REPORT OF THE TRUSTEES

The Trustees have pleasure in submitting their Annual Report and the financial statements for the year to 31st March 2022, which have been prepared in accordance with the Statement of Recommended Practice "Accounting and Reporting by Charities" (FRS 102), the Companies Act 2006 and Financial Reporting Standard 102. The annual report serves the purposes of both a Trustees' Report and a Directors' Report under company law.

Objectives and activities

The objects of the charity are as follows:

- the advancement of the Christian Faith in accordance with the Church's Statement of Beliefs; . •
- the relief of persons who are in conditions of need, hardship or distress; •
- the advancement of education of the public.

In planning the activities for the year, the Trustees have given consideration to the Charity Commission's guidance on public benefit.

In order to advance the Christian Faith in the local community, regular meetings are held where Church members and other interested persons can worship, pray, receive teaching on, and participate in discussions of, aspects of the faith. Grants are also made to organisations, both in the UK and overseas, which seek to advance the Christian Faith.

The relief of persons who are in conditions of need, hardship or distress is achieved by making grants and offering support to individuals who meet the criteria, in particular through operating a Foodbank in the local area. Grants are also made to organisations, operating in both the UK and overseas, which have the same objective.

The advancement of education of the public concentrates on the provision of education in relation to personal financial management, personal wellbeing and language tuition.

The Trustees plan to continue with these same activities for the foreseeable future.

Grants policy

Grants are made to Christian organisations and workers who are involved in advancing the Christian

Grants are made to a number of Christian organisations, both in the UK and overseas, whose areas of work the Church particularly wants to support.

Grants are made to a number of Christian workers, mostly Church members working overseas, to support them in their ministry.

Reference and administrative details

The legal and administrative details required by law set out on page 1 form part of this report.

Achievements and performance

Beacon Church holds regular meetings for worship, prayer and teaching. Many Church members are also regular attenders at midweek connect group meetings.

Midweek meetings are held regularly to meet particular needs. These include groups for children, young people and for parents and toddlers.

REPORT OF THE TRUSTEES (CONTINUED)

The Church also organises courses which are available to the wider community. This year this was limited to an online Alpha course which was run using Zoom.

As part of the Church's commitment to those who are in need, hardship or distress, as well as to provide education in personal financial management and wellbeing, the Church continues to support a Foodbank programme which has expanded during the year. As well as operating regularly from five distribution centres, the Foodbank provides food for lunches during the school holidays for children in receipt of free school meals. During the year a practical course to help people eat well whilst spending less on food was continued. The Church also supports a CAB Adviser to be present at Foodbank sessions to provide practical advice on accessing benefits and other services.

The Church also operates a ministry called Just a Helping Hand which provides support to homeless individuals in the local area. Durig the year a support group for Ukrainian refugees has also been established, along with language tuition and access to advice.

The Church's property in Chertsey, known as The Beacon, continues to be much used. The coffee shop located on the ground floor of the building is also used for Sunday services. Weekday activities of the church take place on the first floor of the building part of which is also occasionally hired out. Two limited companies have been created each having 100% of the shares owned by Community Life Trust. The companies are Community Life Properties Limited (CLPL) which purchased, developed and maintains the property and Beacon Hospitality Services Limited (BHSL) which operates the coffee shop.

The coffee shop continues to run successfully with increased custom and impact on the community.

Financial Review

The Church is financially dependent on the voluntary support of its members and the wider community. Total voluntary income receipts for the year amounted to £218,067, to which were added £123,873 in grants, £21,978 income tax refund, £11,613 from interest and other income, and £166,281 from gifts in kind. Expenditure amounted to £493,537 resulting in a surplus of £48,275.

During the year CLPL repaid £23,625 of the long term loan made to it by the Church and BHSL repaid £6,680. The total of outstanding long term loans in both CLPL and BHSL is £239,188.

The reserves at the end of the year were \pounds 1,471,408 of which \pounds 411,318 were restricted funds and \pounds 1,060,090 were unrestricted funds. Of these funds \pounds 7,287 is invested in fixed assets and \pounds 865,888 is invested in CLPL and BHSL. The remaining unrestricted reserves are £186,915.

The reserves policy for unrestricted funds is to retain sufficient reserves:

- To ensure that the Church has sufficient funds to meet its financial commitments.
- To demonstrate that the Church is sustainable into the future.
- To ensure that the Church is able to manage future unforeseen financial difficulties.
- To ensure that excessive funds are not held without any identifiable reason or purpose.

Restricted funds may be held to be used for the restricted purpose for which they were given.

The trustees have reviewed the level of reserves and consider that they are in line with the reserves policy and are adequate to provide for the ongoing work of the Church. In the light of this review, the trustees are of the view that the Church is a going concern.

In addition to financial contributions, the Church is also reliant on the voluntary donation of time by members to enable the various activities of the Church to take place. For the successful running of the Foodbank a large number of volunteers come from other churches and the community.

