In preparing those financial statements, the trustees are required to

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards and statements of recommended practice have been followed subject to any departures disclosed and explained in the financial statements;and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business.

The trustees are responsible for keeping accounting records which disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the Charities Act 1993. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

## AL ANSAR FOUNDATION

### Independent examiner's report to the trustees of Al Ansar Foundation

I report on the accounts of the charity for the year ended 30 September 2021, (Charity No:1132684) which are set out on this report.

### Respective responsibilities of trustees and examiner

The Charity's trustees are responsible for the preparation of the accounts in accordance with the requirements of Charities Act 2011. ("the Act").

The trustees consider that an audit is not required for this year under section 144 of the Act 2011 and that an independent examination is needed.

It is my responsibility to:

- examine the accounts under section 145 of the Charities Act,
- to follow the procedures laid down in the general Directions given by the Charity Commission under section 145(5)(b) of the Charities Act, and
- to state whether particular matters have come to my attention.

### Basis of independent examiner's report

My examination was carried out in accordance with the general Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from the trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit and consequently no opinion is given as to whether the accounts present a 'true and fair view' and the report is limited to those matters set out in the statement below.

### Independent examiner's statement

In connection with my examination, no matter has come to my attention:

- (1) which gives me reasonable cause to believe that in any material respect the requirements:
  - to keep accounting records in accordance with section 130 of the Charities Act 2011 and
  - to prepare accounts which accord with the accounting records, and comply with the accounting requirements of the Charities Act
  - have not been met or
- (2) to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached

## 1 Accounting policies

### *Basis of preparation*

The accounts have been prepared under the historical cost convention and in accordance with the statement of Recommended Practices: Accounting and reporting by Charities (SORP 2005) issued in March 2005

### *Fund structure*

Unrestricted funds comprise those which are available for use at the discretion of the trustees in the furtherance of the charitable objectives.

Restricted funds are subjected to restrictions on their expenditure imposed by the donor or on the terms of the appeal. In relation to Al Ansar Foundation there were no Restricted funds.

### *Incoming resources*

All incoming resources are included in the Statement of Financial Activities (SoFA) when:

- the charity becomes entitled to the resources;
- the trustees are virtually certain they will receive the resources; and
- the monetary value can be measured with sufficient reliability.

The following specific policies are applied to particular categories of income:

Where incoming resources have related expenditure (as with fundraising or contract income) the incoming resources and related expenditure are reported gross in the SoFA.

Grants and donations are only included in the SoFA when the charity has unconditional entitlement to the resources.

### *Expenditure and liabilities*

Liabilities are recognised as soon as there is a legal or constructive obligation committing the charity to pay out resources.

Cost of generating funds are those cost incurred in attracting voluntary income, or incurred in trading activities undertaken to raise funds.

Charitable expenditure comprises those cost incurred by the charity in the delivery of its activities and services for the beneficiaries. It includes both the direct pay and non-pay and support costs relating to those activities.
