Pippa's Group
Report of the Trustees
For the year ended 31 March 2022

The Trustees have pleasure in presenting their report and the financial statements for the charity for the year ended 31 March 2022. The Trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and the Republic of Ireland (FRS 102) (effective 1 January 2019).

Chair's report

It has been an extraordinarily difficult year for Pippa's Group to operate in, with ever changing Government guidance and the re-emergence into full social interaction whilst the pandemic has not entirely gone away presenting us with new challenges.

Staff have risen magnificently to these challenges, ably and indefatigably led by our nursery manager Claire Connell, and we have remained open throughout thanks to all of the hard work and dedication of the staff.

Not only have staff been hard at work, staff members have also managed to complete essential training and further develop Forest School and Special Educational Needs skills, also keeping up to date with necessary first aid and safeguarding knowledge. The first face to face training has taken place since the pandemic began, in addition to all staff continuing to access online training.

New curriculum rules nationally have meant that staff spend less time on paperwork and have greater involvement with the children, which has been a success all round. It has also been really welcome to have parents able to return to the nursery and to plan for a return to home visits in September.

All the trustees are extremely grateful to staff for their adherence to duty in the face of such difficulties, undertaken with a strong team spirit and invaluable sense of humour.

Throughout all the different social mixing rules this year I have continued to greatly value the electronic and telephone links with our nursery manager Claire and being able to keep a strong sense of involvement with the day-to-day decision making in order to support Claire and her team as needed. Pippa Campbell has always been our most hands-on trustee and thanks are due to her for all of her support to nursery staff. Heather Frost has also been a regular visitor whenever regulations permitted.

The whole trustee body was able to meet regularly through an online platform during the lockdowns, and as the pandemic restrictions have eased is now able to meet face to face in addition, and this has enabled us to continue working to administer all of our usual functions without a break. All trustees have worked hard to make this possible. We plan to retain online meetings in addition to face to face ones as these make it easier to have the full trustee body present.

Special thanks are due to Fred Hoad our treasurer and also to our fundraiser Vicki Harvey for all her very successful efforts to keep our essential funding coming in so that we can continue to provide the best possible nursery experiences for our children including through specialist provision to help those who have additional needs in the learning environment.

During the year Magdalena Jaramek, a long-standing trustee, has retired, and we wish her well and send many thanks for her work with Pippa's Group. Our secretary, Diana Freestone, whose organisational skills are many and greatly valued, has become a Trustee, and Debbie Twitchen has been able to return to this role at the AGM.

As in previous years Ian Campbell must also have a special mention for his sterling work in renovating and maintaining the building.

I commend to you the reports being tabled from the treasurer, nursery manager and fundraiser to serve as appendices to this report.

Thank you again to everyone who makes Pippa's Group such a special place for the children we look after and whose skills for life our staff help to develop in their time with us. Here's to another great year of achievement and hope for the one to come being just a little less challenging!

OBJECTIVES AND ACTIVITIES

Objectives and aims

The objects of the charity are to enhance the development and education of pre-school children who live in Lewes and the surrounding rural areas offering appropriate teaching, guidance, supervision, care and health facilities.

Pippa's Group (PG) runs a subsidised pre-school for children who are in need. The majority are at an economic disadvantage and/or have a special educational need/disability (SEND). Our charitable purpose is to enhance children's development and education to enable them to reach their full potential. The group also provides a Family Support service, benefitting families of a child up to the age of 18 (or 25 if they have a SEND).

At Pippa's Group we endeavour to offer a really broad curriculum that will stimulate and encourage all our children to achieve their potential. We have found that the Forest School programme has been inspirational for developing confidence, concentration and social skills as well as learning to safely take risks. We have high staffing ratios and as a charity, we are able to offer limited places to children who need additional support.

As we offer high staffing levels we can offer limited spaces for children who have additional needs. Typically, a child starts at around 2 years of age and will stay with the Group until they go to school. We are located in the Landport Community Hub.

The trustees have considered the Charity Commission's guidance on public benefit, including the guidance 'public benefit: running a charity (PB2)'.

