# Report of the trustees for the year ended 30 June 2022

The trustees present their report and the financial statements for the year ended 30 June 2022. The trustees who served during the year and up to the date of this report are set out on page 1.

### Structure, governance and management

Constitution

The Community of St Denys, a religious order within the Anglican Communion, is under the patronage of Dionysius the Areopagite, disciple of St Paul and the first Bishop of Athens. The Community of St Denys is registered with the Charity Commission under the Registered Charity Number 233026.

A revised Constitution was adopted on 12 April 2004 and confirmed on 10 June 2004, widening the Membership of the Community.

#### The Order and the Community

Within the Order, latterly the membership of the Community included the last Sister in Vows and some lay members; but in 2018, it was decided that the time had come for the community as such to cease, and a Service of Thanksgiving was held in June 2018 with the Bishop of Salisbury presiding. However, the Community continues in an informal basis offering friendship and support for the remaining members under the leadership of Mrs June Watt and her deputy, Revd. David Walters. The last surviving Sister in Vows, Sr Frances Ann was consecrated to the Religious Life under Vows of Poverty, Chastity and Obedience and now lives in a retirement home in Salisbury. Lay members were both men and women who had committed themselves to a life under those virtues. The Sisters, including Sr Frances Ann, disposed of all monies and property accruing to them at the time of taking Vows, or subsequently, and are maintained from the Common Fund. The assets of the Order remain under the control and management of the Board of Trustees to be devoted to furtherance of the Mission of the Order.

#### The Board of Trustees

The Board of Trustees remains responsible for the financial affairs of the Order, including policy, management and administration, and (as stated above) for devoting the finances of the Order to the furtherance of its Mission.

It consists of ex-officion the leader of the Community, between 5 and 10 other individuals of whom no less than 2 shall be members of the Community and a member of another Anglican Religious Community nominated by the Bishop of Salisbury.

The Trustees are appointed by the Board. The Board and Its Finance Committee meet quarterly. The Finance Committee reports to the full Board of Trustees, who decide on the Finance Committee's recommendations.

New Trustees are usually recruited by the existing trustees although applications are always considered from Interested parties. Training is provided to all new Trustees by the board.

During the course of the year 2 valued Trustees sadly dled. Richard Southwell QC and Revd. Jane Shaw. The Board greatly valued Richard Southwell's wisdom, legal knowledge and financial acumen and his presence will be greatly missed. Revd. Jane Shaw dled very suddenly in June and she had wide knowledge and experience of the Trust's and Diocese's links with South Sudan. Again, her overseas experience and contacts will be sorely missed. A new Trustee, Mr Julian Snell, was appointed at the meeting held on 23rd May 2022. Mr Snell has wide experience in financial matters and he was also appointed to the Finance Committee.

Report of the trustees for the year ended 30 June 2022

#### Objectives and activities

The alm and object of the Order is Christian Mission at home and overseas. This is carried out through prayer and intercession, by giving counsel and help where this is needed, and by making grants for religious and educational purposes, as may be from time to time decided in a manner that reflects the original commitment of the Sisters to the religious life.

#### **Grants and Future Plans**

The Trustees have discretion to make grants for religious or educational purposes in accordance with the aim and object of the Charity. The trustees do not generally support individual grant requests and no related parties have benefited from the receipt of a grant. Any grant requests received are considered by the Finance Committee and then decided on by the main Board of Trustees. The Trustees have adopted the policy (a) only to spend investment income and not any capital, and (b) to move away from the giving of small individual grants on a reactive basis to the possible adoption of larger projects that necessarily require higher levels of financial support. The primary call on income is to provide for the care and well-being of the remaining Sister in Vows. After small administration costs, any surplus investment income is given in the form of grants. Bearing in mind the history and foundation of the Order of the Community and its constitution, the trustees have agreed that there are 4 main categories that should be addressed so that the giving of grants can be carefully focused — Education, Mission, Pastoral Care, and Retreats and Religious Community Support. For guidance, percentage splits were agreed as: Education 45% with half for the UK and half overseas, Mission 25%, Pastoral Care 20% and Retreats and Religious Community Support 10%. These splits and percentages are to be treated as guidelines.

