## Trustees' annual report

## Year ended 31 May 2022

The trustees present their report and the unaudited financial statements of the charity for the year ended 31 May 2022.

The financial statements have been prepared in accordance with the accounting policies set out in notes to the accounts and comply with the charity's governing document, the Charities Act 2011 and Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland published in October 2019.

Norfolk NR30 1LS

## Trustees' annual report (continued)

## Year ended 31 May 2022

#### Objectives and activities

#### **Principal activity**

The principal activity of Sunbeams Play is that of an after school and holiday club for 5 to 25 year olds with autistic spectrum disorder or related conditions that will enable them, their siblings and parents to interact with each other through play and social activities. Staff and parents will be able to exchange information and will be signposted to other relevant organisations.

#### Charitable objectives

To promote and protect the physical and mental health of children, young people, adults and their families who live with neurodevelopmental disorders including autistic spectrum disorders, Aspergers syndrome and attention related disorders through providing and promoting appropriate care, support, development and opportunities, education and practical advice.

Sunbeams Play is a registered charity which provides a fun, safe and caring environment for children and young people with a neurodevelopmental disorders (Autistic Spectrum Disorders) to thrive. The charity understands how difficult it can be for these children and young people to engage in mainstream activities due to a variety of social needs and anxieties. At Sunbeams Play they can relax and play in an environment that is suitable for them, alongside or with others who have the same/similar needs. Sunbeams Play is a self-referral centre in Great Yarmouth which aims to provide a safe, understanding and secure setting for children and young people affected by autism and related conditions while offering respite to parents.

#### **Public benefit statement**

The Trustees have had due regard to the Charity Commission's public benefit guidance.

#### Achievements and performance

We purchased a mini-bus using a grant provided through Children In Need which will be used to take small groups on trips and to participate in promotional events.

A young therapy dog has been introduced to support emotional development and encourage interaction. The Labrador puppy is fully insured and inoculated and is cared for by one of the senior management.

We are part of the Norman Lamb Coalition for Young People providing support to children and young people's mental health and well-being enabling us to provide qualified psychotherapy sessions.

#### Groups

The Tuesday youth and Thursday young carers group continued on a weekly basis. The sessions allow them time to relax, discuss worries and to spend time with friends and peers facing similar issues.

The remaining specialist groups were attended on a regular basis with the maximum number being slowly returned to 15 and moving back to 3 to 1 ratio. Despite this we continue to hold a waiting list for all groups.

Following the relaxing of Covid restrictions, we were able to hold a summer trip for over 120, with Christmas being celebrated on the Polar Express with gifts for all.

## Trustees' annual report (continued)

#### Year ended 31 May 2022

#### Achievements and performance (continued)

#### **Support**

Support continued to be provided through phone calls, messaging and emails. Forms and paperwork were completed by emailing 'working documents' and scanning letters for parents to print and sign.

The largest area of support covered was around health and well-being including a listening ear to enable offloading, followed by general advice. Support was also provided around education, housing, benefits, social care, training and employment. During this time over 5,873 contacts were made

We continued to provide, over 967 food packages to our vulnerable families and the fortnightly activity bags continued until September.

#### **Sunbeams Play Setting**

The website continued to be regularly updated with news articles and photos. We continue to run two Facebook pages used regularly by parents to access information and support, the third supported account run by a parent sharing their daughter's journey and posting video clips of her completing the weekly cookery activity for her peers to follow and a fourth sharing the therapy pets journey used to encourage children and young people to carryout daily activities.

Through our reputation we continued to work with a number of organisations providing advice and support:

- · Children's services and Early Help continue to refer families
- We work closely with the police service to ensure children and young people attending are fully aware of the consequences of inappropriate behaviour and that Autism is recognised and understood
- Education Sunbeams provides support and advocacy within 17 local schools, 2 colleges and a training centre
- Local Health clinics Sunbeams provides support and reports for parents
- Attending Family Support Meetings and educational reviews via 'Teams' or 'Zoom'

#### Children/young people

We have continued to gain funding to help those struggling due to financial difficulties enabling them to continue to access sessions and ensure continuity. Needs are identified and personalised plans put in place to monitor, enhance and develop progress, through 'All about me' folders, outcome charts are used to measure children's progress. Information gathered enables us to ensure progress, consistency and quality of provision for our users. Analysis of the data informs the Trustees of business needs for the Centre and shapes our strategic planning.

