The trustees have put in place key outcomes and outputs for which funds are to be used. All the funds are used to further the charity's objects.

**Independent examiner's report to the Trustees of
ZIA UL ULOOM**

I report on the accounts of the charity for the year ended 30th April 2022, which are set out on pages 9 to 14.

Respective responsibilities of trustees and examiner

The charity's trustees are responsible for the preparation of the accounts. The charity's trustees consider that an audit is not required under section 144(2) of the Charities Act 2011 (the 2011 Act) and that an independent examination is needed.

It is my responsibility:

- a) Examine the accounts (under section 145 of the 2011 Act;
- b) To follow the procedures laid down in the General Directions given by the Charity Commissioners (under section 145(5)(b) of the 2011 Act);
- c) To state whether particular matters have come to my attention.

Basis of independent examiners Report:

My examination was carried out in accordance with the General Directions given by the Charity Commissioners. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently I do not express an audit opinion on the view given by the accounts.

Independent examiner's statement

In connection with my examination, no matter has come to my attention:

(1) Which gives me reasonable cause to believe that in any material respect the requirements:

a) to keep accounting records in accordance with section 140 of the 2011 Act; and b) to prepare accounts which accord with the accounting records and comply with the accounting requirements of the 2011 Act have not been met; or

(2) To which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

Critical accounting judgements and key sources of estimation uncertainty

There are no significant estimates having a material effect on the financial statements.

Income

All income is recognised in the Statement of Financial Activities once the charity has entitlement to the funds, it is probable that the income will be received and the amount can be measured reliably.

Donations

This comprises all incoming resources from donations, grants of general nature provided by other charitable foundations which are not conditional on delivering certain levels of volumes of a service or supply of charitable goods and income from fundraising partners on the basis of that which is remitted to ZIA UL ULOOM in the United Kingdom.

Expenditure

Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the charity to

that expenditure, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all cost related to the category. Where costs cannot be directly attributed to particular headings they have been allocated to activities on a basis consistent with the use of resources.

Grants offered subject to conditions which have not been met at the year end date are noted as a commitment but not accrued as expenditure.

Going concern

POST BALANCE SHEET EVENTS

From February 2022 and subsequent to the financial year end, like all entities in the country the charity has been and will continue to be impacted by the COVID-19 pandemic. The charity has mitigated the financial impact as optimally as it reasonably can. The Trustees have considered the likely financial impact on the charity including the uncertainty over some of the income streams. There will be a negative financial impact in the short-term given the ability to fund raise has been impacted. However public donation have continued and therefore the Trustees consider the charity remains financially viable in the long-term, and consequently have concluded that the going concern basis remains applicable