#### Achievements and performance

Since the advent of COVID 19, the global financial markets have seen a degree of turbulence so the Trustees have been cautious in the awarding of grants. The total direct cost of grants paid and charitable donations made was £320,744 (2021: £299,496) of which a number are spread over 3 years. This year Education grants comprised 47% of grant expenditure, Mission grants 16%, Pastoral Care grants 32% and Religious Communities grants 5%. The largest grant committed in the year was £84,000 (to be paid over 2 years) to the Mother's Union to fund a literacy project in Burundi. The Trust continues to support Alabare's Mother and Baby Home in Salisbury, USPG, CMS and others as well as Hilfield Friary and the Anglican Religious Communities Development Trust.

Nursing home fees and other costs for the Sister in care are still considerable, but the income generated by the investments cover this expenditure as well as the grants made by the Trustees.

#### Financial review

The Charity received investment income of £232,330 in the 12-month period to 30 June 2022 (an increase of 16.9% over 2021: £198,674) with an anticipation of increased levels of income once the purchaser has paid for the Retreat Centre property in full. The total expenditure on charitable activities was £415,441 (2021: £390,647). The market value of the investments at 30 June 2022 was £6,608,817 (30 June 2021: £6,965,865) a decrease of £357,048 (5.1%). Given the volitivity of global financial markets over the past year, the Trustees feel this to be satisfactory.

The Trustees are responsible for the investments of the Order and have a wide range of investment powers. The Trustees examine the major strategic, business and operational risks that the Charity faces. The key risk identified is a major failure of the investment portfolio. The Finance Committee, which meets quarterly, closely monitors the performance of the Charity's investments in the hands of professional fund managers. The Trustees had previously invested the portfolio of investments with CCLA, BNY Mellon and M&G Securities and their performance was regularly monitored. As result of this monitoring, the Trustees decided to transfer all the funds held by BNY Mellon to M&G Securities as they have performed much better over the past 2 years.

# Report of the trustees for the year ended 30 June 2022

## **Reserves Policy**

It is the policy of the Trustees to maintain unrestricted funds, which are free reserves of the Charity, at a level sufficient to cover the future anticipated running costs of the Charity and provide income for grants.

At 30 June 2022 the unrestricted reserves stood at £6,592,519.

The financial statements of the charity are prepared on the basis that no funds are subject to permanent endowment.

#### **Public Benefit Statement**

The trustees confirm that they have complied with their duty to have due regard to the guidance on public benefit published by the Charity Commission in exercising their powers or duties.

### Statement of trustees' responsibilities

The trustees are responsible for preparing the Trustees' Annual Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice). The law applicable to charities in England and Wales requires the Charity trustees to prepare financial statements for each year which give a true and fair view of the state of affairs of the Charity and of the incoming resources and application of resources, of the Charity for that period. In preparing the financial statements, the Trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures that must be disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Charity will continue in business.

The Trustees are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the Charities Act 2011, the applicable Charities (Accounts and Reports) Regulations, and the provisions of the Charity's schemes. They are also responsible for safeguarding the assets of the charity and taking reasonable steps for the prevention and detection of fraud and other irregularities.

# Independent Examiner's report to the trustees

I report to the Trustees of The Community of St Denys (the Trust) on the accounts for the year ended 30 June 2022, which are set out on pages 6 to 14.

## Responsibilities and basis of report

As the charity trustees of the Trust you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the Act').

I report in respect of my examination of the Trust's accounts carried out under section 145 of the 2011 Act and in carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

#### Independent examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

- 1. accounting records were not kept in respect of the Trust as required by section 130 of the Act; or
- 2. the accounts do not accord with those records; or
- 3. do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair view' which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

Notes to Financial Statements for the year ended 30 June 2022

# 1. Accounting policies

The principal accounting policies are summarised below. The accounting policies have been applied consistently throughout the year and the preceding period.

