## **PHILIP KING CHARITABLE TRUST**

### **REPORT OF THE TRUSTEES FOR THE YEAR ENDED 5TH APRIL 2022**

The Trustees present their annual Report and the audited Financial Statements for the year ended 5th April 2022.

#### **FORMATION, GOVERNING DOCUMENT AND PURPOSE**

Philip King Charitable Trust is a registered charity (No. 263992) and is constituted by a Trust Deed dated 11th January 1972. The late Philip King bequeathed the residue of his estate to the Philip King Charitable Trust. The residue vested in the trust following the death in 2007 of Clare King, his wife.

As set out in the Trust Deed the trustees can apply the income and capital for such charitable activities as the trustees think fit. In so doing the trustees will consider the causes that the settlor, Philip King, may have chosen to support. The trustees also confirm that they refer to the guidance contained in the Charity Commission's general guidance on public benefit when reviewing the trust's aims and objectives and in planning future activities and setting grant making policy.

#### **TRUSTEES**

The Trustees at 5th April 2022 were:-

Louise Maddison	David Tarsh
Alison Meek	Susie Fox
Peter Sawford	Jeremy Tobias-Tarsh

Susie Fox was appointed a trustee on 18 November 2021. Peter Sawford retired as a trustee with effect from 9 June 2022.

#### **ADMINISTRATOR AND PRINCIPAL ADDRESS**

Ian Maddison is the trust's Administrator. The principal address and address for correspondence is PO Box 1139, Elsworth, Cambridge, CB23 4WB.

#### **BANKERS**

Barclays, National Westminster and COIF.

#### **AUDITORS**

Brindley Millen Limited, 167 Turners Hill, Cheshunt, Herts, EN8 9BH.

#### **INVESTMENT MANAGERS**

Smith & Williamson  
McInroy & Wood

#### **GRANT MAKING POLICY**

The trust seeks initiatives and projects to support: the young, the old, the sick and the disadvantaged.

It favours medical research and Jewish organisations (but not at the exclusion of others). It also seeks to help smaller charitable organisations where a donation will make a real difference.

## **PHILIP KING CHARITABLE TRUST**

### **REPORT OF THE TRUSTEES FOR THE YEAR ENDED 5TH APRIL 2022**

#### **REVIEW OF THE YEAR**

The trust's work is entirely reliant on income and investment returns from its investments. Its net assets (including cash) increased over the year from £14.13 million to £14.27 million. Most significantly there was a £0.8 million (2021 £3.2 million) realised and unrealised gain on investments from market movements arising from the recovery following the Covid-19 pandemic. Whilst the trustees have increased the overall level of grants the trustees are mindful of market movements and economic turbulence arising from both a global and domestic perspective. In setting the trust's grant making policy the trustees take the longer term view and do not therefore limit grants to income generated in any given year but take a view as to what the fund might be able to sustain over the medium term.

The trust made 51 principal grants during the year totalling £746,500. The trust has also committed to future funding of projects subject to (where applicable) progress reports. The main grants are listed in note 3 to the accounts.

#### **STRUCTURE GOVERNANCE AND MANAGEMENT**

As set out above the trust was set up by Philip King in 1972 and since that time has made donations to a range of causes. Following the death of his wife, Clare King, the trustees have a substantial portfolio of assets at their disposal. The trust does not actively fundraise and seeks to continue the charitable work desired by the donor and his wife through the careful stewardship of its existing resources.

New trustees are appointed by the existing trustees. There is no set period of appointment set out in the trust deed, nor minimum or maximum number of trustees. All of the trustees give their time freely and no trustee remuneration was paid in the year. Details of trustees expenses are disclosed in the notes to the accounts. Trustees are required to disclose all relevant interests (particularly as regards grant applications) and withdraw from decisions where a conflict of interest arises.

At the six monthly trustees' meetings, the trustees agree the broad strategy and areas of activity for the trust, including consideration of grant making, investment, reserves and risk management policies and performance. The day to day administration of grants and the processing of applications prior to consideration by the trustees is delegated to the charity's Administrator.