Partnership working continues through interaction with:

- Norfolk County Council's SEN coordinators to lower EHCP delays
- Parents to gain EHCP, advising on applications and tribunals
- Parents and young people to gain benefits such as Disability Living Allowance and PIP
- Schools and colleges to raise and maintain attendance and to lower behaviour issues
- GP's and clinics to ensure services users are heard

## Trustees' annual report (continued)

#### Year ended 31 May 2022

#### Achievements and performance (continued)

#### Staff

Along with required training staff have continued to access personal development through training opportunities including Safeguarding, First Aid, Food Hygiene and Fire safety. Forest School and Outdoor First Aid is planned for coming year to increase opportunities for trips and outdoor activities. Staff continued to be provided with PPE and were thanked for their hard work with Christmas gifts and packages.

#### Planned reopening

Following on from the phased reopening the Covid policy has been followed by the staff, children and young people. Children/young people's attendance returned to weekly sessions for under 16 year olds.

A 'Covid cleaner' remains in post to deep clean the centre twice a week ensuring all areas are disinfected and safe for all staff and children/young people.

PPE was provided for all staff and children who want to use it, temperatures and details continued to be taken.

#### **Financial review**

Total income amounted to £411,765 (2021: £263,281) and after incurring expenditure of £257,955 (2021: £178,390), the net income amounted to £153,810 (2021: £84,891).

#### Reserves policy

Holding reserves not required for the day-to-day operations is always difficult for smaller charities. The funds we are fortunate enough to raise are most often for a designated purpose, even if that purpose is over an extended time period, say paying for salaries for example. Thus, it is never easy to put "x" months of operating expenses on one side. We believe that tight financial control with a heavy emphasis on weekly cash management and the production of management accounts within two and a half weeks of the month end is vital, together with a heavy focus on the submission and tight monitoring of the progress of grant applications is the most appropriate way to manage our financial position.

The charity had free reserves represented by net current assets in the general fund, of £114,674 at the year-end (2021: £78,933). In addition to this the charity held £128,147 (2021: £42,072) of restricted reserves to be used in accordance with specific restrictions imposed by donors.

The Trustees aim to build reserves to a level of six months operating costs which amounts to approximately £129,000.

#### Plans for future periods

The Trustees plan on continuing running the charity in line with the objectives set out on page 2.

## Trustees' annual report (continued)

## Year ended 31 May 2022

#### Structure, governance and management

#### **Governing document**

Sunbeams Play was formed on 28 May 2013 and is a Charitable Incorporated Organisation governed by the constitution and registered with the Charity Commission (registration number 1152188).

#### **Recruitment and appointment of Trustees**

Apart from the first Trustees, every Trustee must be appointed by a resolution passed at a properly convened meeting of the charity Trustees.

In selecting individuals for appointment as Trustee, the Trustees must have regard to the skills, knowledge and experience needed for the effective administration of the CIO.

#### **Induction and training of Trustees**

All new Trustees will be provided with copies of:

- The Charity's Trust Deed
- The latest accounts of the Charity

New Trustees are encouraged to read the Charity Commission guidance notes The Essential Trustee - "What you need to know, what you need to do".

In addition, Trustees are encouraged to read Charity Commission and other newsletters and to attend courses designed to keep them abreast of their duties and responsibilities including 'Safeguarding for Trustees'.

## Trustees' annual report (continued)

## Year ended 31 May 2022

#### Structure, governance and management (continued)

#### Risk management

The Trustees review the risks of the charity on a regular basis and have implemented policies and procedures to mitigate exposure to these risks. In addition a review of all financial risks is undertaken on a regular basis.

#### Organisational structure

During the financial year, both the two senior executives within Sunbeams serve on the board which normally meets quarterly but has the ability to meet more frequently if required.

The Treasurer and management converse weekly to discuss finances with the finance committee meeting regularly between the full board meetings. In addition, board members continue to receive a broader range of papers believed to be of interest to them and their areas of responsibility in-between formal meetings.

