# South Essex Circuit TRUSTEES' ANNUAL REPORT

#### FOR THE YEAR ENDED 31 AUGUST 2022

#### Introduction

This is the Trustees' Annual Report for the Methodist Church of South Essex Circuit covering the north part of the Thames Estuary from Basildon in the east to Grays in the west taking in Billericay in the northern part of the circuit.

The Methodist church South Essex Circuit is responsible for the ministerial oversight and pastoral care of ten churches in the circuit; the support of a ministry team of three presbyter Ministers, one full time lay employee and one part time lay employee and the maintenance of four circuit manses.

#### Aims and organisation

The South Essex Circuit is part of the Methodist Church and is committed to sharing the good news of Jesus Christ in word and action.

The Circuit's role is to ensure the effective use of its resources to further the four dimensions of 'Our Calling' as Methodists.

Worship - to increase awareness of God's presence and to celebrate God's love;

Service – to be good neighbours to people in need and to challenge injustice;

Evangelism - to make more followers of Jesus;

Learning and Caring – to help people to learn and grow in faith through mutual support and care.

The Circuit caring policy is to:

Encourage everyone in our churches to care for one another, and maintain an established pastoral system where church members work in conjunction with staff.

Make it a requirement for an annual review of Safeguarding Policies and ensure necessary DBS checks are made and training attended.

Encourage churches to work alongside other agencies, as well as ecumenically to seek to alleviate social needs locally identified.

Be sensitive to people of other faiths and to face the challenge of being open to dialogue with them (emphasising what we have in common, rather than solely focussing on those issues on which we differ).

#### **Family Ministry**

Encourage and equip volunteers and leaders to build each church into a community for all generations.

Encourage and nurture relationships between God, church and families.

Nurture relationships across age groups within church.

Facilitate links between the church, families, the wider community and other organisations through outreach and church-based events including worship.

#### Hospitality

Encourage local churches to extend Christ-like hospitality and practice an active and generous love.

Invite, welcome, receive and care for those who are 'strangers', so they may find a spiritual home and the richness of Christ in our churches.

Express God's invitation to others.

Pray, plan, prepare and work toward helping others to receive Christ.

#### Inclusivity

Encourage and facilitate a sense of belonging together as one in the Body of Christ.

Acknowledge the uniqueness of individuals and foster inclusivity.

Encourage mutual concern, goodwill and respect for others regardless of ethnicity, gender, sexual orientation, marital status, age, disability or opinion.

Acknowledge Christians hold different views on issues including faith and life-style, and encourage all exchanges of opinion to be within a framework of mutual respect, prayerfulness, grace and honesty.

Challenge discrimination and injustice.

#### **Working Together**

Encourage openness to change and a willingness to receive the talents of others.

Encourage people within church to work together as effectively as possible.

To be conscious and considerate of the well-being needs of those who serve/work in our churches: volunteers, lay workers, ordained ministers.

# **Business and Resources Policy (People)**

The Circuit policy is to:

Maintain effective oversight of churches through the grouped responsibilities of staff and the location of manses.

Develop and support its ministerial staff and lay workers, who meet regularly for mutual support, encouragement and conversation about Circuit and church issues.

Train and authorise local preachers and worship leaders, who, together with ordained ministers, have the primary role in leading the worshipping life of the churches.

Seek appropriate people to join the Leadership Team as Circuit Stewards, offer induction and encouragement to take an interest in particular aspects of Circuit work.

# Business and Resources Policy (Buildings)

The Circuit will:

Maintain and improve, where appropriate, those manses for which it is responsible.

Continue the independent quinquennial inspections of all Circuit property, supported by annual physical inspections by the relevant stewards, and will maintain a list of relevant maintenance and professional agencies.

Require churches to comply with the Safeguarding and Equality legislation and Connexional policy.

Require churches comply with current buildings Health and Safety legislation and undertake Annual Risk Assessments.

Seek to support and give advice on the improvement and maintenance of church premises.

Seek to support and provide resources towards energy efficiency, health and safety, accessibility and property improvements for outreach.

