Prep School Head, Mrs H M Grant
- the Director of Finance and Operations, Mr T P Wood
- the Director of Marketing and Admissions, Miss T Gingell (resigned 30 September 2022)
- the Director of Marketing and Admissions, Miss R Wilkins (appointed 1 January 2023)
- the Senior Deputy Head (Senior School), Mrs C M Pettingell (appointed 1 September 2022)
- the Senior Deputy Head (Prep School), Mr R D Irwin
- the Deputy Head (Academic) (Senior School), Mr S V Dunne
- the Deputy Head (Pastoral) (Senior School), Mrs K L Corbin (resigned 31 August 2022)

Remuneration is set by the Council, with the objective of providing an appropriate level of remuneration to reward fairly and responsibly individual contributions to the College's success.

Group Structure and Relationships

The College provides independent (day and boarding) education for boys and girls between the ages of 3 and 7 years (Pre-Prep School – day only), 7 and 13 years (Prep School) and 13 and 18 years (Senior School).

The College has one wholly owned subsidiary, Woodpark Limited, registered number 2731302, which provides letting and retail services.

Wycliffe College Foundation is a separate charity and legal entity with parallel objects and common administration. There are up to ten Trustees of Wycliffe College Foundation, of which six are appointed ex officio with up to a further four being elected periodically, two by co-option and two by nomination. Wycliffe College Foundation has been consolidated into the financial statements of Wycliffe College (Incorporated) Limited on the basis of control through common Trustees.

Employment and Equal Opportunities Policy

The College is an equal opportunities employer. Full and fair consideration is given to job applications from disabled persons and due consideration is given to their training and employment needs. Consultation with employees, or their representatives, has continued at all levels with the aim of taking the views of employees into account when decisions are made that are likely to affect their interests. Communication with employees continues through normal management channels in a variety of forms and also through exceptional channels to apprise staff as necessary of current issues.

Investment Policy and Objectives

There are no restrictions on the College's powers of investment other than those imposed by the donor. The policy continues to be to hold investments to create income pending utilisation.

Annual Report by the Council of Trustees for the year ended 31 August 2022

OBJECTS, AIMS, OBJECTIVES AND ACTIVITIES

Charitable Objects

The Charity's Objects, as set out in the Articles of Association of Wycliffe College (Incorporated), are to provide a School for the education of boys and girls, the advancement of that education, together with physical and moral training, provision of boarding and day accommodation for teachers and children of both sexes and, the provision of teacher training.

The College has a Strategic Plan 2019-2024, developed around the following Purpose Statement, Vision Statement and Aims for Pupils;

Purpose Statement

Inspire and educate every individual in mind, body and soul.

Vision Statement

Wycliffe will promote a pioneering spirit and encourage individuals to flourish and embrace their futures as global citizens.

Aims for Pupils

The College's aims for the public benefit are for pupils to:

- Achieve their full academic, spiritual, physical and creative potential.
- <u>B</u>ehave with 'unassuming confidence'*, showing generosity of spirit, respect for others and appreciation of diversity.
- Cultivate social and environmental awareness and an understanding of their role as global citizens.
- Develop skills, self-knowledge and resilience to face positively all future challenges.
- Exhibit creativity, innovation and independence in their approach to learning and to life.
- Feel happy and secure.

Public Benefit

The Trustees confirm that they have complied with their duty in Section 17 of the Charities Act 2011 to have due regard to the public benefit guidance published by the Charity Commission for England and Wales.

The Council and Leadership Team encourage the staff and the Wycliffe Community as a whole to identify ways in which the College can enhance its contribution to society. This includes the contribution of time, money, facilities and resources to local, national and international projects.

Some examples of the public benefit contributions the College has made in the past 12 months;

Economic Impact

Trustees have utilised the Oxford Economics 'Economic Impact Assessment Tool 2018' to estimate the financial impact that Wycliffe has upon the UK economy as a whole and upon the local Stroud Local Authority District;

		Year to 31 Aug 2022
~	Total contribution to UK GDP (direct, supply chain and indirect staff spending)	£23.1m
*	Of which: local impact	£13.4m
-	Total jobs supported (direct, supply chain and indirect staff spending)	590
-	Total UK tax payments (direct, supply chain and indirect staff spending)	£7.1m
-	Savings for the UK taxpayer as a result of attendance at Wycliffe by pupils	
	entitled to a free UK state place	£3.0m

^{*} This was a comment made by the Inspection team during the 2016 ISI visit when seeking to describe the Wycliffe pupils they had met.

Annual Report by the Council of Trustees for the year ended 31 August 2022

Public Benefit (continued)

Access - Scholarships and Bursaries

Scholarships are awarded to the best applicants in their fields. A successful Scholar will be a leader in their chosen field of expertise and a good role model during their time at Wycliffe. Scholarships recognise talent in academic excellence, all round contribution, art, design technology, drama, modern languages, music and sport.

Bursaries will be awarded to pupils who are looking for places in Year 7 and above. Bursaries will only be awarded in exceptional circumstances to those who would most benefit from a Wycliffe education but whose means make it impossible to afford.

