The Trustees, who are also Directors of Barking and Dagenham Youth Dance Limited (BDYD), present their report and the independently examined financial statements of the charitable Company for the year ended 31 July 2022. The statutory information is shown on page 1.

Status

The Company, number 05521243 is limited by guarantee and has charitable status. The Charity registration number is 1113618. It has a Memorandum and Articles of Association as its governing document.

Aims and Objects

• The principal objects of the charity are:

- To maintain, improve and advance the education of the public in the arts generally and in particular, by the promotion and production of educational dance/drama and other aesthetic arts especially those activities which seek to make the arts relevant to the community.
- To provide performance opportunities for underprivileged young people irrespective of their colour, sex, religion, creed etc. thus enabling them to seek and obtain useful skills and occupation in later life.
- In the interest of social welfare, to provide or assist in the provision of facilities for recreation or other leisure time occupation with the object of improving the condition of life of the persons for whom such facilities are primarily intended by reason of their youth, age, infirmity, poverty or social and economic circumstances.

We deliver our aims in the following ways:

BDYD's services directly benefit the local community, including children, young people, adults and the elderly. We work with a diverse group of people including women, black and ethnically diverse communities, those tackling obesity, people with disabilities, those at risk of teenage pregnancy, young offenders, those at risk of substance and alcohol misuse, the underachieving, those who are NEET and those who find mainstream education challenging.

We promote equal opportunities and celebrate diversity by making our activities fully accessible and inclusive that welcomes and respects its participants, frontline staff and volunteers.

Our key aim is to tackle unfair discrimination and break down barriers for people in particular groups such as black and ethnically diverse communities, disabled people, gay men/lesbians/bisexuals, transgender people and people from different religious and faith backgrounds.

We deliver this in the following ways:

- Our dance technique classes promote a thorough understanding of movement skills, which challenge the mind of people and help to develop habits that can be applied to personal fitness.
- Our choreographic workshops encourage participants to think creatively and culturally, make positive decisions, and create intelligent work suitable for public performances; including Borough events through our annual achievement showcase, targeted particularly at the local community. This leads to celebrating individual and group diversity, encouraging audience/community participation, and widen the opportunities for the attendees.
- We offer our participants an equal platform to succeed in life, promote better education and learning for all, make sure that they feel valued, and are able to contribute to society, rather than being isolated. We provide a service that leads to the ability and self-belief to achieve success and ultimately understand the user's capabilities, with the aim to promote community cohesion.
- Our workshops and showcase are created from skill-building activities and hands-on tasks, ensuring our users access effective and affirmative experiences. We produce a showcase that celebrates our users' achievements, as well as engage them in a project that celebrates their achievements.

 We embrace and celebrate different cultures, as our intentions are to enlighten, empower and release learning potential, highlighting the importance of education and eventually employment that can lead to regenerating the local community.

Activities:

The principal activities of the charity are as follows:

- BDYD run Saturday dance workshops for children, young people, and adults aged 5+. We currently work with 220 local people each Saturday.
- BDYD run a Youth Leadership programme called Bar-Ham Leaders. This is a youth led project
 encouraging young people to build on the skills and qualities enabling them to develop leadership skills
 and use these skills to make positive change, as individuals, for the good of our organisation and for the
 wider community. We recognise that these are the community leaders of the future. Our aim with BarHam Leaders is to support young people to create positive change to their lives and communities on
 issues that matter to them.
- BDYD run a Youth Dance Instructors Course for young people aged 13-19. This course offers weekly
 training for teenagers to learn the skills to teach a dance class for grassroots organisations.
- BDYD provides advice to our local authority through The Cultural Partnership Board (CP), Cultural
 Educational Partnership and B&D Collective bridging the gap between the social sector and the
 council. BDYD appear in the LBBD Culture Strategy 2017-2022 page 45 as well as the borough's
 Cultural Educational Partnership Strategic Plan 2018-2022, on page 22, in the mission to increase the
 borough's cultural youth offer, 'Every young person will have the opportunity to work with a cultural
 organisation'.

Public Benefit:

In planning our activities for the year, we kept in mind the Charity Commission's guideline on public benefit at our trustees' meetings by researching the local community service gaps in Barking and Dagenham paying particular attention to youth services and opportunities in the arts.

BDYD Ltd provides dance and arts projects, events and activities for children, young people and adults. We offer performance opportunities, training in dance career development and leadership programmes. Although we encourage our beneficiaries to opt for a donation of £3, during their weekly dance activity, those unable to pay are not turned away and there are no restrictions to our services.

Our Impact:

Throughout 2021 / 2022 we engaged with 2500 local people by providing them with educational dance and fitness sessions that promoted learning for all.

In 2021 / 2022 97% successfully gained over eight GCSEs leading to the attainment of college/sixth form places. 98% gained A levels leading to places at a variety of universities.