#### True and fair override

The financial statements have been prepared to give a "true and fair" view and have departed from the Charities (Accounts and Reports) Regulations 2008 only to the extent required to provide a "true and fair view". This departure has involved following the Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland issued in October 2019 rather than the Accounting and Reporting by Charities: Statement of Recommended Practice effective from 1 April 2005 which has since been withdrawn.

## Independent examiner

A resolution to reappoint Mark Proctor of Lovewell Blake LLP as independent examiner for the ensuing year will be proposed at the Annual General Meeting.

The trustees' annual report was approved on 1 March 2023 and signed on behalf of the board of trustees by:

Charles Watt Trustee

## Independent examiner's report to the trustees of Sunbeams Play

## Year ended 31 May 2022

I report to the charity trustees on my examination of the financial statements of the charity for the year ended 31 May 2022 which comprise the statement of financial activities, statement of financial position and the related notes.

#### Responsibilities and basis of report

As the charity's trustees you are responsible for the preparation of the financial statements in accordance with the requirements of the Charities Act 2011 ('the Act').

I report in respect of my examination of the charity's financial statements carried out under section 145 of the Act and in carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

#### Independent examiner's statement

Since the charity's gross income exceeded £250,000 your examiner must be a member of a body listed in section 145 of the 2011 Act. I confirm that I am qualified to undertake the examination because I am a member of the Institute of Chartered Accountants in England and Wales (ICAEW), which is one of the listed bodies.

## Independent examiner's report to the trustees of Sunbeams Play (continued)

## Year ended 31 May 2022

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

- 1. accounting records were not kept in respect of the company as required by section 130 of the Act; or
- 2. the financial statements do not accord with those records; or
- 3. the financial statements do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair view' which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

Your attention is drawn to the fact that the charity has prepared the accounts (financial statements) in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) in preference to the Accounting and Reporting by Charities: Statement of Recommended Practice issued on 1 April 2005 which is referred to in the extant regulations but has since been withdrawn. I understand that this has been done in order for the accounts to provide a true and fair view in accordance with the Generally Accepted Accounting Practice effective for reporting periods beginning on or after 1 January 2015.

#### Notes to the financial statements

## Year ended 31 May 2022

#### 1. General information

The charity is a registered charity in England and Wales and is unincorporated. The address of the principal office is 7 Enterprise Court, Gapton Hall Road, Great Yarmouth, Norfolk, NR31 0ND.

#### 2. Statement of compliance

The charity constitutes a public benefit entity as defined by FRS 102. The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland issued in October 2019, the Financial Reporting Standard applicable in the United Kingdom and Republic of Ireland (FRS 102), the Charities Act 2011 and UK Generally Accepted Accounting Practice.

The financial statements have been prepared to give a 'true and fair' view and have departed from the Charities (Accounts and Reports) Regulations 2008 only to the extent required to provide a 'true and fair view'. This departure has involved following the Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland issued in October 2019 rather than the Accounting and Reporting by Charities: Statement of Recommended Practice effective from 1 April 2005 which has since been withdrawn.

#### 3. Accounting policies

#### **Basis of preparation**

The financial statements have been prepared on the historical cost basis, as modified by the revaluation of certain financial assets and liabilities and investment properties measured at fair value through income or expenditure.

The financial statements are prepared in sterling, which is the functional currency of the entity.

#### Going concern

The Trustees and the team at Sunbeams Play have continues to make good progress over the current year covered by these accounts. We continue to put forward robust and well thought through requests for grants and have a continued good response. For the reasons set out above the Trustees continue to adopt the going concern basis in the preparation of these accounts.

The Trustees have taken into account the effects of Covid-19 in making this assessment.

## **Fund accounting**

Unrestricted funds are available for use at the discretion of the trustees to further any of the charity's purposes.

Restricted funds are subjected to restrictions on their expenditure declared by the donor or through the terms of an appeal, and fall into one of two sub-classes: restricted income funds or endowment funds.