The College also provides significant financial support to families serving in the British Armed Forces, recognising the importance of the contribution the Armed Forces make to society. The College has provided a commitment to these families that they will only pay 10% of the School boarding fee after receipt of the Continuity of Education Allowance.

In the year to 31 August 2022, the total value of scholarships, bursaries and Forces awards (excluding staff discounts and other concessions) was £1.9m (2021: £1.6m) representing 11.1% (2021: 10.4%) of gross fee income, and a total of 237 (2021: 249) pupils benefited in some way from these awards.

Training & Staff

The College aims to train and induct new teachers each year and continues to have links with the Gloucestershire Initial Teacher Education Partnership.

Staff are encouraged to visit other local state schools to deliver lessons and share their experience and subject specific expertise.

Teachers from local schools are invited to join our INSET programme, whilst school nurses also join our medical team for some or all of their annual training.

Combined Cadet Force

The College's Combined Cadet Force provided support to the local community in a number of ways during the year;

- Playing an integral part in the Stonehouse annual Remembrance Service

 Inviting cadets from other cadet factions, such as the Tewkesbury Sea Cadets to join leadership training sessions

Running the National Navigation Award Scheme

- Allowing Bristol and Gloucester Wing free use of the indoor shooting range

Facilities

The College made its facilities available to the local community. Some lettings were made free of charge; others are subsidised by the College. Where the College charges for these lettings, it aims to keep the charges to a minimum.

Examples of the facilities which were frequently let to local schools, community groups, clubs and teams during the year are;

Astro turf pitch (hockey, football)

Swimming pool

- Sports Hall (badminton, cricket, netball, fencing, basketball, air pistol)
- Sports pitches (cricket, rugby)
- Drama theatre
- Tennis courts
- Exam centre for external candidates sitting public exams

Annual Report by the Council of Trustees for the year ended 31 August 2022

Severn Stars Nova Academy

The College continued as a Severn Stars Nova Academy, providing training facilities and coaching free of charge. Seven Stars are a Vitality Netball Superleague team. Their Nova academies aim to provide elite training to talented young netballers from all backgrounds across the county.

Making a Difference Day

The College held its annual 'Making a Difference Day' in late June 2022. This involved over 200 pupils and 50 members of staff from across the Senior School spending a day in a range of activities to support the local community. These activities included;

- Environmental projects at Slimbridge Wetlands Centre

- Running a Sports Day for local primary schools, with over 80 pupils attending

- Clearing a local overgrown graveyard and churchyard

Fence painting at a local primary school

- Singing to residents of a local care home

Weeding, litter picking and general support to Stonehouse in Bloom

A sponsored walk in support of the Pied Piper Charity

Public Benefit (continued)

Volunteers

The College wishes to record its thanks to all Old Wycliffians, the Senior and Prep School Parents Associations and other Friends of Wycliffe who have given continued and valuable support during the year.

STRATEGIC REVIEW

Review of achievement and performance for the year

Pupil Numbers

The Council aim to maintain a balance between day and boarding pupils, and boys and girls to ensure diversity across the College community. An analysis of average pupil numbers is set out below;

	Senior School	Prep School
Day pupils	219	179
Boarders	183	50
Boys	59%	55%
Girls	41%	45%

Educational Performance

Senior School

Among the academic priorities completed during 2021-2022 were the further establishment of the school's own evidence-based Teaching Philosophy, supported by a maturing QA process, and a new rigorous and collaborative system for teacher development, the roll-out of an enhanced IT programme to support learning with the realisation of the school's Classroom of the Future scheme, the successful reaccreditation of CReSTeD status through consistent, effective provision for pupils with Additional Needs, and the completion of a new Curriculum Map for the whole College.

An integrated inspection of the school in September 2022, whilst occurring in the 2022-2023 year, happened so early in the Autumn Term that it has to be seen in context of 2021-2022, relying as it did largely on data, pupil work, and pupil experiences from that and previous years. Wycliffe was recognised as being excellent both in terms of pupil achievements and personal development, with inspectors including significant recognition of specific initiatives that have been developed over recent years to improve pupil achievements under both those headings.

Annual Report by the Council of Trustees for the year ended 31 August 2022

After the first (Summer series) public examinations in GCSE and A levels since 2019 there were some exceptional results when set against expectations and taking into account a range of individual issues that pupils had overcome.

The school's overall performance compared to expectations, and national data sets was extremely good.

As is the norm, the 2022 Sixth Form cohort was of lower ability than for all Sixth Forms and yet the 81 Year 13 leavers delivered 100 of all A Level grades at either A* or A (more than four out of every ten grades) and well over 60% were at B or higher.

The Year 11 cohort was of marginally higher ability than the national norm, and at GCSE over one-third of grades were awarded at 9-7 and eight of every ten grades was at 5 or higher.

Against baseline, GCSE performance in 2022 saw a mean average grade increase of .48 per pupil. The Grade 5+ pass rate nationally was 58.1%; at Wycliffe it was 76.8%.

