

Trustees' Annual Report for the period

1st January 2022 to 31st December 2022

Charity name: Hereford Allotments and Leisure Gardeners (HALGS)

Charity registration number: 1185338

Objectives and Activities

Summary of the purposes of the charity as set out in its governing document

To further or benefit the residents of Hereford and surrounding neighbourhood, without distinction of gender, sexual orientation, race or of political, religious or other opinions by providing allotment facilities in the interests of social welfare for recreation and leisure time occupation with the objective of improving the conditions of life for the residents.

Summary of the main activities in relation to those purposes for the public benefit, in particular, the activities, projects or services identified in the accounts.

To provide an effective administration system for the allotments it manages, including letting, rent collection and waiting list management. This will ensure that allotment plots are kept in good condition and sites are well managed, to promote wellbeing amongst its members.

To balance income and expenditure to ensure financial sustainability.

To publicise the availability of allotments and promote allotments as a leisure activity via the website.

To improve the knowledge and skills of plot holders to better use and manage their allotments and be environmentally and wild life friendly.

To operate in a transparent and open way and ensuring that allotments are let and managed in an equitable way, in accordance with any legislation.

Statement confirming whether the trustees have had regard to the guidance issued by the Charity Commission on public benefit.

The trustees consider they have complied with their required duties and have due regard to the public guidance published by the Charity Commission.

Structure, Governance and Operational Management

Our governing document is our constitution, we are a Charitable Incorporated Organisation (CIO).

We hold monthly meetings (except December) for site representatives to discuss their monthly reports and any issues on sites with the trustees.

A third of the longest standing trustees stand down at the AGM and can stand for re-election, if they wish.

Trustees can be anyone with an interest in allotments and their promotion in Hereford, but are generally allotmenters.

The HALGS tenancy agreement, rules, terms and conditions can be found on the website www.herefordallotments.co.uk

Administration and Operational Management

This is on a voluntary basis undertaken by trustees. The main areas are finance, letting of plots and communication with plot holders. Trustees also have contact with the City Council who are responsible for some aspects of the allotments.

The different sites are managed through site representatives who deal with practical matters on each site and report any concerns to the trustees.

Mr Andrew Colby resigned at the AGM 2022, due to work commitments, the trustees thank him for his contributions.

Mr Nigel Davies was up for re-election at the AGM 2022 and was not re-instated.

Ms Natasha Bennett, Mrs Pauline Shannon and Mr Malcolm Watkins were appointed Trustees during 2023.

We provide insurance to cover our buildings and equipment.

Following the successful instalment of a Compost Toilet on Corporation Farm allotment earlier in the year by volunteers, we installed Compost Toilets at Rockfield Road allotment and Holmer allotment. We thank the City Council for meeting half the costs of these projects.

All available plots were let over the year, however in December some plots have become vacant.

We maintain membership of the National Association of Allotment and Leisure Gardeners, making use of their legal and other advice, also the benefit of seed ordering from Kings for a reduced cost.

Our Drybridge site welcomed a class of junior school children in September 2022. They tasted and identified vegetables, learning about how food is grown.

We have applied to the FCA in October 2022 to cancel the registration held by the Hereford Allotments and Leisure Gardeners Society Ltd. This is following our transfer to a Charitable Incorporated Organisation (CIO) in January 2020.

Future Plans

To lease the allotment sites from the council.

To increase the number of sites around the city.

To extend compost toilets to more sites.

Financial Review

Our income for the year from rents and a small Hereford City Council grant amounted to £26,469 and our expenditure was £29,318. The loss for the year of £2,849 was anticipated with the cost of the compost toilets.

At 31st December 2022 our reserves total £45,619

Water costs reflect the estimated readings from 2021 and it is hoped that the extra IBC's on some sites will reduce this for next year. We would encourage plot holders to collect and use their own water from their sheds and structures.

Site maintenance costs continue to be challenging. We have had hedge and grass cutting expenses that were previously paid by the City Council.

Rubbish removal from sites has also proved expensive.

Full details of income and expenditure are in the attached accounts.

We will continue to keep a minimum of one year's income (£23,000) for unexpected costs and to ensure we have sufficient starting capital from when we take on the lease form the council.
