Directors' & Trustees' Report for the Year Ended 31 March 2022

The trustees are pleased to present their annual directors' report for the year ended 31 March 2022 which is also prepared to meet the requirements for a directors report and accounts for Companies Act purposes.

The financial statements comply with the Charities Act 2011, the Companies Act 2006, the Memorandum and Articles of Association, and Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS102).

Structure, Governance and Management

Governing Document

Minik Kardes Limited is a company limited by guarantee and is a registered charity. The company was established under a Memorandum of Association which established the objects and powers of the charitable company and is governed under its Articles of Association. In the event of the company being wound up members are required to contribute an amount not exceeding £1.

Recruitment & Appointment of Trustees

The trustees and directors who have served throughout the year are shown on page 1. Appointment of directors/trustees is governed by the Memorandum & Articles of Association.

New Trustees undergo training on their legal obligations as under Charity Law, the decision making process, the business plan and recent performance of the charity.

Organisational Structure

The charity is organized so that the trustees meet regularly to manage its affairs. The 'Nursery Head' N Cosar and finance officer S Martin manage the day to day administration of the charity and report to the Trustees at monthly Trustee meetings.

Risk Management

The trustees actively review the major risks which the charity faces on a regular basis and believe that maintaining reserves at the current levels, combined with an annual review of the controls over key financial systems, will provide sufficient resources in the event of adverse conditions.

The trustees also review non-financial risks and these risks are managed by ensuring compliance with all health and safety regulations for children, staff and parents. In addition the nursery is regulated by Ofsted and the trustees and senior management have controls in place to ensure compliance with such regulations.

Related parties

None of the trustees receive remuneration or other benefit in their capacity as trustees of the charity. Any connection between a trustee of the charity and organisations providing services to the charity must be disclosed to the full board of trustees in the same way as any contractual relationship with a related party. In the current year no such related party transactions were reported.

Pay policy for senior staff

The directors consider that the board of directors, who are the Charity's trustees, and senior management team comprise the key management personnel of the charity in charge of directing, controlling, running and operating the charity on a day to day basis.

The pay of senior staff, including N Cosar is reviewed annually and normally increased in with Local Authority pay scales.

Purpose and objectives

The charity's objects and its principal activities are the advance and education of Turkish speaking children below compulsory school age by the provision of bilingual nursery education.

Achievements and performance

The trustees consider that the Charity's activities in meeting objectives have been most satisfactory during the year under review.

Minik Kardes Limited (Private Company Limited by Guarantee) Directors' & Trustees' Report for the Year Ended 31 March 2022 (Continued)

Financial review

Total income for the year amounted to £1,650,553 with total expenditure amounting to £1,391,502 leaving a surplus in the year of £259.051.

Accumulated reserves at the balance sheet date amounted to £1,721,181, of which £1,379,578 represent income reserves.

Investment powers and policy

The trustees, having regard to the liquidity requirements of operating the nursery, have kept a proportion of available liquid funds in an interest bearing account to maximise the rate of return, although given current rates of interest the rate of return is minimal. The trustees will review the position and consider alternative investments to maximise returns but will continue with a risk averse policy.

Reserves policy and going concern

The Trustees have undertaken a review of the charity's requirements for reserves in light of the main risks to the organisation. As part of this review the charity has set up two funds, namely a 'running cost' and 'staff & maternity fund' reserve, in line with Charity Commission recommendations. The running cost reserve is to cover running costs of the charity of between 3 to 6 months and as at 31 March 2022 stands at £405,000 which is equivalent to six months running costs. The 'staff & maternity fund' is to cover future potential statutory liabilities (redundancy, unpaid holiday & monies in lieu of notice) should the charity cease activities and as at 31 March 2022 stands at £26,472.

Plans for future periods

Funding for the year 2022/23 has been secured from L B Islington and Hackney Learning Trust with total grants receivable for the year of £899,259 for the Charities' core activities and the aim of the Trustees is to further develop the children's centre, the provision of nursery education and outreach services in the Hackney & Islington areas.