Wycliffe analyses the results of those pupils who could have attended selective Grammar Schools with local selective schools to provide like-for-like analysis. This year the results confirmed several years' worth of analysis that demonstrate that Wycliffe pupils who could have gone to grammar schools perform at least as well as the pupils in those schools.

These results are confirmation of the College's commitment to provide an outstanding education for pupils of all abilities and we congratulate all pupils on their achievements.

Review of achievement and performance for the year (continued)

Prep School

Excellent overall academic progress and performance from Early Years to Year 8 has been demonstrated in the Prep School, evidenced by the following measures:

- 91% of pupils met or exceeded age-related expectations in progress in Reading (PIRA standardised assessment)
- 85% of pupils met or exceeded age-related expectations in progress in Maths (PUMA standardised assessment)
- 86% of pupils met or exceeded age-related expectations in progress in Science (GL Science standardised assessment)
- 100% Wycliffe Baccalaureate (Year 8 award internally assessed against age-related expectations) Pass and above attainment, with 59% achieving a Merit or Distinction (highest bands)

Sport and Extra Curricular - Pupils' Achievements

A detailed review of the pupils' numerous and exceptional achievements during the year are recorded in The Wycliffian and Young Wycliffian publications annually. These outstanding publications describe the varied activities available to our pupils across a range of sporting, musical and other extra-curricular pursuits. It demonstrates how the College is committed to ensuring that our pupils educational experience is far broader than academic attainment.

The publications are available to review on the College website;

https://www.wycliffe.co.uk/wp-content/uploads/2022/10/Wycliffian2022.pdf https://www.wycliffe.co.uk/wp-content/uploads/2022/10/YoungWycliffian2022.pdf

Facilities and Resources

The Council remain committed to investing in ongoing improvement to the College's facilities. Works completed during the year include; re-roofing of several key buildings on campus, refurbishment and improvement of certain boarding accommodation, installation of electric charging points for staff use, and investment in the College's ICT provision within the Senior classrooms.

Annual Report by the Council of Trustees for the year ended 31 August 2022

Plans for future periods

The College's plans for future periods relate to the delivery of its rolling Strategic Milestones. For the year ended 31 August 2023 these include ongoing delivery of the next stage of the Diversity, Equity and Inclusion plan Strategy, embrace the benefits of becoming a RoundSquare member and a focus upon pupil recruitment into the Prep School and boarders in the Senior School.

Fundraising

The College and Foundation do not actively fundraise. Donations and legacies are received from individuals periodically.

Investment performance

The College continues to hold investments subject to donor restrictions to create income pending utilisation. Performance during the year was satisfactory.

Energy and Carbon Reporting

The Council understands the need to highlight its energy consumption through the year and take measures to improve the energy efficiency for a sustainable future. Over the year energy consumption totalled 6,287,809 kWh.

This equated to the following ratios:

Associated emissions in tonnes CO2e 1,158.00 Intensity ratio – tonnes CO2e per pupil 1.84

The College has taken the following measures to improve energy efficiency.

- Installation of LED throughout the entire campus
- Installed a thermos pool cover to reduce loss of heat from the swimming pool
- Use of several electric vehicles Within the College's operational departments
- Installation of electric vehicle charging points bringing total to 7 over campuses
- Gas and Electricity procured from 100% sustainable sources through a local company.
- Increased recycling opportunities and facilities around campuses.
- Non-recycled waste is managed by zero to landfill accredited company.

The College continues to monitor its consumption closely and explores all opportunities to reduce its carbon footprint.

We have followed the 2019 HM Government Environmental Reporting Guidelines. We have also used the GHG Reporting Protocol – Corporate Standard and have used the 2022 UK Government Conversion Factors for Company Reporting.

The chosen intensity measurement ratio is total gross emissions in metric tonnes CO2e per pupil, the recommended ratio for the sector.

Engagement with employees

The Council takes active steps to ensure matters concerning staff are disseminated by letter, email or verbally by managers. Regular meetings take place with staff where management make employees aware of how the College is performing and discuss the challenges it currently faces. The Council ensures that the suggestions, views and interests of employees are captured and considered in our decision-making. The College has a strong equal opportunities policy where we actively promote and encourage opportunities and no employee or prospective employee will receive unfair treatment.

Annual Report by the Council of Trustees for the year ended 31 August 2022

Engagement with suppliers, customers and other business relationships

The Council recognises the need to maintain and foster good relationships with our suppliers, the parent body and others, monitoring closely our dialogues with all of them. Where possible the College aims to promote local business using local suppliers and seeks to balance the benefits of maintaining strong partnering relationships with those key suppliers alongside the need to obtain value for money and the desired quality and service levels for our pupils. The College has a well-established payment system where we pay suppliers promptly and accurately, with supporting documentation where appropriate.

Customers of the school are predominantly the parent body and the College invest heavily in ensuring that parents and fully engaged and aware of changes in the school and aim to inform parents in a timely manner. Communication is sent through various mediums from letters, emails to a personalised 'parent portal' which acts as a main source of information. Payments due are collected efficiently and with sensitivity, where appropriate and the College offers many forms of payment options to best suit individual needs.

