Structure, Governance and Management

Governing Document

The Trust is an unincorporated trust, constituted under a trust deed dated 2 February 2000 and is a registered charity, number 1082471. The Trust was established by an initial gift from Lieutenant Colonel N. L. Cohen. Lieutenant Colonel Cohen's Will provided for a further bequest to the trust following his death in September 2000. The trust does not actively fundraise and seeks to continue the philanthropic work desired by the donor through the careful stewardship of its existing resources.

The original Trustees were appointed by Lieutenant Colonel N.L. Cohen. The Trust Deed provides for the appointment of new Trustees at any time, although the maximum number of trustees shall at no time exceed three.

Risk Management

The Trustees intend that the real value of the assets will be maintained and enhanced over the long term by investments in a portfolio comprised of equities, fixed interest and cash.

In order to meet these objectives the Trustees have appointed Charles Stanley & Co Limited as their agents to manage the portfolio on a discretionary basis. Investments are selected in a balanced manner with medium risk. The proportion invested in equities, fixed interest and cash will be reviewed with Charles Stanley & Co Limited from time to time to provide guidance on the ongoing suitability of investment policy.

Key Management Personnel Remuneration

The Trustees consider that the Board of Trustees are the key management personnel of the charity, in charge of directing and controlling the charity. Trustees give of their time freely, although the Trustees have agreed that any specialist work undertaken for the Charity is invoiced to the Charity, subject to the approval of the other Trustees.

The accounting records of the Trust are maintained by Tees Valley Community Foundation on behalf of the Trustees, for which a management fee is charged. In addition, the Trustees use the services of a consultant to process grant applications, requests from other organisations and to monitor the use of any funds awarded to them and their progress reports set against specific targets.

INDEPENDENT EXAMINER'S REPORT TO THE TRUSTEES OF

LIEUTENANT COLONEL COHEN CHARITABLE TRUST

5 APRIL 2022

I report to the Charity Trustees on my examination of the financial statements of the charity for the year ended 5 April 2022, which are set out on pages 5 to 13.

Responsibilities and basis of report

As the charity's Trustees you are responsible for the preparation of the financial statements in accordance with the requirements of the Charities Act 2011 ('the Act').

I report in respect of my examination of the charity's financial statements carried out under section 145 of the Act and in carrying out my examination I have followed the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

Independent Examiner's Statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

- (1) accounting records were not kept in respect of the charity as required by section 130 of the Act; or
- (2) the financial statements do not accord with those records; or
- (3) the financial statements do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair view' which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the financial statements to be reached.

NOTES TO THE FINANCIAL STATEMENTS

5 APRIL 2022

1 Summary of significant accounting policies

(a) General information and basis of preparation

Lieutenant Colonel Cohen Charitable Trust is an unincorporated trust, constituted in the United Kingdom under a trust deed dated 2 February 2000 and is a registered charity, number 1082471.

The nature of the charity's operations and principal activities are reliant on the income from investments to make contributions towards, or otherwise, assist the objects of any charitable trust at the discretion of the Trustees. This is done through the careful stewardship of its existing resources.

The charity constitutes a public benefit entity as defined by FRS 102. The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) issued in October 2019, the Financial Reporting Standard applicable in the United Kingdom and Republic of Ireland (FRS 102), the Charities Act 2011 and UK Generally Accepted Practice.

The financial statements have been prepared to give a 'true and fair' view and have departed from the Charities (Accounts and Reports) Regulations 2008 only to the extent required to provide a 'true and fair view'. This departure has involved following the Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) issued in October 2019 rather than the Accounting and Reporting by Charities: Statement of Recommended Practice effective from 1 April 2005 which has since been withdrawn.

The charity has applied Update Bulletin 1 as published on 2 February 2016 and does not include a cash flow statement on the grounds that it is applying FRS102 Section 1A.

The financial statements are prepared on a going concern basis under the historical cost convention, modified to include certain items at fair value. The financial statements are prepared in sterling which is the functional currency of the charity.

The significant accounting policies applied in the preparation of these financial statements are set out below. These policies have been consistently applied to all years presented unless otherwise stated.

(b) Funds

Unrestricted funds are available for use at the discretion of the trustees in furtherance of the general objectives of the charity and which have not been designated for other purposes.

Designated funds comprise unrestricted funds that have been set aside by the trustees for particular purposes. The aim and use of each designated fund is set out in the notes to the financial statements.

