STRUCTURE, GOVERNANCE AND MANAGEMENT

Governing document

The Hellenic Educational and Cultural Trust of Finchley is a company limited by guarantee, governed by its Memorandum and Articles of Association dated 10 September 1996 as amended on 6 March 2010. It is registered as a charity with the Charities Commission.

Membership of the company is of three kinds: Ordinary, Associate and Honorary.

a. Ordinary members are by right:

1. Parents or legal guardians of the children who attend classes at the School; and,
2. Parents or legal guardians of children who have graduated from the School, at their request, for a maximum period of 5 years, following their children's graduation.

b. Associate members are at their request and subject to approval by the Committee:

1. Parents or legal guardians of children who have graduated from the School, and
2. Children who have graduated from the School and have attained the age of 18, and
3. Teachers while teaching at the School, and
4. Adults attending classes at the School.

c. Honorary members may be such persons as in the opinion of the committee have greatly benefited the school.

Appointment of Directors/Trustees

As set out in the Articles of Association, the directors/trustees of the company are elected on an annual basis by the members at the annual general meeting and hold office until the next annual general meeting, when they may offer themselves for re-election. All members are circulated with invitations to nominate directors/trustees prior to the annual general meeting and requesting nominations.

Induction and training of new trustees

New trustees undergo an orientation session to brief them of their legal obligations under charity and company law, the content of the Memorandum and Articles of Association, the committee decision making processes and recent financial performance of the company. Directors/trustees are encouraged to attend appropriate external training events, where these will facilitate the understanding of their role.

STRUCTURE, GOVERNANCE AND MANAGEMENT

Organisational structure

The board of directors/trustees, which consists of a maximum of 5 members plus 1 co-opted members, administer the charity. The board meets regularly at least once a month and more frequently if necessary in order to organise forthcoming fund-raising events. The directors/trustees elect amongst themselves the chairman, vice chairman, treasurer and secretary after due consideration of the skills and qualifications of the directors/trustees elected to hold these positions.

Responsibility for the day to day management and operation of the school is delegated by the directors/trustees to the school headmaster, Mr. Michael Ellinas. The Headmaster is responsible for the recruitment of teachers and the management and educational success of the school. The Headmaster attends Committee meetings for the purpose of informing and being informed.

Risk management

The major risks relating to the running and administration of the school have been identified by the directors/trustees and are reviewed regularly. The Company has in place adequate systems accompanied by proper insurance cover which are considered adequate to mitigate these major risks.

The primary risks identified are a possible significant reduction in the number of children and adults attending classes and the inability of charity to generate sufficient income from fundraising to cover its operating costs.

The former is addressed by the continuing efforts of the trustees/directors, with the help and support of teachers and parents, to build up and always maintain the good standing and reputation of the school.

The latter is addressed by the building up of sufficient reserves which would help sustain the operation of the school, in the event that there is a significant reduction in the income from fund raising activities and the constant monitoring of the charity's finances.

OBJECTIVES AND ACTIVITIES

Objectives and activities

The principal objective of the company is to advance the education of children, young people and adults in Greek language, history and culture, particularly, but without prejudice to the generality of the foregoing, by the provision of a school in Finchley.

To achieve the above objective, the company operates the Independent Greek School of Finchley, based at The Compton School, Summers Lane, London, N12 0QG.

Public benefit

The activities of the charity are for the benefit of the public. By achieving its objective, the charity aims primarily to benefit the community of Finchley and the surrounding area where the school operates. No geographical restrictions are imposed for membership of the charity and school attendance. Therefore, the activities of the charity are for the benefit of the public in a much wider area which extends the most of North London and beyond. The directors/trustees have complied with their duty to have due regard to the guidance on public benefit published by the Charity Commission in exercising their powers of duties.

Volunteers

The charity is grateful to all its unpaid volunteers including all directors/trustees, members of the mothers committee and parents and friends of the school. It is not possible to quantify the total number of volunteer hours spent over the past year, however it is certain that the charity could not exist or continue its operations without the invaluable support of all its volunteers.

ACHIEVEMENT AND PERFORMANCE

The Independent Greek School of Finchley has been operating successfully since September 1993 and since September 1996 under the umbrella of the Hellenic Educational and Cultural Trust of Finchley.

At the end of the last academic year which ended in July 2022, there were a total of 160 children (2021: 143) attended classes from nursery to A Level.

FINANCIAL REVIEW

Reserves policy

The directors/trustees regularly review the reserves required to meet known and estimated expenditure for the running of the school.

It is the intention of the Hellenic Educational and Cultural Trust of Finchley to build up a sufficient level of reserve, which would be represented by investments, with a view to provide for the school running costs for a period of one year, without having recourse to tuition fees and fund-raising activities.

Investment powers and policy

The directors/trustees invest any cash surplus the charity has in bank deposit accounts.

FINANCIAL REVIEW

Financial Review

The Accounts, together with explanatory notes summarise the transactions of the charity during the year ended 31 August 2022.

The results for the year are shown on page 7 and the detailed analysis of incoming and expended resources are shown in the accompanying notes to the accounts on pages 10 to 14.

Your attention is drawn to the fact that throughout the existence of the charity, the income generated from Tuition & Registration Fees have been and continue to be significantly lower than the School Running Costs. This operating deficit is usually funded by the income generated from the charity's fundraising activities, without which the charity would have been unable to continue its operations.

In the current year Resources Incoming have surpassed the Resources Expended by £5,450. (2021: 18,346).

Net Operating Deficit generated by the school activities:

	31.08.22	31.08.21
	£	£
Tuition & registration fees receivable	67,917	55,609
School running & governance costs	<u>(93,473)</u>	<u>(71,628)</u>
Net operating deficit before fundraising activities	<u>(25,556)</u>	<u>(19,019)</u>

The directors/trustees are committed to promoting their current fundraising activities and developing new income ideas to generate additional resources so as to fund the deficit generated by the operating activity.

The overall deficit for the year was reduced considerably by the fundraising activities:

	31.08.22	31.08.21
	£	£
Net operating deficit before fundraising activities (as shown in note above)	(25,556)	(19,019)
Net incoming resources from all other activities	<u>31,006</u>	<u>37,365</u>
Net profit/loss for the year	<u>5,450</u>	<u>18,346</u>

FUTURE DEVELOPMENTS

The company plans to continue its activities outlined above in the forthcoming years. The directors/trustees, with the help and support of all members and friends of the school will continue their fundraising activities in order to keep the tuition fees charged as low as possible in the light of ever-increasing costs.

Company law requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charitable company and of the incoming resources and application of resources, including the income and expenditure, of the charitable company for that period. In preparing those financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charity SORP;