The College engage positively with our pupils and their parents where we listen carefully to our pupils and value feedback and opinions of their parents.

Promoting the success of the school

The College is highly regarded domestically and internationally with decisions taking into account the interests of, and the impact on, the pupils, the parent body, staff, suppliers, the environment, the local community and all others likely to be affected. We strive continually not only to maintain but also to enhance our hard-won reputation for integrity and high standards.

FINANCIAL REVIEW

Results for the year

The Council monitors the financial performance of the College against three key performance indicators, these being the level of surplus, expenditure on teaching salaries and bank borrowings. Performance is reviewed by the Council on a termly basis. The College also uses externally available benchmarking data from the independent schools sector to monitor and assess financial performance. The net movement in funds was a deficit of £490,158 (2021: deficit of £807,886).

The Council was satisfied with the financial performance in the year, with the College reporting an operating surplus (pre interest and depreciation) of £635,010 (2021: deficit of £117,000)

The financial position at the balance sheet date was less favourable than the prior year due to the net deficit in movement of funds. External bank borrowings increased to £3,250,000 (2021 £2,500,000) at 31 August 2022, although cash at bank increased by £500,000, such that the true net increased exposure was approximately £250,000, representing active working capital management and relatively limited capital expenditure.

The College's trading subsidiary, Woodpark Limited and Wycliffe College Foundation (a separate legal entity deemed to be under the control of the College) contributed turnover, profit and net assets outlined in note 14 to the Financial Statements.

Reserves Level and Policy and Financial Viability

The College's unrestricted funds, including the revaluation reserve, were £23m as of 31 August 2022 (£24m 2021), wholly deployed as part of the College's premises and equipment supplemented by external funding, as required, in the form of a flexible secured loan. Day to day working capital needs are met by careful management of short-term liquid resources and the 10 year revolving loan facility. Restricted funds held of £1.5m and so total funds at 31 August 2022 are £24.7m.

Annual Report by the Council of Trustees for the year ended 31 August 2022

The Council have considered, as part of its Risk Management, the risks and uncertainties of operating an independent educational establishment and has concluded that the need to hold free reserves is not crucial to the day to day operation of the College.

The policy is therefore to control net current liabilities using annual operating surpluses. External borrowing, when required, is controlled in order to meet further capital expenditure to equip the College with the up-to-date facilities needed to maintain and further improve the standard of educational services currently provided.

Going Concern

The College meets is day-to-day working requirements through the £7.5m Revolving Credit Facility. This facility is in committed until 2027.

The College's financial forecasts and projections, considering reasonable and possible changes to trading performance, show that the College should be able to operate within the level of its current facilities.

The Council do not anticipate any difficulty in meeting the obligations of the Charity as and when they fall due.

Forecasts indicate that the covenant may be breached at 31 August 2024, due to rising utility costs. Trustees have no reason to believe that the bank will not agree to waive the covenant again, given previous waivers. Trustees are actively pursuing projects to reduce energy consumption and therefore costs as well as actions to increase pupil recruitment.

The Council believe it remains appropriate to prepare the financial statements on a going concern basis.

Principal Risks and Uncertainties

The Council are responsible for the management of the risks faced by the College and place considerable importance on achieving compliance with charity, education and health and safety legislation. The College's solicitors review the principal College policies on a regular basis and all other policies are reviewed by the College's Leadership Team. The College employs a full time "Risk and Compliance Manager" which underlines the profile Wycliffe accords to the operational spectrum of risk management.

The Council are ultimately accountable for all risks associated with the College and to assist in the reduction or, where practicable, elimination of such risk; it devolves such responsibility to the Head, Leadership Team, and Risk and Compliance Manager.

The College's Risk Register identifies any major risks to the College, grading those risks by likelihood and severity including measures to mitigate them. The Council regularly reviews the effectiveness of current plans and strategies for managing all identified major risks. Key staff are aware of the register and offer risks appertaining to their area of work for consideration and inclusion in this document. In the event of a major situation involving or otherwise affecting the College, business continuity and disaster recovery plans are in place. These plans are subject to regular review.

Internal financial controls are checked by the Auditors and reviewed with the Finance Committee annually. The key controls used by the charity include:

- Engaging the Council in the activities of the College; regular, informal visits are the norm
- Formal agendas for all Council and sub-committee meetings are distributed at least seven days before meetings; minutes, approved by the Chair(s), are distributed on a timely basis

Annual Report by the Council of Trustees for the year ended 31 August 2022

- Extensive financial management information is presented to the Council well in advance of the Council meetings; the Council are consulted on the volume, format and content of information presented for decision taking
- Clear operating guidelines are given to the Officers of the College
- An organisational structure and lines of reporting
- Formal written policies within the College
- Clear authorisation and approval levels, and vetting procedures as required by law for the protection of the vulnerable.

The Council have declared themselves satisfied that major risks have been identified and adequately mitigated wherever reasonably practicable. It is recognised that systems can only provide reasonable not absolute assurance that major risks have been adequately managed.