ACHIEVEMENTS AND PERFORMANCE

Significant activities

Nursery Manager Report for Year ended March 2022

We have had another successful and busy year, we have continued to provide a happy and positive environment and an exciting curriculum for 40 children from our local community. We are delighted that many of our families come via recommendations from those that currently or have previously attended.

Staff

There have been some challenges with staffing this year and the current team is still evolving. Katie replaced Elaine as Deputy in September, she has proved to be kind but firm and has earned the respect of all the staff and is very popular with the children too. Kim has joined me as Designated Safeguarding Lead and has undertaken relevant training for this role which she has embraced fully. Luci in her role as SENCO has worked successfully with some challenging children and parents. Natalie, supported by Ingrid, has continued to ensure that Forest School is both safe and exciting and that priority is given to children that receive pupil premium or do not have access to outdoor space.

Curriculum

With significant new changes introduced to the Early Years Foundation Stage in September 2021 we had to re-evaluate the way we plan, how we meet the needs of individual children and how we use our resources. This was a steep learning curve for all concerned but having written our own curriculum and reflected on how we can best meet the needs of the children (by spending more time with them and less time on onerous paperwork!) we have made significant progress in this area.

Parents and Families

This academic year we have once again been able to invite parents into the setting. We held two well attended parents evenings, stay and play sessions were offered to all families and an end of term celebration for parents and children. We aim to reintroduce home visits in September 2022.

Thank you

I would like to take this opportunity to thank all the staff for their dedication and professionalism for helping at weekends and during the holidays and most importantly of all for providing a welcoming, safe, fun environment for our children. Further thanks to Ruth, Pippa and the trustees for their ongoing support and to Vicki who once again has successfully achieved the grants and funding that enable us to remain operational.

FINANCIAL REVIEW

With the transfer of the nursery to its new location it took some time to be re-established but now that this has been achieved the number of children that attend has increased. This has led to an increase in revenue in respect of Early Years Educational Entitlement commensurate with the increase in those who attend and use their 15 hours of free childcare.

Significant events

None.

Going concern

The number of children that we support is ever increasing, as is the proportion of children with Special Educational Needs and those who are at an economic disadvantage. As a pre-school our costs are high, this being due to the number of skilled one-to-one workers we employ in order not to turn away children who have behavioural, emotional or physical needs for one-to-one support.

The cost of our skilled and experienced one-to-one workers is £8.50 per hour. We continue to receive only £5.28 per child per hour for 2 year olds and £4.10 per child per hour for 3 and 4 year olds from the Early Years Education (EYEE) grant and we only charge parents (not receiving this grant) the equivalent of £4 per hour.

At the end of the period under review there were reserves of £32,199..

STRUCTURE, GOVERNANCE AND MANAGEMENT

Governing document

The Group was first formed in 1986 when Pippa was invited by Lewes Social Services to set up a small specialist playgroup, in her own home, and several of those first children had special needs or developmental delays. Over the course of the next ten years the Group formulated its programme and targeting families most in need of help. Most of the children stayed at the Group until they went to school, others moved on to mainstream nurseries when it was felt they could cope in a larger setting. There was always a long waiting list.

The Group relocated and in 1999 first became registered as a charity and then registered with OFSTED in 2004 and expanded further in 2006. In 2008 the Group expanded again and moved to a purpose built structure in the grounds of Pells CE Primary School Lewes and then moved to its current location when the school closed in the summer of 2017.

We offer 15 hours free nursery education for each child over three years old per week. We can also offer 2 year old funding for eligible children. Pippa's Group also offer 30 funded hours to eligible working families. The younger children not yet able to access government funding, pay a nominal fee of £4 per hour. This ensures our service is available to all.

During the year we were delighted to achieve another 'Good' Ofsted Inspection report. This was entirely due to the fantastic leadership of our Supervisor, Claire Connell and her great team of dedicated staff, some of whom have worked for Pippa's Group for over 10 years!

Independent Examiners Report to the Trustees
For the year ended 31 March 2022

I report to the trustees on my examination of the accounts of the charity for the year ended 31 March 2022.

Responsibilities and basis of report

As the charity trustees, you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the 2011 Act').

I report in respect of my examination of the charity's accounts carried out under section 145 of the 2011 Act and in carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

Independent examiners statement

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the Charity as required by section 130 of the 2011 Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair view' which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.