Trustees responsibilities in relation to the financial statements

The charity trustees (who are also directors of the Company for the purposes of company law) are responsible for preparing a trustees' annual report and financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accounting Practice).

- select suitable accounting policies and apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgments and estimates that are reasonable and prudent;
- state whether applicable UK accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements.
- prepare financial statements on a going concern basis unless it is inappropriate to presume that the charity will continue in operation.

The trustees are responsible for keeping accounting records which disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Directors and trustees

The trustees who are directors for the purpose of company law who have served during the year and up to the date of this report are set out on page 1.

Statement as to disclosure to our auditors

In so far as the trustees are aware at the time of approving our trustees' annual report:

- there is no relevant information, being information needed by the auditor in connection with preparing their report, of which the company's auditor is unaware; and
- the trustees, having made enquiries of fellow directors and the company auditor that they ought to have individually taken, have each taken all steps that he/she is obliged to take as a director in order to make themselves aware of any relevant audit information and to establish that the auditor is aware of that information.

By order of the board of trustees

A K Meer

Trustee & Company Director

Date: 9/12/22

Opinion on financial statements

We have audited the financial statements of Minik Kardes Ltd for the year ended 31 March 2022 on pages 8 to 18. The financial reporting framework that has been applied in their preparation is applicable law, and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice), including FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland".

This report is made solely to the charitable company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the charitable company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law we do not accept or assume responsibility to anyone other than the charitable company and the charitable company's members as a body, for our audit work, for this report, or for the opinions we have formed.

In our opinion the financial statements:

- give a true and fair view of the state of the charitable company's affairs as at 31 March 2022, and of its incoming resources and application of resources, including its income and expenditure, for the year then ended;
- have been properly prepared in accordance with the United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

Basis of opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the charitable company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

We have nothing to report in respect of the following matters in relation to which the ISAs (UK) require us to report to you where:

- · the trustees' use of the going concern basis of accounting in the preparation of the financial statements is not appropriate; or
- the trustees have not disclosed in the financial statements any identified material uncertainties that may cast significant doubt about the charitable company's ability to continue to adopt the going concern basis of accounting for a period of at least twelve months from the date when the financial statements are authorised for issue.

Other Information

The trustees are responsible for the other information. The other information comprises the information included in the trustees' annual report, other than the financial statements and our auditor's report thereon. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

Opinion on other matter prescribed by the Companies Act 2006

In our opinion, based on the work undertaken in the course of the audit:

 \cdot the information given in the trustees' report for the financial year for which the financial statements are prepared is consistent with the financial statements; and

the Trustees report has been prepared in accordance with applicable legal requirements.

Matters on which we are required to report by exception

In the light of our knowledge and understanding of the charitable company and its environment obtained in the course of the audit, we have not identified material misstatements in the directors' report.

We have nothing to report in respect of the following matters in relation to which the Companies Act 2006 requires us to report to you if, in our opinion:

- -adequate accounting records have not been kept, or returns adequate for our audit have not been received from banches not visited by us; or
- -the financial statements are not in agreement with the accounting records and returns; or
- -certain disclosures of directors' remuneration specified by law are not made; or
- -we have not received all the information and explanations we require for our audit; or

Responsibilities of trustees

As explained more fully in the trustees' responsibilities statement, the trustees (who are also the directors of the charitable company for the purposes of company law) are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the trustees are responsible for assessing the charitable company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the trustees either intend to liquidate the charitable company or to cease operations, or have no realistic alternative but to do so.

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect material misstatements in respect to irregularities, including fraud. The extent to which our procedures are capable of detecting irregularities, including fraud. The extent to which out procedures are capable of detecting irregularities, including fraud is detailed below:

To identify risks of material mistatements due to fraud ("fraud risks") we assessed events or conditions that indicate an incentive or pressure to commit fraud or provide the opportunity to commit fraud. Our risk assessment procedures included:

*Enquiring with Trustees and management and inspection of policy documentation as to IKWRO-womens rights organisations policies and procedures to prevent fraud and detect fraud that apply to this company as well as Enquiring whether the Trustees and management have knowledge of any actual suspected or alleged fraud.