#### **RISK MANAGEMENT**

The trustees have considered the major risks to which the charity is exposed. In so doing the trustees periodically review the performance of the investment manager(s) with the assistance of investment consultants. The portfolio is currently run by two managers namely: Smith & Williamson and McInroy & Wood. The managers report quarterly in writing on the performance of the funds they manage and when required in person at trustees' meetings.

#### **INVESTMENT POLICY AND PERFORMANCE**

The trust's investment manager is instructed to invest to maximize the total return on the funds at their disposal within the constraints of a risk profile as discussed and agreed with the investment manager.

The charity is a long term investor and the trustees, on professional advice, take the view that a mixed portfolio of equities, bonds, cash and other investments, weighted according to the appetite for investment risk, remains appropriate.

## PHILIP KING CHARITABLE TRUST

### REPORT OF THE TRUSTEES FOR THE YEAR ENDED 5TH APRIL 2022

#### INVESTMENT POLICY AND PERFORMANCE - Continued

The total return on investments managed by the investment managers, after fees, for 2021/22 was 6.8%. This compares with the movement on the MSCI PIMFA Balanced NR GBP Balanced of 7%.

#### PLANS FOR THE FUTURE

The trustees continue to look for projects and small charities that the trust can support.

#### STATEMENT OF TRUSTEES RESPONSIBILITIES

United Kingdom Charity law requires the trustees to prepare Financial Statements for each financial year, which give a true and fair view of the state of affairs of the charity as at the end of the financial year and of the incoming resources and the application of resources of the trust for that period. In preparing those Financial Statements, the Trustees are required to:-

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- state whether applicable UK accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- make judgments and estimates that are reasonable and prudent; and
- prepare the Financial Statements on the going concern basis unless it is inappropriate to presume that the trust will continue.

The trustees are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the trust and to enable them to ensure that the Financial Statements comply with the Charities Act 1993, the Charity (Accounts and Reports) Regulations 2008 and the provisions of the trust deed. They are also responsible for safeguarding the assets of the trust and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Approved and signed on behalf of the trustees

## NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 5TH APRIL 2022

### 1. ACCOUNTING POLICIES

The financial statements of the charity, which is a public benefit entity under FRS 102, have been prepared in accordance with the Charities SORP (FRS 102) and the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102). The financial statements have been prepared under the historical cost convention. The particular accounting policies adopted are described below.

#### **Going concern**

There are no material uncertainties about the charity's ability to continue as a going concern and accordingly the accounts have been drawn up on a going concern basis.

#### **Fund structure**

The charity has a single expendable endowment fund.

#### **Investment income**

Interest and dividend income is included in the Statement of Financial Activities on an accruals basis.

#### **Grants and commitments made**

Grant commitments are recognised as resources expended as soon as there is a legal or constructive obligation committing the charity to the expenditure.

Single or multi-year grants are accounted for when either the recipient has a reasonable expectation that they will receive a grant and the trustees have agreed to pay the grant without condition, or the recipient has a reasonable expectation that they will receive a grant and any condition attaching to the grant is outside of the control of the trust.

Provisions for grants are made when the intention to make a grant has been communicated to the recipient but there is uncertainty about either the timing of the grant or the amount of grant payable.

Commitments to provide funds that are dependent on the recipient undertaking certain obligations are recorded in the notes to the accounts as commitments until such time as they are paid.

#### **Irrecoverable VAT**

Irrecoverable VAT is charged against the category of resources expended for which it was incurred.

#### **Realised gains and losses**

All gains and losses are taken to the Statement of Financial Activities as they arise. Realised gains and losses on investments are calculated as the difference between sales proceeds and opening market value (purchase date if later). Unrealised gains and losses are calculated as the difference between the market value at the year end and opening market value (or purchase date if later). Realised and unrealised gains are not separated in the Statement of Financial Activities.

#### **Governance costs and administrative expenditure**

Resources expended on governance and administration are included in the Statement of Financial Activities on an accruals basis.

#### **Fixed asset investments**

Quoted investments are stated at market value as at the balance sheet date. Unquoted investments are periodically valued by the trustees. The statement of financial activities includes the net gains and losses arising on revaluation and disposals throughout the year.