Statement by the Council in the performance of their statutory duties in accordance with s172(1) of the Companies Act 2006

The Council believe that they have effectively implemented their duties under section 172 of the Companies Act 2006. The Council has considered the long-term strategy of the business within the Strategic Report and consider that this strategy will continue to deliver long term success to the business and its stakeholders.

The Council is committed to maintaining an excellent reputation and strives to achieve high standards. We are highly selective about which suppliers are used to deliver best value while maintaining an awareness of the environmental impact of the work that they do and strive to reduce their carbon footprint.

The Council recognise the importance of wider stakeholders in delivering their strategy and achieving sustainability within the business. The main stakeholders in the company are considered to be the employees, suppliers and customers.

In ensuring that all our stakeholders are considered as part of every decision process we believe we act fairly between all members of the Council.

Trustees responsibilities

The Trustees (who are also directors of Wycliffe College (Incorporated) for the purposes of company law) are responsible for preparing the Trustees' Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Company law requires the Trustees to prepare financial statements for each financial year, which give a true and fair view of the state of affairs of the charitable company and of the incoming resources and application of resources, including the income and expenditure, of the charitable company for the year. In preparing these financial statements, the Trustees are required to:

- · Select suitable accounting policies and then apply them consistently
- Observe the methods and principles in the Charities SORP
- Make judgements and estimates that are reasonable and prudent
- State whether applicable UK Accounting Standards have been followed, subject to any material departures
 - disclosed and explained in the financial statements
- Prepare the financial statements on the going concern basis unless it is inappropriate to presume that the
- charitable company will continue in operation.

Annual Report by the Council of Trustees for the year ended 31 August 2022

The Trustees are responsible for keeping adequate accounting records that disclose with reasonable accuracy, at any time, the financial position of the charitable company and enable them to ensure that the financial statements comply with the Companies Act 2006. The Trustees are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Relevant Audit Information

In so far as the Trustees are aware, as members of Council, at the date of approval of this report:

- · There is no relevant audit information of which the charitable company's auditor is unaware; and
- The Trustees have taken all steps that they ought to have taken to make themselves aware of any relevant audit information and to establish that the auditor is aware of that information.

Independent Auditors' Report to the Members of Wycliffe College for the year ended 31 August 2022

Opinion

We have audited the financial statements of Wycliffe College (Incorporated) Limited by Guarantee ("the Parent Charitable Company") and its subsidiaries ("the Group") for the year ended 31 August 2022 which comprise the Statement of Financial Activities, the Balance Sheet, the Cash Flow Statement and notes to the financial statements, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice), including Financial Reporting Standard 102 The Financial Reporting Standard applicable in the UK and Republic of Ireland and the Charities SORP (FRS102).

In our opinion the financial statements:

- give a true and fair view of the state of the Group's and of the Parent Charitable Company's affairs as at 31
 August 2022 and of the Group's incoming resources and application of resources, including its income and
 expenditure, for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice;
- have been prepared in accordance with the requirements of the Companies Act 2006 and the Charities SORP (FRS102).

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the Charitable Company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

In auditing the financial statements, we have concluded that the trustees' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the Charitable Company's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the trustees with respect to going concern are described in the relevant sections of this report.

Other information

The governors are responsible for the other information. The other information comprises the information included in the Reference and Administrative details, Trustees' Report and the Governance Statement, other than the financial statements and our auditor's report thereon. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

Independent Auditors' Report to the Members of Wycliffe College for the year ended 31 August 2022

Opinions on other matters prescribed by the Companies Act 2006

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the governors' report (incorporating the strategic report and the directors' report) for the financial year for which the financial statements are prepared is consistent with the financial statements; and
- the strategic report and the directors' report have been prepared in accordance with applicable legal requirements.

Matters on which we are required to report by exception

In the light of our knowledge and understanding of Group's and the Parent Charitable Company and its environment obtained in the course of the audit, we have not identified material misstatements in the strategic report and the directors' report.

We have nothing to report in respect of the following matters in relation to which the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been by the Parent Charitable Company, or returns adequate for our audit have not been received from branches not visited by us; or
- the Parent Charitable Company financial statements are not in agreement with the accounting records and returns; or
- · certain disclosures of directors' remuneration specified by law are not made; or
- · we have not received all the information and explanations we require for our audit.

Responsibilities of Trustees

As explained more fully in the Statement of Trustees' Responsibilities, the trustees (who are also the directors of the charitable company for the purposes of company law) are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the trustees are responsible for assessing the Group's and the Parent Charitable Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the governors either intend to liquidate the Charitable Company or to cease operations, or have no realistic alternative but to do so.

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud. The extent to which our procedures are capable of detecting irregularities, including fraud is detailed below:

- We obtained an understanding of the legal and regulatory frameworks applicable to the company financial statements or that had a fundamental effect on the operations of the company. We determined that the most significant laws and regulations included UKGAAP, UK Companies Act 2006 and taxation laws;
- We assessed the susceptibility of the company's financial statements to material misstatement, including
 how fraud might occur. Audit procedures performed by the engagement team included challenging
 assumptions and judgments made by management in its significant accounting estimates and identifying and
 testing journal entries, in particular any journal entries posted with unusual characteristics.

