

Eckington Friendship Club

Registered charity number 1166746

Trustees Annual Report 2021-22

The lease of the Friendship Hall to Oaks Community Church continues, and facilitates the use of the Hall by the local community when not needed by club members.

The trustees have been unable to run the Friendship Club since the Covid-19 pandemic. It previously provided activities for older local residents which included bingo, line dancing and a club social evening. All of these previously happened on a weekly basis. The Club also would arrange meals out for its members from time to time.

There are currently 3 trustees still involved with the club; membership has declined in recent years due to the increasing ages of the members and a lack of interest in new membership. The club's funds are all held in one bank account. The club is in the process of closing down and does not intend to reopen in the future. All the funds held will be transferred to like-minded charities in the local area.