REPORT OF THE TRUSTEES (CONTINUED)

Structure and management

The following individuals have served as trustees during the year:

Keith Holder Nathan Wardill Felix Mashedi Adriaan van den Broek David Wayland

Trustees are appointed by the members of the company and are chosen from among the spiritual leadership of the Church. As such they are already aware of the objectives and activities of the Church. All trustees seek to keep abreast of relevant legislation and good practice. To this end they receive relevant advice from the Church's independent examiners and from Stewardship Services.

The trustees who are also the members of the company make all policy decisions. Day to day decisions are made by Church staff but only within the boundaries defined in their individual Role Descriptions.

The pay and remuneration of key management personnel is decided by the trustees (excluding any employed trustee) taking into account general national pay settlements and the financial resources available.

Risk management

The Church has operated a "Safe From Harm" child protection and vulnerable adults policy for a number of years. This policy was reviewed and updated during the year to keep it in line with latest legislation and good practice.

A formal risk management process is in place and systems have been established to manage the risks identified.

Impact of COVID-19

Following the end of the second national lockdown, Sunday church services resumed meeting in Revive at The Beacon. However, certain group meetings, such as prayer meetings, continued to take place using Zoom. Since most voluntary donations are received via bank transfer, there has been little impact on church income. The church continues to operate as normal.

The changes introduced during the pandemic continue to influence the operation of the Foodbank. In February 2021 the Foodbank moved to a smaller warehouse for which it met all costs apart from receiving grant aid for 50% of the rent. This arrangement continued for the next year. In March 2022 the Foodbank entered into a five year lease for the continued use of the warehouse. No further grant aid was made available and the Foodbank is responsible for all costs involved in operating the warehouse. The increased financial support from charities, companies and individuals together with food donated by members of the public has continued. With this level of support, the Foodbank has continued the distribution of 300 Christmas hampers, the support of 400 school children through its school holiday Food4Lunch scheme, and the payment of gas and electricity bills for those in need.

Following the end of the second national lockdown, the Revive coffee shop reopened in May. Following the reopening, Coronavirus Business Grant funding was received via Runnymede Borough Council. During the last few months there has been a significant increase in the turnover of the coffee shop which continues to host community events such as Ukrainian Refugee drop in sessions.

REPORT OF THE TRUSTEES (CONTINUED)

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH 2022

1 ACCOUNTING POLICIES

The principal accounting policies adopted in the preparation of the financial statements are as follows:

Accounting convention

The financial statements have been prepared under the Companies Act 2006 and in accordance with the Charities Statement of Recommended Practice (Charities SORP (FRS 102)), Financial Reporting Standard 102 (FRS 102) and the Charities Act 2011. The financial statements are drawn up on the historical cost basis of accounting, as modified by the revaluation of investments. The financial statements have been prepared in sterling with figures rounded to the nearest pound. There are no material uncertainties affecting the charity's ability to continue its operations and therefore the going concern basis of accounting has been used in the preparation of the financial statements.

Community Life Trust meets the definition of a public benefit entity under FRS 102. It is a company limited by guarantee incorporated in England and Wales with its registered office at 95 Guildford Street, Chertsey, Surrey, KT16 9AS. The financial statements present information about the charity as an individual undertaking and not as a group as it qualifies as a small group.

Income

All Income is recognised once the charity has entitlement to the income, it is probable that the income will be received and the amount of income receivable can be reliably measured.

When donors specify that donations and similar income are for particular restricted purposes, this income is included in income of restricted funds.

Donated goods, facilities and services

Donated food is recognised as income when it is received. Donated facilities are recognised as they are used. The time donated by general volunteers is not recognised in the financial statements but their significant contribution is discussed in the trustees report.

Expenditure

Expenditure is classified under the following activity headings:

Expenditure on charitable activities includes the cost of those activities undertaken to further the purposes of the charity and their associated support costs.

Other expenditure represents those items not falling under any other heading.

Support costs

Support costs are those functions that assist the work of the charity but do not directly undertake charitable activities. Support costs include office costs and governance costs which support the charity's activities.

Governance costs comprise all costs involving the public accountability of the charity and its compliance with regulation and good practice.

The basis on which support costs have been allocated is set out in Note 4.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH 2022 (continued)

Tangible fixed assets

Tangible fixed assets are depreciated at the following annual rates:

Equipment – 25% (reducing balance basis) Vehicles – 25% (reducing balance basis)

Investments

Investments in subsidiary companies are included at directors' valuation at the balance sheet date.

Fund accounting

Funds held by the charity are unrestricted general funds which can be used in accordance with the charitable objects at the discretion of the trustees or restricted funds which can only be used for particular purposes.

Cash and cash equivalents

Cash at bank and in hand includes cash and short term highly liquid investments with a short maturity of three months or less from the date of opening of the deposit.

Creditors and provisions

Creditors and provisions are recognised where the charity has a present obligation arising from a past event that will probably result in the transfer of funds to a third party and the amount due to settle the obligation can be measured or estimated reliably. Creditors and provisions are recognised at their settlement amount.

Financial instruments

The charity only has financial assets and liabilities of a kind that qualify as basic financial instruments. These are initially recognised at transaction value and subsequently measured at their settlement value.

2 TAXATION

The charitable company is exempt from corporation tax on its charitable activities.