Audit procedures performed by the engagement team included:

- *Discussions with management and assessment of known or suspected instances of non compliance with laws and regulations and fraud:
- *Assessments of identified fraud factors
- *Challenging assumptions and judgements made by management in its significant accounting estimates:
- *Using analytical review procedures to identify unusual or unexpected relationships
- *Confirmation of related parties with management, and review of transactions throughout the period oidentify previously undisclosed transactions with related parties outside the normal course of business:
- *Reading minutes of meetingsof those charged with governance:
- *Review of significant and unusual transations and evaluation of the underlying financial rationale supporting the transactions:
- *Identifying and testing journal entries, in particular any manual entries made at the year end for financial statement presentation.
- *identifying and responding to risks of material mistatement due to non compliance with laws and regulations.

We communicated identified fraud risks throughout the audit team and remained alert to any indications of fraud throughout the audit

As required by auditing standards, taking into account possible pressures to meet profit targets, we perform procedures to address risks of management overide of controls and the risk of fraudulent revenue recognition, including: the risk that revenue is recorded in the wrong period and the risk that management may be in a position to make inappropriate accounting entries.

We did not identify any additional fraud risks.

We identified arears of laws and regulations that could reasonably be expected to have a material effect on the financial statements from our general commercial and sector experience and through discussion with Trustees and management (as required by auditing standards) and discussed with Trustees and management the policies and procedures regarding compliance with laws and regulations. Firstly, the companyis subject to laws and regulations that directly affect the financial statements including financial reporting legislation, (including related companies legislation), distributable profits legislation and taxation legislation and we assessed the extent of compliance with these laws and regulations as part of our procedures on related financial statement items.

Secondly, the company is subject to many other laws and regulations where the consequences of non compliance have a material effect or

Secondly, the company is subject to many other laws and regulations where the consequences of non compliance have a material effect or the amounts or disclosures in the financial statements, for instance through the imposition of fines or litagation. We identified the following areas as those most likely to have such effect: health and safety, anti-bribery, general data protection, employment law, and certain aspects of company legislation, recognising the nature of the company's activities. Auditing standards limit the required audit procedures to identify non compliance with these laws and regulations to enquire of the Trustees inspection of regulatory and legal correspondence, if any. Therefore, if a breach of operational regulations is not disclosed to us or evident from relevant correspondence, an audit will not detect that breach.

Context of ability of the audit to detect fraud or breached of law or regulation

Owing to the inherent limitations of an audit, there is an unavoidable risk that we may not have detected some material mistatements in the financial statements, even though we have properly planned and performed our audit in accordance with auditing standards. For example, the further removed non-compliance with laws and regulations is from the events and transactions reflected in the financial statements, the less likely inherently limited procedures required by auditing standards would identify it.

In addition, as with any audit, there remained a higher risk of non-detection of fraud, as these may involve collusion, forgery, intentional omissions, mispresentations, or the overide of internal controls. Our audit procedures are designed to detect material mistatement. We are not responsible for preventing non compliance or fraud and cannot be expected to detect non-compliance with all laws and regulation. As part of an audit in accordance with ISAs (UK), we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- · Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the charitable company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the trustees.
- Conclude on the appropriateness of the trustees' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the charitable company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the charitable company to cease to continue as a going concern.

· Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

A further description of our responsibilities for audit of the financial statements is located on the Financial reporting Council's website at www.frc.org.uk/auditorsresponsibilities. This descriptions forms part of our Report of the Auditors.

Use of our report

This report is made solely to the charitable company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the charitable company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charitable company and the charitable company's members as a body, for our audit work, for this report, or for the opinions we have formed

Accounting policies

The principal accounting policies adopted, judgments and key sources of estimation uncertainty in the preparation of financial statements are as follows

Basis of Preparation

The Financial statements have been prepared in accordance with Accounting and Reporting of charities: SORP applicable to charities preparing their accounts in accordance with Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective date 1 January 2015) - Charities SORP (FRS 102), the financial reporting standard applicable in the UK and Republic of Ireland (FRS 102) and the Companies Act 2006.

