H.O.P.E. Halton Moor and Osmondthorpe Project for Elders Trustees' report (continued) for the year ended 31 March 2022

Objectives and activities

The charity's objects

For the benefit of the elderly living in the area of benefit to relieve poverty, sickness or distress and provide or assist in the provision of facilities for general welfare, recreation and leisure time activities with the object of improving the condition of life of the said persons. The area of benefit shall be within East Leeds.

The charity's main activities

HOPE enables and supports older people in the Halton Moor, Osmondthorpe and Sutton Park areas of Leeds to retain their independence by providing practical help, advice and support. We work to address the isolation, poverty, fear of crime and poor health which impact negatively on their lives. We provide outreach, advocacy, medical appointment support and group sessions to relieve isolation and loneliness.

Public benefit statement

In setting our objectives and planning our activities our trustees have given serious consideration to the Charity Commission's general guidance on public benefit.

HOPE enables and supports people 60 plus who live in the Halton Moor, Osmondthorpe and Sutton Park areas of Leeds. Our aims are to deliver services to meet individual and community needs; keeping safe/warm, peer support groups/sessions, shopping, debt/benefit advice, and activities to develop skills and reduce isolation. We are service user led and value the contribution of both service users and volunteers.

Achievements and performance

I am writing this report on what has been an incredibly difficult time for both HOPE, its service users, its team, and the rest of the world with the Covid-19 Pandemic affecting us all. The services we provide and how we deliver them had to be modified to ensure staff and volunteers could work safely and within guidelines as outlined by the government.

Having already worked incredibly hard during the first year of the pandemic, HOPE along with the rest of the country was hoping for a scientific breakthrough in terms of research and development of a vaccination. And then it happened, in December 2020 we saw the start of the vaccination programme roll out. Just before the start of this financial year in March 2021, half of UK adults had had one dose of a Covid vaccination, and this gave us hope that we were moving forward towards getting back to reopening of all services.

I am incredibly proud of HOPE, that when things got tough, we stepped up and worked tirelessly to support our service users as well as running a COVID Community Care Hub for Leeds City Council in the Temple Newsam Ward.

Our staff, trustees and volunteers have worked together as a united front to deliver high quality services even during a pandemic. Our focus has been about recovery, trying to get back to normal, yet following government guidelines as to protect staff, volunteers, and service users.

On the 21 February 2022 restrictions were lifted as the Prime Minister unveiled plans to live with Covid. And just before the end of the financial year on the 9 March 2022 the government announced that 4.9 million people were fully vaccinated in the UK, 73% of the population. This news means we can now start planning for a return of full face to face services for the next financial year as well as developing new ones as a direct result of the pandemic.

In closing, I would like to thank all of you for your support over the last year, it has been appreciated and valued.

Janette Nixon - Chair

1 Accounting policies

Basis of accounting

The trustees have taken advantage of section 133 of the Charities Act 2011 and have prepared the accounts on a receipts and payments basis.

There has been no change to the accounting policies since last year.

No changes have been made to the accounts for previous years.

Taxation

As a charity the organisation benefits from rates relief and is generally exempt from income tax and capital gains tax but not from VAT. Irrecoverable VAT is included in the cost of those items to which it relates.

Fund accounting

Unrestricted funds are available for use at the discretion of the trustees in furtherance of the general objectives of the charity.

Restricted funds are subjected to restrictions on their expenditure imposed by the donor or through the terms of an appeal.

Further explanation of the nature and purpose of each fund is included in the notes to the accounts.