Restricted funds are funds which are to be used in accordance with specific restrictions imposed by donors or which have been raised by the charity for particular purposes. The cost of raising and administering such funds are charged against the specific fund. The aim and use of each restricted fund is set out in the notes to the financial statements.

Endowment funds represent those assets which must be held permanently by the charity, principally investments. Income arising on the endowment funds can be used in accordance with the objects of the charity and is included as restricted income. Any capital gains or losses arising on the investments form part of the fund. Investment management charges and legal advice relating to the fund are charged against the fund.

NOTES TO THE FINANCIAL STATEMENTS

5 APRIL 2022

(c) Income recognition

All incoming resources are included in the Statement of Financial Activities (SoFA) when the charity is legally entitled to the income after any performance conditions have been met, the amount can be measured reliably and it is probable that the income will be received.

Investment income is earned through holding assets for investment purposes such as shares. It includes dividends and interest. Interest income is recognised using the effective interest method and dividend income is recognised as the charity's right to receive payment is established.

(d) Expenditure recognition

All expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all costs related to the category. Expenditure is recognised where there is a legal or constructive obligation to make payments to third parties, it is probable that the settlement will be required and the amount of the obligation can be measured reliably. It is categorised under the following headings:

- Costs of raising funds includes investment management charges and overseas custody charges.
- Expenditure on charitable activities includes governance costs and costs incurred in the application of income to any other charitable trust having objects similar to those in the trust deed.
- Other expenditure represents those items not falling into the categories above.

Grants payable to third parties are within the charitable objectives. Where unconditional grants are offered, this is accrued as soon as the recipient is notified of the grant, as this gives rise to a reasonable expectation that the recipient will receive the grants. Where grants are conditional relating to performance then the grant is only accrued when any unfulfilled conditions are outside the control of the charity.

(e) Support costs allocation

Support costs are those that assist the work of the charity but do not directly represent charitable activities. They are incurred directly in support of expenditure on the objects of the charity. Where support costs cannot be directly attributed to particular headings they have been allocated to the cost of raising funds and expenditure on charitable activities on a basis consistent with use of the resources.

The analysis of these costs is included in note 7.

(f) Investments

Investments are stated at market value, excluding accrued interest on Fixed Interest Securities, at the balance sheet date.

The endowment fund includes the net gains and losses arising on revaluations and disposals throughout the year.

Profit or loss on part disposals have been calculated on the same basis as the rules for capital gains tax.

Investments are recognised initially at fair value which is normally the transaction price excluding transaction costs. Subsequently, they are measured at fair value with changes recognised in 'net gains / (losses) on investments' in the SoFA if the shares are publicly traded or their fair value can otherwise be measured reliably.

Current asset investments are short term highly liquid investments and are held at fair value. These include cash on deposit and cash equivalents with a maturity of less than one year.

(g) Debtors and creditors receivable / payable within one year

Debtors and creditors with no stated interest rate and receivable or payable within one year are recorded at transaction price.

NOTES TO THE FINANCIAL STATEMENTS

5 APRIL 2022

(h) Tax

The charity is an exempt charity within the meaning of schedule 3 of the Charities Act 2011.

(i) Going concern

The financial statements have been prepared on a going concern basis as the trustees believe that no material uncertainties exist. The trustees have considered the level of funds held and the expected level of income and expenditure for 12 months from authorising these financial statements. The budgeted income and expenditure is sufficient with the level of reserves for the charity to be able to continue as a going concern.

Fund descriptions

a) Unrestricted Funds are general funds and relate to anonymous donations received in previous years. They are available for use at the discretion of the Trustees in furtherance of the general objectives of the charity and which have not been designated for other purposes. There are no designated unrestricted funds.

b) Restricted Funds:

'Seen Heard Believed' Project – the project is a partnership between Safer Communities and Middlesbrough Council and aims to support children, young people and their families using trauma informed practice (TIP) – a full-system approach changing the way people think and interact with each other. The Trust is one of several significant funders of the project, which has also been supported by the KPMG Foundation during the year by way of a £50,000 donation.

General – this represents income generated from investments, which is to be used in accordance with the objects of the charity. This is to provide support to the people of Teesside, covering the local authority areas of Hartlepool, Middlesbrough, Redcar and Cleveland, and Stockton-on-Tees, and is focused on assisting veteran support activities and projects that help people in crisis.

c) Endowment Funds are held for investment, the income from which is held as restricted funds for use in furthering the Trust's charitable purposes. The endowment funds are permanent funds to be held indefinitely and the Trustees do not have the power to convert the endowment funds into income.