Independent Auditors' Report to the Members of Wycliffe College for the year ended 31 August 2022

Because of the inherent limitations of an audit, there is a risk that we will not detect all irregularities, including those leading to a material misstatement in the financial statements or non-compliance with regulation. This risk increases the more that compliance with a law or regulation is removed from the events and transactions reflected in the financial statements, as we will be less likely to become aware of instances of non-compliance. The risk is also greater regarding irregularities occurring due to fraud rather than error, as fraud involves intentional concealment, forgery, collusion, omission or misrepresentation.

As part of an audit in accordance with ISAs (UK), we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or
 error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is
 sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement
 resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery,
 intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are
 appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the
 Charitable Company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the trustees.
- Conclude on the appropriateness of the governors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Charitable Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Charitable Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Use of our report

This report is made solely to the Charitable Company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the Charitable Company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Charitable Company and the Charitable Company's members as a body, for our audit work, for this report, or for the opinions we have formed.

Notes to the financial statements for the year ended 31 August 2022

1. Statutory information

The School is a Public Benefit Entity registered as a Charity in England and Wales and a company limited by guarantee. It was incorporated on 10 April 1931 (company number: 255632) and registered as a charity on 28 July 1966 (charity number: 311714). Details of the registered address is given on page 2 and details of the principal activity is given in the report of the council of trustees.

2. Accounting policies

Basis of preparing financial statements

The functional currency of the College is considered to be pounds sterling because that is the currency of the primary economic environment in which the School operates and all amounts are rounded to the nearest pound.

Basis of consolidation

The group accounts consolidated the accounts of Wycliffe College (Incorporated) limited by guarantee and its subsidiary undertakings, Wycliffe College Foundation and Woodpark Limited on a line by line basis. The accounts are made up to 31 August 2022. Wycliffe College Foundation is deemed to be a subsidiary based on Wycliffe College (Incorporated) Limited By Guarantee having control over the entity.

No separate statement of financial activities or income and expenditure has been presented for the charitable company alone as permitted by the Companies Act 2006 and the 2015 Charities SORP. The parent company's net expenditure for the year was £463,127 (2021: £1,191,850).

The results of the subsidiary undertakings for the year are disclosed in note 14 of the accounts.

Statement of Compliance

The financial statements have been prepared in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102), the Companies Act 2006 and the Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) – effective 1 January 2019.

Going concern

The financial Statements have been prepared on a going concern basis. The Group had total Net Assets of £24,664,089 and Net Current Liabilities of £4,016,804 at the Balance Sheet date.

Trustees have prepared financial forecasts and projections for the years ended 31 August 2023 and 31 August 2024. These projections show that the Group will return an operating surplus for the current financial year and for the year ended 31 August 2024. Trustees are confident that actions taken in the last year to reduce fixed operating costs and increase pupil recruitment will have an ongoing positive impact.

The Trustees have reviewed numerous scenarios to consider the impact of further reduced pupil numbers, increased costs, or capital expense requirements upon the Group's ability to meet its obligations as and when they fall due. They are satisfied that the scenario which would require additional liquidity is less than possible, and consequently does not impact upon their view that the going concern basis is appropriate.

Notes to the financial statements for the year ended 31 August 2022

2. Accounting policies (continued)

Going Concern (continued)

The Group meets day-to-day working capital requirements through the 10 year £7.5m Revolving Credit Facility. The balance on 31 August 2022 was £3,250,000 providing £4,250,000 of headroom.

The Council believe it remains appropriate to prepare the financial statements on a going concern basis.

Income of Wycliffe College (Incorporated)

Fees and similar earned income

This represents the invoiced value of fees and other income net of bursaries and scholarships Fees received for education to be provided in future years are carried forward as deferred.

Donations and fundraising

Donations received for the general purposes of the College are credited to unrestricted funds. Donations subject to specific wishes of the donors are credited to relevant restricted funds, or to endowed funds. Donated assets are valued at estimated open market value at the date of the gift.

Government grants

Payments received from the government for furloughed employees are a form of grant. This grant money is receivable as compensation for expenses already incurred, and where this is not in respect of future related costs, is recognised in income in the period in which it becomes receivable and the related expenses is incurred.

Income of Wycliffe College Foundation

Legacies

Legacies are recognised where there is entitlement, receipt is probable and the amount can be measured with sufficient reliability.

Dividends

Dividends are included when they are receivable.

Bank Interest

Bank interest is included on an accruals basis.

Notes to the financial statements for the year ended 31 August 2022

2. Accounting policies (continued)

Income of Woodpark Limited

Hire of facilities

Turnover from the hire of facilities is included when it is receivable and to the extent that the service has been completed.

Sale of goods

Turnover from the sale of goods is included when the significant risks and rewards of ownership of the goods have transferred to the buyer, the amount can be estimate with reasonable certainty, it is probable that the economic benefits will flow to the company and the costs incurred or to be incurred in respect of the transition can be measured reliably.

