DISASTER AID UK & IRELAND
REPORT OF THE TRUSTEES
FOR THE YEAR ENDED 30TH JUNE 2022

The trustees who are also directors of the charity for the purposes of the Companies Act 2006, present their report with the financial statements of the charity for the year ended 30th June 2022. The trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019).

OBJECTIVES AND ACTIVITIES

Objectives and aims

The principal objective of the company in the year under review was that of providing, on a worldwide basis, humanitarian relief and aid in the form of equipment and materials that provide refuge, potable water and training to people affected by natural and man-made disasters. However, in this year we also provided aid in other forms as mentioned below.

ACHIEVEMENT AND PERFORMANCE

Disaster Aid UK & Ireland continues to be an active Country Partner in Disaster Aid International [DAI]. DAI's other Country Partners are Australia, Brazil, Canada, Czech Republic, India, Malaysia, United States of America, and Uruguay. Each Disaster Aid Country Partner is an independent operation and maintains its own financial independence but works towards the same common aim - to provide quality aid products to the survivors of disasters. The Country Partners may choose to work together in various combinations in some deployments sharing funding and where appropriate manpower.

In the year July 1st 2021 to June 30th 2022, we supported initiatives in Haiti, Brazil, India, and Ukraine. Due to the continued restrictions on travel because of Covid 19, no Disaster Aid Response Team [DART] volunteers were deployed from the UK or Ireland until March 2022. The necessary expertise where appropriate was provided by the other DAI country partners and/or trusted contacts.

Haiti: Following on from a catastrophic earthquake in August 2021, we worked in partnership with Disaster Aid USA and Disaster Aid Canada to supply 50 tents, 2000 mosquito nets and water filters to the survivors. As Covid 19 travel restrictions were still in place at this time the aid was handled and distributed using established trusted partners in Haiti.

Brazil: Working in collaboration with Disaster Aid Brazil we provided a monetary contribution to a project to provide water filters to households in remote areas around the Amazon to allow the provision of safe water.

Kerala, India: In November 2021 the Kootickal region of Kerala was hit by extensive flooding and landslides. We provided water filters which we sourced from within India and distribution was handled by the local Rotary Club of Changanacherry.

Ukraine: Having launched an appeal which was thought initially would help refugees fleeing Ukraine we sent two of our DART volunteers to Romania. After carrying out a needs assessment it showed that the refugees arriving across the border from Ukraine were being well catered for and being quickly and efficiently processed and moved on within 24-48 hours. An urgent need for generators in medical settings however was identified. One generator was sourced from Romania while the team were there, and transport was arranged using a chain of Rotary clubs for it to reach its destination at a hospital in Dnipro. Further generators were sourced and sent into Ukraine after the team were back in the UK.

Use of reserves

Our income during this year continued to be reduced due to Covid 19, as the donors we rely on found it difficult to raise funds themselves. We raised funds for Haiti and Ukraine by running appeals. We remain extremely grateful to all those who generously responded to our appeals. As always though it was the income from the donors who support us over and above our appeals that allowed us to conduct other related aid work and be able to respond quickly when a disaster occurs. Without those donations we would not have had the reserves to finance the work we did in Kerala or Brazil.

STRUCTURE, GOVERNANCE AND MANAGEMENT

Governing document

The charity is controlled by its governing document, a deed of trust, and constitutes a limited company, limited by guarantee, as defined by the Companies Act 2006.

INDEPENDENT EXAMINER'S REPORT TO THE TRUSTEES OF
DISASTER AID UK & IRELAND

Independent examiner's report to the trustees of Disaster Aid UK & Ireland ('the Company')

I report to the charity trustees on my examination of the accounts of the Company for the year ended 30th June 2022.

Responsibilities and basis of report

As the charity's trustees of the Company (and also its directors for the purposes of company law) you are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

Having satisfied myself that the accounts of the Company are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of your charity's accounts as carried out under Section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under Section 145(5) (b) of the 2011 Act.

Independent examiner's statement

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

1. accounting records were not kept in respect of the Company as required by Section 386 of the 2006 Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the accounting requirements of Section 396 of the 2006 Act other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination; or
4. the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities (applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.
