## REPORT OF THE TRUSTEES - (continued)

The trustees present their annual report and financial statements of the charity for the year ended 5<sup>th</sup> April 2022. The financial statements have been prepared in accordance with the accounting policies set out on pages 10 and 11 of the accounts and comply with the charity's trust deed, the Charities Act 2011 and Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland published on 16 July 2014.

#### **Objectives and Activities**

The Trust is governed by a Deed dated 16<sup>th</sup> December 1960, as supplemented by a Charity Commission Scheme dated 14<sup>th</sup> March 2001 as amended by resolution dated 7<sup>th</sup> June 2005.

It was created so that the Trustees can apply the assets of the fund for such charitable purposes, whether in the United Kingdom or elsewhere, as the Trustees shall in their unfettered discretion from time to time determine, including the promotion of performing arts and education, and humanitarian causes, particularly in Israel or for Israelis. This is done through the gifting of donations to suitable organisations or charities.

#### **Appointment of Trustees**

The Trustees as a body can appoint new Trustees. In appointing new Trustees, candidates are considered from two bodies, being the Lyons family and relevant professionals. Consideration is given to the candidates' relevant expertise and background. At any time, there should be no less than three and no more than seven Trustees. Retiring Trustees must notify the remaining Trustees of their retirement in writing.

#### **Achievements and Performance**

The Trust's work is reliant on income and investment returns from its freehold property and from the investment portfolio, which consists of holdings in the Sarasin Endowments Fund, a specialist investment for non-profit making organisations, managed by Sarasin & Partners.

During the year, donations of £143,408 (2021: £128,479) were made in support of the charity's objectives. These included donations to Cal Performances (£15,569), Jerusalem Academy of Music and Dance (£22,371), Jerusalem Foundation (£48,456) and Wigmore Hall Trust (£14,000) as detailed in note 15 to the accounts. Sufficient funds are available to the charity to enable it to meet its current obligations.

#### **Investment Policy**

The Trust Fund is invested to provide sufficient returns to further the objects of the Trust whilst maintaining the permanent endowment. A schedule of investments is given in note 13 to the accounts.

The Trust has a permanent endowment which cannot be distributed. Accounts prior to the year ended 5<sup>th</sup> April 2005 did not reflect this, in part because the level of this endowment had never been agreed. Following extensive discussions with the Charity Commission, it was agreed that various shares with a market value of £196,275 at 5<sup>th</sup> April 2005 should be so earmarked.

The market value of the permanent endowment at 5<sup>th</sup> April 2022 was £405,928. Only the income of the permanent endowment is earmarked for potential donations, leaving the capital of the permanent endowment untouched.

## REPORT OF THE TRUSTEES - (continued)

Our investment advisors (Sarasin and Partners LLP) are instructed to invest to maximise the total return on the general and permanent endowment fund within the constraints of a medium risk investment portfolio.

#### **Financial Review**

At 5<sup>th</sup> April 2022 the charity had £405,928 (2021: £395,174) in its Permanent Endowment, £3,070,847 (2021: £3,058,431) in the General Fund and £161,401 (2021: £143,081) in the Designated Fund. During the year there was a net increase in funds of £41,490 (2021: £258,339 increase). This movement is primarily as a result of unrealised gains on property.

The charity had cash reserves held at 5<sup>th</sup> April 2022 amounting to £66,436 (2021: £79,253). The aim is to give flexibility to allow Trustees to make proposed charitable donations and provide charitable assistance as and when it is needed rather than to build up unspent funds.

The cash reserves of the Trust are kept under regular review by the Trustees to ensure that they are at all times sufficient to enable liabilities to be met and to enable appropriate donations to be made to further the objects of the Trust. A detailed schedule of movements in the Designated Fund is given in note 12 to the accounts.

#### Risk Management

The Trustees examine the principal risks to which the Trust is exposed and monitor and control those risks to mitigate any impact. The principal risk faced by the Trust lies in the performance of investments and furthermore, there is an exchange rate risk attached to making donations to charities in foreign currencies. There is also the generic risk of making ineffective donations.

The main risk to the Trust from financial investments lies in the combination of uncertain investment markets and volatility in yield. Liquidity risk is anticipated to be low as units in the Sarasin Endowments Fund are publicly traded in markets with good liquidity and high trading volumes.

The Trust manages these investment risks by retaining expert advisors and monitoring their performance, and operating an investment policy that provides for a high degree of diversification of holdings within investment asset classes that are quoted on recognised stock exchanges. The use of a specialised investment for non-profit making organisations reduces the risk of investment volatility.

The exchange rate risk arising from the Trust having a significant amount of regular charitable donations in foreign currency (especially US dollars) is mitigated by its investment advisors Sarasin Partners LLP managing a series of future foreign exchange contracts.

The Trust also benefits from rental income from the property owned at 22 Pembridge Road, London. In order to mitigate risk from potential loss of rent, the property is managed by the professional agents Welbeck Asset Management and Robert Irving Burns Limited.

In order to manage resources effectively and ensure that the Trust has the ability in the short and medium terms to meet its charitable obligations, a rolling schedule of potential donations for the next 3 years is kept and regularly reviewed and updated by the Trustees.

