STRUCTURE, GOVERNANCE AND MANAGEMENT

The charity is a Charitable Incorporated Organisation (CIO), registered on 24th August 2018. Its governing document is the Constitution dated 1st June 2018. The CIO took over the assets, liabilities, contracts and operations of unincorporated charity no. 1125246, also named The Well Kibworth, as at 1st January 2019 in accordance with a Resolution of the members of the unincorporated charity at its AGM on 3rd May 2018.

The schedule of Trustees above shows the changes in trusteeship during the year.

The members of the CIO, as per paragraph 16 of its Constitution (the Constitution), are its trustees for the time being. The Constitution sets out an initial term of office for each trustee following which a trustee may be re-appointed to a maximum term of four years. New trustees are appointed for an initial term of four years. As well as appointed trustees, the Constitution allows for the church councils of St Wilfrid's, Kibworth and Kibworth Methodist Church to each nominate one trustee, again for a period of four years. Rev'd Mary Ireland (Chair) is the nominee for St Wilfrid's, Kibworth and Ms Melanie Wheeler is the Kibworth Methodist Church nominee. Mr Peter Hayes stepped down as Treasurer in January 2022 and remains a trustee. The Well is very grateful to Peter for all his considerable work as Treasurer, and for his continuing guidance and support. Mrs Anne Headley has taken over the duties of Treasurer from January 2022. In December 2022 the Trustees agreed to the reappointment of Mr R Davis who will become the Vice Chair.

OBJECTIVES AND ACTIVITIES

The principal object of the charity is to advance the Christian faith in the villages of Kibworth and the surrounding area by the provision of facilities for the social welfare of individuals. This has continued through daily prayer and through the welcome to all, provided in the Coffee Shop and Charity Shop, as well as through more focussed activities such as Dementia group and, from the start of lockdown in March 2020, a foodbank facility. The work of the foodbank, initially set up in response to Covid, has continued and expanded due to the current cost of living crisis. The café is now a member of the Chatty Café scheme.

ACHIEVEMENTS AND PERFORMANCE

The Well is firmly established within the community and continues to provide an essential facility. The trustees meet regularly to review the operation and progress of The Well and, individually, undertake voluntary duties as they are able.

Christine Faulconbridge, appointed as Outreach Manager from July 2021 left The Well in the summer of 2022 as part of a management restructure. Nicky Scarr continues in her role Café Manager and Andy Wright in the full-time position as Operations Manager. All three managers have made a very positive contribution to the work of The Well and the Trustees are extremely grateful to them for their hard work and commitment to the success of The Well. A generous three-year grant from the FiftyFour Two Foundation has allowed the Trustees the financial freedom to invest more in management support and this has proved to be a very positive step forward.

Income from the shop and café continues to grow steadily and the trustees wish to record their thanks to the staff and all the volunteers who work so hard in the shop, café and foodbank. Going forward the intention is to increase the opening hours of the shop and café, introducing a Saturday morning. This is however dependent on having sufficient willing volunteers. Recruiting and retaining volunteers remains a challenge for the trustees.

The foodbank continues to occupy the ground floor of 47 High Street, next door to The Well's main premises, supported by grants from Leicestershire County Council (LCC) as well as individual and corporate donations. The lease has now been formalised and arrears of rent have been settled.

The foodbank is now operating in partnership with the South Leicestershire Foodbank. The new system allows greater opportunity to engage with clients and signpost to support services, making referrals where necessary.

Partner organisations make use of the café and sanctuary to meet with clients in the now well-established Thursday drop-ins.

FINANCIAL ACCOUNTING POLICY

In accordance with Charity Commission guidelines, accounts are prepared on a cash accounting basis. Alongside this Report, please also see the Statement of Financial Activities (SOFA) and Balance Sheet, the Notes to the Accounts and the Independent Examiner's Report.

FINANCIAL REVIEW

The Well's main sources of income are from the café and charity shop as well as grants and donations. The shop and café income has continued to grow through 2022 and individual donors to The Well have continued to give generously with both financial and food contributions. Without this support and that of the LCC and FiftyFour Two Foundation, The Well could not continue to offer its current level of service.

The charity's funds are invested in accounts with HSBC UK Bank and Market Harborough Building Society.

Approved by the trustees on 6 February 2022 and signed on behalf of the trustees.