Minik Kardes meet the definition of Charity under FRS 102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy (notes).

Reconciliation with previous GAAP

In preparing the accounts the trustees have considered whether in applying the accounting policies required by FRS 102 and the Charities SORP FRS 102, the reinstatement of comparative item was required.

At the date of transition no other restatements were required.

Incoming resources

Income (including income from government and other grants) is recognised when the charity has entitlement to the funds, any performance conditions attached to the items of income have been met, it is probable that the income will be received and the amount can be measured reliably.

Interest and investment income receivable

Interest on funds held on deposit and income from investments held is included when receivable and the amount can be measured reliable by the charity.

Fund accounting

Unrestricted funds are available to spend on activities that further any of the purposes of charity. Designated funds are unrestricted funds of the charity which the trustees have decided at their discretion to set aside for a specific purpose. Restricted funds are donations or grants which the donor has specified are to be solely used for a particular purpose or area of the Trust's work or projects being undertaken by the Trust.

Expenditure and irrecoverable VAT

Expenditure is recognised once there is a legal or constructive obligation to make a payment to a third party, it is probable that settlement will be required and the amount of the obligation can be measured reliably. Expenditure is classified under the following headings:

- -cost of raising funds comprise the cost of commercial trading
- expenditure on charitable activities includes the cost of operating the nursery and outreach services
- management and administration includes support costs for those functions that assist the work of the charity

Irrecoverable VAT is charged as a cost against the activity for which the expenditure has been incurred.

Taxation

As a grant aided charity with charitable status the charity's activities do not create a charge to corporation tax.

Operating leases

Rentals paid under operating leases are charged to income on a straight line basis over the lease term.

Tangible fixed assets

Tangible fixed assets for use by the charity are stated at cost less depreciation.

Depreciation is provided at rates calculated to write off the cost or valuation of fixed assets, less their estimated residual value, over their expected useful lives on the following bases:

- freehold Buildings 2% straight line basis
- office equipment 25% straight line basis

Minik Kardes Limited (Private Company Limited by Guarantee) NOTES TO THE FINANCIAL STATEMENTS for the year ended 31 March 2022

Debtors

Trade and other debtors are recognised at the settlement amount due after any trade discount offered. Prepayments are valued at the amount prepaid net of any trade discounts due.

Cash at bank and in hand

Cash at bank and in hand includes cash and short term highly liquid investments with a short maturity of less than three months from the date of acquisition or opening of the deposit or similar account.

Creditors and provisions

Creditors and provisions are recognised where the charity has a present obligation resulting from a past event that will probably result in the transfer of funds to a third party and the amount due to settle the obligation can be measured or

Financial instruments

The trust has only has financial assets and financial liabilities of a kind that qualify as basic financial instruments. The charity does not acquire put options, derivatives or other complex financial instruments. The main form of financial risk faced by the charity is that of volatility in equity and investment markets due to wider economic conditions, the attitude of investors to risk,

Pensions

The Trust does not operate a pension scheme.

1 Legal status of the Trust

The Trust is a company limited by guarantee and has no share capital. In the event of the charity being wound up, the liability in respect of the guarantee is limited to £1 per member of the charity.

hability in respect of the guarantee is limited to £1	per member of the charity.

10 Trustees' remuneration

The trustees were not paid or received any other benefits from the Charity during the year in their capacity as trustees.

11 Related party transactions

N Cosar received remuneration during the year in her capacity as Nursery Head.

12 Government Grants

Income from government grants comprises of grant funding made available by local authorities to fund the children centre running cost of the Charity. See note 4 for more information and to the amount and sources of these grants.

13 Corporation Tax

The Charity is exempt from tax on income and gains falling within section 505 of the Taxes Act 1988 section 252 of the Taxation of Chargeable Gains Act 1992 to the extent that these are applied to its charitable objects.