Expenditure

Expenditure is accrued as soon as a liability is considered probable, discounted to present value or longer term liabilities. Overhead and other costs not directly attributable to particular functional activity categories are apportioned over the relevant categories on the basis of management estimates of the amount attributable to that activity in the year, either by reference to staff time or space occupied, as appropriate. The irrecoverable element of VAT is included with the item of expenditure to which it relates.

Governance costs comprise the cost of complying with constitutional and statutory requirements.

Tangible fixed assets

The cost of tangible fixed assets is their purchase cost, together with any incidental costs of acquisition.

Freehold land and buildings include original cost and subsequent alterations and additions.

Freehold land and buildings were previously revalued using RICS open market valuation on a freehold basis by an independent professionally qualified valuer. This value has since been treated as deemed cost and not updated, in line with transitional provisions of FRS 102.

Depreciation

Depreciation is provided to write off the cost of all relevant tangible fixed assets less estimated residual value based on current market prices, over their useful economic lives. The rates used are as follows:-

Freehold land & buildings Furniture and fittings

-2-10% per annum straight line

Equipment

- 10 – 20% per annum straight line

No depreciation is charged on land. Assets under the course of construction are not depreciated until they are brought into use.

An amount equal to the excess of the annual depreciation charge on revalued assets over the historical cost depreciation charge on those assets is transferred annually from the revaluation reserve to the unrestricted funds reserve.

Investments

Investments are valued at current market value.

2. Accounting policies (continued)

Stock

Stocks are stated at the lower of cost or net realisable value.

Advance fee scheme

Advance fees represent payments in advance in respect of education to be provided in future terms in accordance with a written contract. The fees for each term are charged against the remaining balances and taken to income.

Fund accounting

Details and the nature and purpose of each fund are set out in note 24.

Pension costs

The pension costs charged in the Statement of Financial Activities are determined as follows:

The Teachers' Pension Defined Benefits Scheme – this scheme is a multi-employer pension scheme. It is not possible to identify the ~College's share of the underlying assets and liabilities of the scheme on a consistent and reasonable basis and therefore, as required by FRS 102, accounts for the scheme as if it were a defined contribution scheme. The College's contributions, which are in accordance with the recommendations of the Government Actuary, are charged in the period in which the salaries to which they relate are payable.

Auto Enrolment Pension Scheme – this scheme is a unit-linked defined contribution scheme from The Peoples Pension (B & CE Ltd). The College contributes at varied rates of pensionable salary.

For further information, see Note 30.

Operating leases

The annual rents on operating leases are charged to the revenue account on a straight line basis over the lease term, even if the payments are not made on such a basis. Benefits received and receivable as an incentive to sign an operating lease are similarly spread on a straight-line basis over the lease term.

Leased assets: the College as lessee

Assets obtained under hire purchase contracts and finance leases are capitalised as tangible fixed assets. Assets acquired by finance lease are depreciated over the shorter of the lease term and their useful lives. Finance leases are those where substantially all of the benefits and risks of ownership are assumed by the company. Obligations under such agreements are included in creditors net of the finance charge allocated to future periods. The finance element of the rental payment is charged to the Statement of Financial Activities and Retained Earnings so as to produce a constant periodic rate of charge on the net obligation outstanding each period.

Financial Instruments

Financial instruments are recognised when the College becomes party to the contractual provisions of the instrument.

Financial assets and liabilities are offset, with the net amounts presented in the financial statements, when there is a legally enforceable right to set off the recognised amounts are there is an intention to settle on a net basis or to realise the asset and settle the liability simultaneously.

Notes to the financial statements for the year ended 31 August 2022

2. Accounting policies (continued)

Basic financial instruments

Basic financial assets, which include trade and other receivables and cash and bank balances, are initially measured at transaction price including transaction costs and a subsequently carried at amortised cost using the effective interest method unless the arrangement constitutes a financing transaction, where the financial asset is measured at the present value of the future receipts discounted at a market rate of interest.

Impairment of financial assets

Financial assets, other than those held at fair value through the statement of financial activities are assessed for indicators of impairment at each reporting end date.

Financial assets are impaired where there is objective evidence that, as a result of one or more events that occurred after the initial recognition of the financial asset, the estimated future cash flows have been affected. If an asset is impaired, the impairment loss if the difference between the carrying amount and the present value of the estimate cash flows discounted at the asset's original effective interest rate. The impairment loss is recognised in the statement of financial activities.

If there is a decrease in the impairment loss arising from an event occurring after the impairment was recognised, the impairment is reversed. The reversal is such that the current carrying amount does not exceed what the carrying amount would have been, had the impairment not previously been recognised. The impairment reversal is recognised in the statement of financial activities.

Derecognition of financial assets

Financial assets are derecognised only when the contractual rights to the cash flows from the asset expire or are settled, or when the College transfers the financial asset and substantially all the risks and rewards of ownership to another entity, or if some significant risks and rewards of ownership are retained but control of the asset has transferred to another party that is able to sell the asset in its entirety to an unrelated third party.

Classification of financial liabilities

Financial liabilities are classified according to the substance of the contractual arrangements entered into.