## PHILIP KING CHARITABLE TRUST

### NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 5TH APRIL 2022

#### ACCOUNTING POLICIES Continued

##### Cash at bank and in hand

Cash at bank and in hand includes cash, current bank deposits and deposit bank accounts with no withdrawal restrictions.

##### Creditors

Creditors are recognised where the charity has a present obligation resulting from a past event that will result in the transfer of funds to a third party and the amount due to settle the obligation can be measured or estimated reliably. Creditors are recognised at their settlement date.

#### 2. INVESTMENT INCOME

	2022	2021
	£	£
Dividends - Quoted bonds and equities	191,011	180,009
Interest on gilts, cash deposits and cash funds	10,676	19,064
	<u>201,687</u>	<u>199,073</u>

## **REPORT OF THE INDEPENDENT AUDITORS TO THE TRUSTEES OF PHILIP KING CHARITABLE TRUST**

### **Opinion**

We have audited the financial statements of Philip King Charitable Trust (the 'charity') for the year ended 5 April 2022 which comprise the Statement of Financial Activities, the Balance Sheet and notes to the financial statements, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

In our opinion the financial statements:

- give a true and fair view of the state of the charity's affairs as at 5 April 2022 and of its incoming resources and application of resources, for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Charities Act 2011.

### **Basis for opinion**

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditors' responsibilities for the audit of the financial statements section of our report. We are independent of the charity in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

### **Conclusions relating to going concern**

In auditing the financial statements, we have concluded that the trustees' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the charity's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the trustees with respect to going concern are described in the relevant sections of this report.

### **Other information**

The trustees are responsible for the other information. The other information comprises the information included in the Annual Report, other than the financial statements and our Report of the Independent Auditors thereon.

Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether this gives rise to a material misstatement in the financial statements themselves. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

### **Matters on which we are required to report by exception**

We have nothing to report in respect of the following matters where the Charities (Accounts and Reports) Regulations 2008 requires us to report to you if, in our opinion:

- the information given in the Report of the Trustees is inconsistent in any material respect with the financial statements; or
- sufficient accounting records have not been kept; or
- the financial statements are not in agreement with the accounting records and returns; or
- we have not received all the information and explanations we require for our audit.

**REPORT OF THE INDEPENDENT AUDITORS TO THE TRUSTEES OF  
PHILIP KING CHARITABLE TRUST**

**Responsibilities of trustees**

As explained more fully in the Statement of Trustees' Responsibilities, the trustees are responsible for the preparation of the financial statements which give a true and fair view, and for such internal control as the trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the trustees are responsible for assessing the charity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the trustees either intend to liquidate the charity or to cease operations, or have no realistic alternative but to do so.

**Our responsibilities for the audit of the financial statements**

We have been appointed as auditors under Section 144 of the Charities Act 2011 and report in accordance with the Act and relevant regulations made or having effect thereunder.

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue a Report of the Independent Auditors that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

We obtained an understanding of the legal and regulatory frameworks that are applicable to the charity and determined that the most significant are those covered by the Statement of Recommended Practice for Charities (SORP 2019) and the Charities Act 2011. We assessed the risk of material misstatement in respect of fraud by making enquiries of management and trustees and by testing the implementation of accounting controls in place.

Based on the results of our risk assessment we designed our audit procedures to identify non-compliance with such laws and regulations identified above by making enquiries with key personnel and reviewing relevant documentation such as minutes of Trustee meetings and correspondence with regulatory bodies. We considered the risk of fraud through management override by incorporating testing of journal entries and reviewing any requirements to meet performance targets. We also considered, and tested for, the possibility of unauthorised payments to related parties.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at [www.frc.org.uk/auditorsresponsibilities](http://www.frc.org.uk/auditorsresponsibilities). This description forms part of our Report of the Independent Auditors.

**Use of our report**

This report is made solely to the charity's trustees, as a body, in accordance with Part 4 of the Charities (Accounts and Reports) Regulations 2008. Our audit work has been undertaken so that we might state to the charity's trustees those matters we are required to state to them in an auditors' report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charity and the charity's trustees as a body, for our audit work, for this report, or for the opinions we have formed.