Non-UK charities which are potential recipients of donations are vetted to verify their status and the use to which funds are put is also monitored. Where practicable this includes face-to-face meetings between a Trustee and key individuals within the recipient organisation.

## REPORT OF THE TRUSTEES - (continued)

#### **Remuneration Policy**

None of the Trustees personally receive any form of remuneration or other benefit in cash or kind from the Trust. The Trustees make up the Trust's entire key management personnel.

#### **Public Benefit**

The Trustees have referred to the guidance contained in the Charity Commission's general guidance on public benefit to ensure that all our activities contribute to meeting our charitable objects and deliver public benefit.

#### Responsibilities of the Trustees

It is the Trustees' responsibility to prepare accounts for each financial year which give a true and fair view of the Charitable Trust's state of affairs at the date of the balance sheet and of its financial activities for the period then ending. In preparing those accounts the Trustees are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- prepare the accounts on the going concern basis unless it is inappropriate to assume that the trust will continue to operate

The Trustees are responsible for keeping proper accounting records which disclose with reasonable accuracy, at any time, the financial position of the trust, and to ensure that the accounts comply with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland published on 16 July 2014. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud or other irregularities.

In accordance with law applicable to charities in England and Wales, as the charity's trustees, we certify that:

- so far as we are aware, there is no relevant audit information of which the charity's auditors are unaware; and
- as the trustees of the charity we have taken all the steps that we ought to have taken in order to
  make ourselves aware of any relevant audit information and to establish that the charity's auditors
  are aware of that information.

Approved by the Trustees and signed on their behalf by:

P D Mitchell Esq

## INDEPENDENT AUDITOR'S REPORT

## TO THE TRUSTEES OF SIR JACK LYONS CHARITABLE TRUST

#### Opinion

We have audited the financial statements of Sir Jack Lyons Charitable Trust (the 'charity') for the year ended 5 April 2022 which comprise the Statement of Financial Activities, the Balance Sheet and notes to the financial statements, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102 The Financial Reporting Standard applicable in the UK and Republic of Ireland (United Kingdom Generally Accepted Accounting Practice).

In our opinion the financial statements:

- give a true and fair view of the state of the charity's affairs as at 5 April 2022, and of its incoming resources and application of resources, for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Charities Act 2011.

#### Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the charity in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

#### Conclusions relating to going concern

In auditing the financial statements, we have concluded that the trustees' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the charity's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the trustees with respect to going concern are described in the relevant sections of this report.

#### Other information

The other information comprises the information included in the Report of the Trustees, other than the financial statements and our auditor's report thereon. The trustees are responsible for the other information contained within Report of the Trustees. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

Our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the course of the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether this gives rise to a material misstatement in the financial statements themselves. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

#### INDEPENDENT AUDITOR'S REPORT

## TO THE TRUSTEES OF SIR JACK LYONS CHARITABLE TRUST (continued)

#### Matters on which we are required to report by exception

We have nothing to report in respect of the following matters in relation to which the Charities (Accounts and Reports) Regulations 2008 require us to report to you if, in our opinion:

- the information given in the financial statements is inconsistent in any material respect with the trustees' report; or
- the charity has not kept adequate accounting records; or
- the financial statements are not in agreement with the accounting records and returns; or
- · we have not received all the information and explanations we require for our audit.

#### Responsibilities of trustees

As explained more fully in the trustees' responsibilities statement (set out on page 4), the trustees are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the trustees are responsible for assessing the charity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the trustees either intend to liquidate the charity or to cease operations, or have no realistic alternative but to do so.

#### Auditor's responsibilities for the audit of the financial statements

We have been appointed as auditor under section 145 of the Charities Act 2011 and report in accordance with regulations made under section 154 of that Act.

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud. The specific procedures for this engagement and the extent to which these are capable of detecting irregularities, including fraud is detailed below:

We gained an understanding of the legal and regulatory framework applicable to the charity and the sector in which it operates and considered the risk of acts by the charity that were contrary to applicable laws and regulations, including fraud. We designed audit procedures to respond to the risk, recognising that the risk of not detecting a material misstatement due to fraud is higher than the risk of not detecting one resulting from error, as fraud may involve deliberate concealment by, for example, forgery or intentional misrepresentations, or through collusion.

We focused on laws and regulations, relevant to the charity, which could give rise to a material misstatement in the financial statements. Our tests included agreeing the financial statement disclosures to underlying supporting documentation, enquiries with management, review of charity minutes and legal expenses. There are inherent limitations in the audit procedures described and, the further removed non-compliance with laws and regulations is from the events and transactions reflected in the financial statements, the less likely we would become aware of it.

Because of the inherent limitations of an audit, there is a risk that we will not detect all irregularities, including those leading to a material misstatement in the financial statements or non-compliance with regulation. This risk increases the more that compliance with a law or regulation is removed from the events and transactions reflected in the financial statements, as we will be less likely to become aware of instances of non-compliance. The risk is also greater regarding irregularities occurring due to fraud rather than error, as fraud involves intentional concealment, forgery, collusion, omission or misrepresentation.

