II a. YouCanFreeUs – Around the World

YouCanFreeUs is an international human rights organisation that is fighting modern slavery around the world through advocacy, rescue and rehabilitation since 2010.

YouCanFreeUs advocacy strategy includes: awareness campaigns through fashion, art and sports; educational workshops in schools, corporations and prisons; and public policy and private sector consulting. The organisation has developed LIBERTAS, a comprehensive school curriculum that offers innovative ways to fight modern slavery, by empowering the youth with knowledge on this topic.

YouCanFreeUs has rescued and successfully rehabilitated hundreds of women and children in its safe houses and training centers in different parts of the world. It offers long-term care for victims of modern slavery (up to 24 months) that includes: medical treatment, food and accommodation, counseling, vocational training and employment opportunities.

YouCanFreeUs is a non-profit organisation registered in the USA, Canada, India, Norway, and the UK.

YouCanFreeUs currently operates 3 safe houses and 2 training centers in India. Operations in all other countries are dedicated to local advocacy as well as supporting the rehabilitation of victims in India.

II b. YouCanFreeUs - UK

The Objectives of the CIO as stated in the governing document presented and approved by the Charity Commission are the following:

‘To promote human rights (as set out in the Universal Declaration of Human Rights and subsequent United Nations Conventions and Declarations and the European Convention on Human Rights) by all or any of the following means:

- (1) The relief and assistance of people in need in any part of the world, who are victims of modern slavery/human trafficking, including: forced labour, commercial sexual exploitation, and domestic servitude; by providing them with long-term care, protection, rehabilitation tools and opportunities for self-development, offering accommodation, medical care, legal and emotional support, life skills training, specialised vocational training and employment opportunities.
- (2) Raising awareness of, and promoting public support for, human rights issues affecting victims of slavery/human trafficking including: forced labour, commercial sexual exploitation and domestic servitude, in any part of the world, by providing information through educational programmes in schools, corporations, civic societies, churches and any other body.

Fourth Year Review

This was the fourth year of YouCanFreeUs operations in the UK. The organisation does not have employees or Executive Directors so it operates simply with volunteers and a mobile office to minimise administrative expenses. YouCanFreeUs UK will continue to operate in this way until it reaches a higher level of income to sustain paid staff.

This year our focus was on raising funds for a new safe house to be established in Kolkata, and for a new programme designed to protect vulnerable children from human trafficking in Mumbai.

III. Achievements and Performance

In the UK:

- YouCanFreeUs continued to engage with leaders of other organisations and government bodies in online forums and webinars.
- Merchandise such as Christmas puddings was developed and the products were sold online and through our networks in local communities.
- YouCanFreeUs participated in several fairs in the home counties selling merchandise including products manufactured by survivors of Modern Slavery. The “Libertas” book was also sold to raise awareness about Modern Slavery.
- YouCanFreeUs took part in several podcasts to discuss and raise awareness about Modern Slavery in the world and in the UK and participated in a campaign with the Wellnergy group creating an information video that was used to raise funds.
- YouCanFreeUs submitted plans to further develop the Libertas awareness programme in the UK and received a donation from two Asset Managers as contributions towards this.

In India:

- YouCanFreeUs supported 41 victims of human trafficking in India with residential care, and assisted with the rescue of 53 victims from situations of human trafficking. A team of over 15 staff operates the safe houses and development programmes in India.
- After the COVID disruptions on 2020, operations returned to the normal running of safe houses and development programmes for beneficiaries. In addition feasibility analysis and engagement was carried out for the development of a new safe house in Kolkata and the Udaan child protection programme in Mumbai.

After the COVID disruptions of 2020, our operations returned to the full running of development programmes which include education, vocational training, and health programmes.

IV. Plans for Future Periods

YouCanFreeUs will maintain its strategy in 2022, raising awareness among different groups in the UK through events and finding alternative sources of funding for the

projects in India. It will also continue to reach out to schools and to invest in educating the youth in the UK about modern slavery.

V. Governance and Management

YouCanFreeUs registered as a CIO, has as its governing document established as: Constitution of a Charitable Incorporated Organisation (CIO) whose only voting members are its charity trustees.

The organisation has currently 5 trustees listed under the section “References and Administrative details”. The charity will always have a minimum of 3 trustees and a maximum of 7. Apart from the first charity trustees, every trustee must be appointed for a term of 3 years by a resolution passed at a properly convened meeting of the charity trustees. In selecting individuals for appointment as charity trustees, the charity trustees will look at the skills, knowledge and experience needed for the effective administration of the CIO.

The trustees hold 3 annual formal meetings per year and several other informal follow-up meetings. Any decision may be taken by the trustees either at a meeting of the charity trustees or by resolution in writing or electronic form agreed by a majority of all of the charity trustees.

A YouCanFreeUs UK trustee ceases to hold office if he or she: retires by notifying the CIO in writing, is absent without the permission of the charity trustees from all their meetings held within a period of six months and the trustees resolve that his or her office be vacated; dies; in the written opinion, given to the company, of a registered medical practitioner treating that person, has become physically or mentally incapable of acting as a director and may remain so for more than three months; is disqualified from acting as a charity trustee by virtue of sections 178-180 of the Charities Act 2011 (or any statutory re-enactment or modification of that provision). Also, any person retiring as a charity trustee is eligible for reappointment and a charity trustee who has served for 3 consecutive terms may not be reappointed for a fourth consecutive term but may be reappointed after an interval of at least 1 year.