#### Notes to the financial statements (continued)

#### Year ended 31 May 2022

#### 3. Accounting policies (continued)

#### Income

All income is included in the statement of financial activities when entitlement has passed to the charity, it is probable that the economic benefits associated with the transaction will flow to the charity and the amount can be reliably measured. The following specific policies are applied to particular categories of income:

- income from donations or grants is recognised when there is evidence of entitlement to the gift, receipt is probable and its amount can be measured reliably.
- income from donated goods is measured at the fair value of the goods unless this is impractical
  to measure reliably, in which case the value is derived from the cost to the donor or the
  estimated resale value. Donated facilities and services are recognised in the accounts when
  received if the value can be reliably measured. No amounts are included for the contribution of
  general volunteers.

#### **Expenditure**

Expenditure is recognised on an accruals basis as a liability is incurred. Expenditure includes any VAT which cannot be fully recovered, and is classified under headings of the statement of financial activities to which it relates:

expenditure on charitable activities includes all costs incurred by a charity in undertaking
activities that further its charitable aims for the benefit of its beneficiaries, including those
support costs and costs relating to the governance of the charity apportioned to charitable
activities.

#### Operating leases

Lease payments are recognised as an expense over the lease term on a straight-line basis. The aggregate benefit of lease incentives is recognised as a reduction to expense over the lease term, on a straight-line basis.

#### Tangible assets

Tangible assets are initially recorded at cost, and subsequently stated at cost less any accumulated depreciation and impairment losses. Any tangible assets carried at revalued amounts are recorded at the fair value at the date of revaluation less any subsequent accumulated depreciation and subsequent accumulated impairment losses.

An increase in the carrying amount of an asset as a result of a revaluation, is recognised in other recognised gains and losses, unless it reverses a charge for impairment that has previously been recognised as expenditure within the statement of financial activities. A decrease in the carrying amount of an asset as a result of revaluation, is recognised in other recognised gains and losses, except to which it offsets any previous revaluation gain, in which case the loss is shown within other recognised gains and losses on the statement of financial activities.

#### Depreciation

Depreciation is calculated so as to write off the cost or valuation of an asset, less its residual value, over the useful economic life of that asset as follows:

Fixtures and fittings - 33% & 11% Straight line
Motor vehicles - 20% Straight line
Equipment - 33% & 20% Straight line

#### Notes to the financial statements (continued)

#### Year ended 31 May 2022

#### 3. Accounting policies (continued)

#### Impairment of fixed assets

A review for indicators of impairment is carried out at each reporting date, with the recoverable amount being estimated where such indicators exist. Where the carrying value exceeds the recoverable amount, the asset is impaired accordingly. Prior impairments are also reviewed for possible reversal at each reporting date.

For the purposes of impairment testing, when it is not possible to estimate the recoverable amount of an individual asset, an estimate is made of the recoverable amount of the cash-generating unit to which the asset belongs. The cash-generating unit is the smallest identifiable group of assets that includes the asset and generates cash inflows that largely independent of the cash inflows from other assets or groups of assets.

For impairment testing of goodwill, the goodwill acquired in a business combination is, from the acquisition date, allocated to each of the cash-generating units that are expected to benefit from the synergies of the combination, irrespective of whether other assets or liabilities of the charity are assigned to those units.

#### **Financial instruments**

A financial asset or a financial liability is recognised only when the entity becomes a party to the contractual provisions of the instrument.

Basic financial instruments are initially recognised at the amount receivable or payable including any related transaction costs, unless the arrangement constitutes a financing transaction, where it is recognised at the present value of the future payments discounted at a market rate of interest for a similar debt instrument.

Current assets and current liabilities are subsequently measured at the cash or other consideration expected to be paid or received and not discounted.

Debt instruments are subsequently measured at amortised cost.

#### **Defined contribution plans**

Contributions to defined contribution plans are recognised as an expense in the period in which the related service is provided. Prepaid contributions are recognised as an asset to the extent that the prepayment will lead to a reduction in future payments or a cash refund. When contributions are not expected to be settled wholly within 12 months of the end of the reporting date in which the employees render the related service, the liability is measured on a discounted present value basis. The unwinding of the discount is recognised as an expense in the period in which it arises.
