

SIGHTBOX TRUST

Report and Financial Accounts

Year ending 1st August 2022

Charity Number 1178659

The trustees present their annual report and financial accounts for the charity for the year ending 1st August 2022.

Structure Governance and management.

Constitution adopted in 2018

The trustees are appointed or reappointed at a meeting held at the end of the year.

Sightbox Trust is a charity working with blind and visually impaired children in the UK and around the world. We make sure that no one is left alone to work with these children without having a DBS certificate

Objectives and activities

The objectives are to make sure that visually impaired and blind children are included in society especially in education. Sightbox allows this to happen and mobility, confidence, independence and team building is strengthened with the educational tools for Sightbox.

Simple items like a running tether, parachute canopy, various balls with bells in, boccia with grid allow all of this to happen.

Achievements and performances

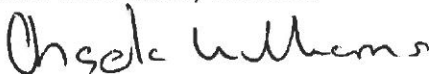

Sightbox is slowly beginning to strengthen after the pandemic. During the year boxes have been sent to different countries around the world with lesson plans in to get the children started. Follow-up calls have taken place to get a good feedback of what the children have achieved. Many photos are sent over as well. Simple items used as educational tools can really make a difference in changing the lives of the visually impaired.

We are so grateful to everyone who continues to support us in reaching out and allowing Sightbox to achieve what it is set out to do.

Declaration

The trustees declare that they have approved the trustees' report above.

Signed on behalf of the charity's trustees