Basic financial liabilities

Basic financial liabilities, including trade and other payables, bank loans and advance fee payments are initially recognised at transaction price unless the arrangement constitutes a financing transaction, where the debt instrument is measured at the present value of the future payments discounted at a market rate of interest.

Debt instruments are subsequently carried at amortised cost, using the effective interest rate method.

Derecognition of financial liabilities

Financial liabilities are derecognised when and only when, the College's contractual obligations are discharged, cancelled, or they expire.

Interest rate swap agreements

The College uses interest rate swap agreements to reduce exposure to interest rate changes. Derivatives are initially recognised at fair value on the date a derivative contract is entered into and are subsequently re-measured at their fair value. Changes in the fair value of derivatives are recognised in the statement of financial activities in finance costs or income as appropriate. The college does not currently apply hedge accounting for derivatives.

Notes to the financial statements for the year ended 31 August 2022

3. Critical accounting judgements and key sources of estimation and uncertainty

In the application of the accounting policies, Trustees are required to make judgement, estimates and assumptions about the carrying value of assets and liabilities that are not readily apparent from other sources. The estimates and underlying assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision affects only that period, or in the period of revision and future periods if the revision affects current and future periods.

The following key estimates and judgements are adopted in the preparation of the accounts:

- a) Depreciation of tangible fixed assets the Trustees exercise their judgement in assessing the useful economic life of an asset and expected residual values where appropriate.
- b) Bad debt provision the Trustees adopt a prudent and consistent basis of recognising the provision which takes into account debt collection rates throughout the year.

In the view of the Trustees, these are likely to result in a material adjustment to their carrying amounts in the next financial year.

29. Related party transactions

As at the balance sheet date, the College was owed £126,961 (2021: £40,735) by Woodpark Limited.

During the year the College received £126,961 (2021: 40,735) from Woodpark Limited under the gift aid scheme and recharged administration overheads of £Nil (2021: £Nil).

As at the balance sheet date, the College was owed £2,087 (2021: £Nil) by Wycliffe College Foundation, a charity under common control.

No trustees have been reimbursed in 2022 (2021: nil) for any expenses incurred as a committee member of The Wycliffian Society.

Trustees and members of key management have children attending the schools operated by the Charity. School fees incurred by Trustees are paid on a commercial arm's length basis as available to the general public. Key management can benefit from a staff concession that can be available to all eligible members of staff who have children attending the schools operated by the charity.

30. Pension costs

Teaching Staff

The School participates in the Teachers' Pension Scheme ("the TPS") for its teaching staff. The pension charge for the year includes contributions payable to the TPS of £774,974 (2021: £1,230,153) and at the year end £Nil (2021: £Nil) was accrued in respect of contributions to this scheme. The Teachers' Pension Scheme (TPS) is a statutory, contributory, defined benefit scheme, governed by the Teachers' Pension Scheme Regulations 2014. Membership is automatic for teachers. All teachers have the option to opt-out of the TPS following enrolment.

During the year, the College went through a consultation process of exiting the TPS. The process resulted in teachers having the option to remain in the Teacher Pension Scheme or join an Aviva Pension Scheme from effect 1st September 2021.

The TPS is an unfunded scheme to which both the member and employer makes contributions, as a percentage of salary – these contributions are credited to the Exchequer. Retirement and other pension benefits are paid by public funds provided by Parliament. Valuation of the Teachers' Pension Scheme The Government Actuary, using normal actuarial principles, conducts a formal actuarial review of the TPS in accordance with the Public Service Pensions (Valuations and Employer Cost Cap) Directions 2014 published by HM Treasury every 4 years. The aim of the review is to specify the level of future contributions. Actuarial scheme valuations are dependent on assumptions about the value of future costs, design of benefits and many other factors. The latest actuarial valuation of the TPS was carried out as at 31 March 2016. The valuation report was published by the Department for Education on 5 March 2019.

The key elements of the valuation and subsequent consultation are:

- Employer contribution rates set at 23.68% of pensionable pay (including a 0.08% administration levy);
- Total scheme liabilities (pensions currently in payment and the estimated cost of future benefits) for service to the effective date of £218,100 million and notional assets (estimated future contributions together with the notional investments held at the valuation date) of £196,100 million, giving a notional past service deficit of £22,000 million; and

Notes to the financial statements for the year ended 31 August 2022

30. Pension costs (continued)

• The SCAPE rate set by HMT, is used to determine the notional investment return. The current SCAPE rate is 2.4% above the rate of CPI. Assumed real rate of return is 2.4% in excess of prices and 2% in excess of earnings. The rate of real earnings growth is assumed to be 2.2%. The assumed nominal rate of return including earnings growth is 4.45%. The next valuation result is due to be implemented from 1 April 2023.

A copy of the valuation report and supporting documentation is on the Teachers' Pensions website. Under the definitions set out in FRS102, the TPS is a multi-employer pension scheme. The school has accounted for its contributions to the scheme as if it were a defined contribution scheme. The school has set out above the information available on the scheme.