## INDEPENDENT AUDITOR'S REPORT

# TO THE TRUSTEES OF SIR JACK LYONS CHARITABLE TRUST (continued)

#### Use of our report

This report is made solely to the charity's trustees, as a body, in accordance with Part 4 of the Charities (Accounts and Reports) Regulations 2008. Our audit work has been undertaken so that we might state to the charity's trustees those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charity and the charity's trustees as a body, for our audit work, for this report, or for the opinions we have formed.

#### STATEMENT OF ACCOUNTING POLICIES

#### Basis of Accounting

The financial statements have been prepared under the historical cost convention with items recognised at cost or transaction value unless otherwise stated in the relevant note(s) to these accounts. The financial statements have been prepared in accordance with the Statement of Recommended Practice: Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (Charities SORP (FRS 102)) issued on 16 July 2014.

The trust constitutes a public benefit entity as defined by FRS 102.

With respect to the next reporting period, 2022-23, the most significant areas of uncertainty that affect the carrying value of assets held by the Trust are the level of investment return and the performance of investment and currency markets (see the investment policy and risk management sections of the trustees' annual report for more information).

The trustees consider that there are no material uncertainties about the Trust's ability to continue as a going concern.

The Trustees have taken advantage of the exemption in Charities SORP (FRS102) from including a cash flow statement in the financial statements on the grounds that the charity is classed as a small charity.

#### Income recognition

All income is recognised once the charity has entitlement to the income, it is probable that the income will be received and the amount of income receivable can be measured reliably.

Interest on funds held on deposit is included when receivable and the amount can be measured reliably by the charity; this is normally upon notification of the interest paid or payable by the bank.

Dividends are recognised once the dividend has been declared and notification has been received of the dividend due. This is normally upon notification by our investment advisor of the dividend yield of the investment portfolio.

#### Fixed Asset Investments

Fixed asset investments are initially recognised at their transaction value. They are subsequently measured at their fair value as at the balance sheet date using the closing quoted market price in the case of quoted investments, and at professional or trustees' valuation in the case of freehold property. The statement of financial activities includes the net gains and losses arising on revaluation and disposals throughout the year.

#### Realised gains and losses

All gains and losses are taken to the Statement of Financial Activities as they arise. Realised gains and losses on investments are calculated as the difference between sales proceeds and their opening carrying value or their purchase value if acquired subsequent to the first day of the financial year. Unrealised gains and losses are calculated as the difference between the fair value at the year end and their carrying value.

Realised gains attributable to expenditure on charitable donations is separated and included within total expenditure in the financial statements

Transactions throughout the year in foreign currencies have been translated at the exchange rate applicable at the date of the transaction. Balances held in foreign currency at the accounting date have been translated using the exchange rate applicable at that date.

#### STATEMENT OF ACCOUNTING POLICIES - (continued)

#### Designated Fund

The designated fund represents amounts set aside in connection with promises of financial support made by the Trustees. Save as indicated in note 12, none of the constituent elements represents a legally binding obligation.

#### Resources Expended

Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the charity to that expenditure, it is probable that settlement will be required and the amount of the obligation can be measured reliably.

All expenditure is accounted for on an accruals basis. All expenses are allocated or apportioned to the applicable expenditure headings. Expenses are analysed between charitable donations as listed fully in note 15 and management and administration costs as listed fully in note 16.

#### **Functional Currency**

Whilst the charity makes donations in foreign currencies, the accounts are presented in sterling, which is considered to be the charity's functional currency.

#### Debtors

Short term debtors are measured at transaction price, less any impairment. Loans receivable are measured initially at fair value, net of transaction costs, and are measured subsequently at amortised cost using the effective interest method, less any impairment.

#### Creditors

Short term trade creditors are measured at the transaction price. Other financial liabilities are measured initially at fair value, net of transaction costs, and are measured subsequently at amortised cost using the effective interest method.

#### Financial Instruments

The charity only has financial assets and financial liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsequently measured at their settlement value.

Realised gains/(losses)	-	39,430	39,430
Market value at 5th April 2022	2,467,500	1,108,166	3,575,666

22 Pembridge Road was valued by the Trustees at £2,467,500. The valuation takes into consideration prevailing market conditions and current tenancy arrangements.

All the investments are held to provide income and growth to further the objectives of the charity.

All quoted investments, valued at £1,108,166 (including those within the permanent endowment of £435,811) are listed on a recognised stock exchange in the United Kingdom.

The main risk to the Trust from financial investments lies in the combination of uncertain investment markets and volatility in yield. Liquidity risk is anticipated to be low as units in the Alpha CIF are publicly traded in markets with good liquidity and high trading volumes.

The Trust manages these investment risks by retaining expert advisors and monitoring their performance, and operating an investment policy that provides for a high degree of diversification of holdings within investment asset classes that are quoted on recognised stock exchanges. The use of a specialised investment for non-profit making organisations reduces the risk of investment volatility.

The exchange rate risk arising from the Trust having a significant amount of regular charitable donations in foreign currency (especially US and Canadian dollars) is mitigated by its investment advisors Sarasin Partners LLP managing a series of future foreign exchange contracts in these currencies.
