Achievements and Performance

The year starting 01 April 2020 to 31 March 2021 was our 2nd period as a charity operation. Emergency Food Boxes were supplied to the residents of Newton Aycliffe and surrounding areas. Junction 7 Foodbank is undergoing a significant level of growth since its inception in September 2019 and is therefore now in a period of development.

A funding and communications team has been set up to ensure effective communications with both volunteers and the public and work thus far includes an active Facebook page, and regular, high-quality Newsletters and local Newspaper adverts.

Food donations have been given generously by the people of Newton Aycliffe and surrounding areas, as well as collected surplus food from various supermarkets which exceeded over 148 tons in the period from 01 April 2020 to 31 March 2021.

A total of 2,868 people were fed in this period. Of these 1,423 were adults and 1,445 children. We have also seen increase of 25% increase towards the end of March 31, 2021, due to Covid 19. The supermarket surplus would have gone to Landfill if Junction 7 had not collected.

Several funding partners supplied funding to cover the increase in demand of the Foodbank due to Covid and we also received funding for a refrigerated vehicle these are detailed in our financial statements. The Trustees are grateful to all individuals and organisations who have given financially, as the operation of the Foodbank requires income to cover running expenses for the ambient food. Junction 7 supplied over 2500 crisis food parcels made from ambient food through this period

Junction 7 is registered with the Information Commissioner's Office (ICO) and has taken steps to ensure that it is fully compliant with the terms of the General Data Protection Regulations. We also obtained a Waste Carriers Licence and received a Level 5 from The Food Standards Agency.

Future

Mr Simon Day, Chairman

This year marks the 2nd year of operation for Junction 7. Over this period, we have seen a growth in Junction 7 with the support of Livin Housing one of our Local Authorities for the use of Two of their buildings the (ARK Newton Aycliffe). All group work was shut down due to the pandemic and Junction 7 had to recruit more volunteers to deliver and collect food from various outlets.

This reflects our increased community responsibility to serve those unfortunate enough to require the provision of emergency food supplies. Especially with the onset of Covid 19 from the 1st Lockdown on March 19th to March 2021 we have seen an increased need for our service with 25% more clients requesting emergency food.

The Trustees have agreed a Three-Year Plan with the following objectives:

- 1. To seek to ameliorate the impact of the Pandemic on our clients
- 2. To increase the amount of food donated via Supermarket collections
- 3. To work with other agencies to ensure families with children on free school meals receive enough food during school holidays and develop a School Holiday Activity Programme.
- 4. To increase the availability of different items for example fresh food, frozen food and bread via our Foodbank and Community Fridge
- 5. To increase the number of Agencies to assist with referrals.
- 6. To seek to identify within the next year, the extent of unmet need in the outlying areas of Newton Aycliffe and surrounding areas.
- 7. To ensure Volunteers are confident in their ability to signpost clients appropriately
- 8. To ensure Volunteers are confident in dealing with Safeguarding, awkward clients and IT issues
- 9. To develop a Business Continuity Plan for Junction 7
- 10. To ensure that Junction7 has enough Volunteers with appropriate skills and knowledge to carry out its core functions.
- 11. To investigate and introduce Funding opportunities.

Mindful of the time commitment of key members of Junction 7 we have investigated the possibility of employing key staff. The Trustees have concluded that for the present we will not be pursuing this line. We are exploring the options of using a management company to develop our Anti Human Trafficking and modern slavery accommodation department.

Financially, thanks in no small way to the generosity of our regular funders and donors, we are currently secure. We continue to be mindful of our vulnerability in these times of increasing austerity and other conflicting demands on the generosity of the public. We remain grateful to the local people and supermarkets who have supported the Foodbank and community fridge projects by donating almost 148 metric tons of food in this period. In addition, we are grateful to the increasing number of local food supply businesses who are involved in the various pilot schemes to supply fresh produce and hot food to our clients. My personal thanks to all of them.

Finally, having been with Junction 7 since its inception and Chair of Trustees for this period. It has been a pleasure to be involved with Junction 7 to help to successfully develop what will be a thriving and sadly, necessary Charity. The success of the Junction 7 would simply not be possible without the tireless effort of my fellow Trustees and the large number of Volunteers that make Junction 7 the success it is. Thank you all.

We are very fortunate to have wonderful financial support from local people and organisations.

Some of our financial well-being has been the result of the generosity of a small number of donors but it is now clear that this will reduce in future. We will become more dependent on our regular funding, and sponsorship.

Our new Barclays Bank charity account is working well. We are taking initiatives to increase and improve the support given to local people in need and we expect to cover the costs of these from our current resources and future funding.

The Trustees have continued with their policy of prudence and fairness in managing the financial affairs of Junction 7 and intend to continue in that vein for the indefinite future.

A professional Independent Examination is now required for our Accounts since the income of the charity has risen above the threshold level prescribed by The Charity Commission.

Reserves Policy

The Trustees of Junction 7 seek to maintain adequate reserves to ensure that all reasonable day-to-day running costs can be met as and when they fall due, recognising the basic financial principle that the Board of Trustees is responsible for ensuring that solvency is maintained. 'Adequate reserves' is deemed to be sufficient funding for 3 months' of normal expenditure.