Summary of the main achievements during the period:

Despite a very challenging year with funding cuts to local government and the impact of social economic factors affecting local families and young people, BDYD provided arts, dance, culture workshops, events and activities for children, young people, young adults and adults aged from 5 years to 70+. We targeted the hard to reach and those socially excluded due to their financial and domestic circumstances and promoted mental and physical wellbeing.

BDYD collaborated in a number of partnership work through 2021 / 2022:

- BDYD continued working with the London Borough of Barking and Dagenham's programme called New Town Culture and the Serpentine Galleries exploring themes around the Radio Ballads.
- BDYD continued to award young people through our on-going Jack Petchey Achievement Award Scheme.
- BDYD delivered over 30 online workshops with Industry specialists increasing the awareness around employment and volunteering.
- BDYD expanded our Snack Chat programme. A safe space for young people to chat, enjoy a free snack and share.
- Bar-Ham Leaders worked with London Borough of Barking and Dagenham Events Team and fed into the borough's steering group for the development of local festivals and activities, and we co-led on the Borough's Youth Parade.
- BDYD continued to work in partnership with Frenford Youth Club, Muslim Sports Association and Shpresa Programme to design a Youth Social Action Programme with Rocket Science and the GLA called My London.
- BDYD continued delivering our annual showcase at the Broadway Theatre: https://youtu.be/4YS2S3WVEXk
- BDYD perform at various Youth Platforms

- BDYD deliver a project called Young Creators in partnership with London Youth.
- BDYD develop a Knife Crime set seen here: https://youtu.be/vxYkCewGTIE

Future Plans:

In the next two years we intend to build on the infrastructure and capacity build the organisation to ensure that the organisation has financial stability. This includes focussing on securing funding for more than one year, and to seek out funding opportunities that fund a particular post. We wish to fund and appoint an Artistic Director/CEO who will lead the organisation into the next phase by focussing on increasing staffing and build capacity.

BDYD will continue working in partnership with local groups to ensure our residents continue receiving high quality user led provision.

BDYD is part of a small group consortium that has secured the use of a building to promote community activism and participation. This will provide a base for the future development and capacity building of BDYD.

Independent Examiners' Report to the Members of Barking and Dagenham Youth Dance Limited

I report on the attached Financial Statements for the year ended 31 July 2022, which are set on pages 8 to 14 and have been prepared on an accrual basis.

Respective responsibilities of Management Committee and Examiner:

The trustees (who are also the directors of the company for the purposes of company law) are responsible for the preparation of the account in accordance with the requirements of the Companies Act 2006 ("the 2006 Act").

The charity's trustees consider that an audit is not required for this year under Part 16 of the 2006 Act and that an independent examination is needed

It is my responsibility to:

- · examine the accounts under section 145 of the Act,
- to follow the procedures laid down in the general Directions given by the Charity Commission (under section 145(5)(b) of the Charities Act, and
- to state whether particular matters have come to my attention

Basis of Independent Examiner's Statement:

My examination was carried out in accordance with general directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from the trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently no opinion is given as to whether the accounts present a 'true and fair view' and the report is limited to those matters set out in the statement below.

Independent Examiner's Statement:

In connection with my examination, no material matters have come to my attention which gives me cause to believe that in, any material respect:

- accounting records were not kept in accordance with section 386 of the Companies Act 2006; or
- · the accounts do not accord with such records: or
- the accounts do not comply with relevant accounting requirements under section 396 of the Companies Act 2006 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination; or
- the accounts have not been prepared in accordance with the Charities SORP (FRS102).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

The uncertain economic outlook and willingness of

the trust to donate is a significant area of uncertainty which the trustees have mitigated by reviewing how the activities of the charity could be offered should funds reduce. The trustees remain in regular contact with funders and the local authory to secure their on-going support.

1c. Income

Income is recognised when the charity has entitlement to the funds, any performance conditions attached to the item(s) of income have been met, it is probable that the income will be received and the amount can be measured reliably.

Income received in advance of a specified service is deferred until the criteria for income recognition are met.

1d. Funds

Unrestricted funds are available to spend on activities that further any of the purposes of the charity. Designated funds are unrestricted funds of the charity which the trustees have decided at their discretion to set aside to use for a specific purpose. Restricted funds are donations or grants which the donor has specified are to be used solely for particular purposes/areas of the charity's work or for specific projects undertaken by the charity.

1e. Expenditure and irrecoverable VAT

Expenditure is recognised once there is a legal or constructive obligation to make a payment to a third party, it is probable that settlement will be required and the amount of the obligation can be measured reliably. Irrecoverable VAT is charged as a cost against the activity for which the expenditure was incurred.

1f.Taxation

The charitable company is exempt from taxation under sections 466 to 493 of the Corporation Tax Act 2010.

1g. Cash at bank and in hand

1h. Creditors and provisions

Creditors and provisions are recognised where the charity has a present obligation resulting from a past event that will probably result in the transfer of funds to a third party and the amount due to settle the obligation can be measured or estimated reliably.