#### 1.1 Accounting convention

The accounts (financial statements) are prepared under the historical cost convention with items recognised at cost or transaction value unless otherwise stated in the relevant notes to these accounts. The financial statements have been prepared in accordance with the Statement of Recommended Practice: Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) effective from 1 January 2019, the Financial Reporting Standard applicable in the United Kingdom and Republic of Ireland (FRS 102) and the Charities Act 2011.

The Charity constitutes a public benefit entity as defined by FRS 102.

The Trustees consider that there are no material uncertainties about the Charity's ability to continue as a going concern. There are no significant areas of judgement or key assumptions that affect items in the accounts. With respect to the next reporting period, the year ended 30 June 2023, the most significant areas of uncertainty that affect the carrying value of assets held by the Charity are the level of investment return and the performance of investment markets.

#### 1.2 Cash flow

The accounts do not include a cash flow statement because the Charity, as a small reporting entity, is exempt from the requirement to prepare such a statement.

#### 1.3 Fund accounting

Unrestricted funds are available for use at the discretion of the Trustees in furtherance of the objectives of the charity.

# 1.4 Income recognition

All Income is recognised once the charity has entitlement to the income, there is sufficient certainty of receipt and so it is probable that the income will be received, and the amount of income receivable can be measured reliably. The following specific policies are applied to particular categories of income:

Income from donations is recognised on its receipt. Income from pensions and other income of Sisters is recognised on its receipt. Income from legacies is recognised when the charity is advised by the personal representative of an estate that payment will be made or property transferred and the amount involved can be quantified.

Income from investments and income tax recoverable in relation to this income is included in the year in which it is receivable.

#### 1.5 Expenditure recognition

Expenditure is recognised once there is a legal or constructive obligation to make a payment to a third party, it is probable that settlement will be required and the amount of obligation can be measured reliably.

All expenditure is accounted for on an accruals basis.

Grant expenditure is recognised when the offer has been conveyed to the recipients. Grants awards that are subject to the recipient fulfilling performance conditions are only accrued when the recipient has been notified of the grant and any remaining unfulfilled conditions attaching to the grant are outside of the control of the Trust.

# Notes to Financial Statements for the year ended 30 June 2022

# 1.6 Expenditure on charitable activities

Expenditure on charitable activities includes the cost of maintenance of the Sisters and the cost of the religious communities as well as the cost of grants awarded plus their associated support costs.

## 1.7 Allocation of support costs

Support costs consist of governance costs and other support costs. Governance costs comprise all costs involving the public accountability of the charity and its compliance with regulation and good practice.

Support costs have been allocated to activities they support on the basis of time spent by the trustees and clerk, as set out in the note 5.

#### 1.8 Tangible fixed assets and depreciation

Tangible fixed assets are stated at cost less accumulated depreciation. Depreciation is provided at rates calculated to write off the cost less residual value of each asset over its expected useful life, as follows:

Fixtures, fittings and equipment

- 25% per annum reducing balance

### 1.9 Fixed asset investments

Investments are initially recognised at their transaction value and subsequently measured at their bidmarket value as at the balance sheet date. The statement of financial activities includes the net gains and losses arising on revaluation and disposals throughout the year.

#### 1,10 Financial instruments

The Charity only has financial assets and liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are recognised at amortised cost, except for investments in non-derivative instruments that are equity of the issuer which are measured at fair value, with changes recognised in the statement of financial activities

	Total	405,834	9,607	415,441

The total Support costs consist of Governance costs and Other support costs (see Note 8).

The Governance costs were allocated between Charitable activities undertaken directly (Maintenance of Sisters and Retreats and Religious communities) and Grants, based on trustees' time.

The Other support costs, as mostly related to clerk's fees and office costs, were allocated between Charitable activities undertaken directly (Maintenance of Sisters and Retreats and Religious communities) and Grants, based on clerk's time.

The total Support costs allocated to Grants were then further split between the 4 grant categories based on the number of grants awarded in each category.