# **Business and Resources Policy (Finance)**

The Circuit policy is to:

Encourage each church to maximise the use of regular, tax-efficient giving.

Consider and approve an annual budget, together with two forecast years.

Consider and review future Circuit finance.

Consider and approve the annual church contributions, in the knowledge that giving is one response we can make to God's constant love.

# **Business and Resources Policy (Business)**

The Circuit policy is to:

Plan and discharge its responsibilities in an efficient and effective manner.

Encourage churches to plan and discharge their responsibilities efficiently and effectively.

#### Review of the year

The Circuit has provided support to all ten churches to comply with the above policy by encouraging training, financing scheme to encourage outreach and maintaining church buildings

In February a reserves policy is drawn up for discussion in the circuit leadership team for the next connexional year and approved at the February Circuit Meeting. This gives us a vision of what we plan to do in the next year. In addition we also prepare a budget. We are happy to report for 2021/22 that there were no major differences between actual and budgeted figures.

## Income trends

Circuit income is primarily drawn from the assessment paid by the circuit churches.

Interest from accounts held with recognised Banks and Central Finance Board.

We have investments valued at £309,520.00 which generated dividends. This investment is re-valued each year and the movement is in included in the financial statements. £80,000 worth of investment were sold during the year to finance the maintence of the manses

The rental income relates to the rental of Meadow Rise Billericay a redundant manse.

#### **Expenditure trends**

Stipend expenditure has increased each financial year in line with conference approved increases.

17.47% of expenditure is the Circuit contribution to the District and Connexion, of which a significant part is used to fund the work of the wider Methodist Church.

The other expenditure in the General fund is in respect of living expenses of the ordained employees and reimbursement of various expenses incurred in carrying out their duties.

#### Fund balances

The current assets of the circuit equal £103,058 and represents a general reserve to cover six months of expenditure and the balance is allocated to specified reserves which are detailed later in this report.

## Plans for 2022/23

Circuit financial plans for the coming year have been prepared on the basis that there remains 3 full time ordained staff with anticipated cost of living stipend increases combined with an increase in the assessment paid to the district such that I have not requested an increase in the assessment from the circuit churches.

### Safeguarding

Every person has a value and dignity which comes directly from the creation of male and female in God's own image and likeness. Christians see this potential as fulfilled by God's re-creation of us in Christ. Among other things this implies a duty to value all people as bearing the image of God and therefore to protect them from harm.

Methodist Connexional practice outlines commitment to the following principles:

- the care and nurture of, and respectful pastoral ministry with, all children, young people and adults
- the safeguarding and protection of all children, young people and adults when they are vulnerable
- the establishing of safe, caring communities which provide a loving environment where there is informed vigilance as to the dangers of abuse.
- We will carefully select and train all those with any responsibility within the Church, in line with Safer Recruitment principles, including the use of criminal records disclosures and registration with the relevant vetting and barring schemes.
- We will respond without delay to every complaint made which suggests that an adult, child or young person may have been harmed, cooperating with the police and local authority in any investigation.
- We will seek to work with anyone who has suffered abuse, developing with them an appropriate ministry of informed pastoral care.
- We will seek to challenge any abuse of power, especially by anyone in a position of trust.
- We will seek to offer pastoral care and support, including supervision and referral to the proper authorities, to any member of our church community known to have offended against a child, young person or vulnerable adult.
- In all these principles we will follow legislation, guidance and recognised good practice

The South Essex Circuit commits itself to ensuring the implementation of Connexional Safeguarding Policy; government legislation, guidance and safe practice in the circuit and in the churches.

The South Essex Circuit commits itself to the provision of support, advice and training for lay and ordained people that will ensure people are clear and confident about their roles and responsibilities in safeguarding and promoting the welfare of children and adults who may be vulnerable.

# 1. Basis of accounting and accounting policies

# I Accounting standard

The financial statements have been prepared in accordance with the Accounting and Reporting by Charities Statement of Recommended Practice (SORP) applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) effective from 1 January 2015 - (Charities SORP FRS 102)

# ii Public benefit entry

The Methodist Church South Essex Circuit meets the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy note(s) below.

#### iii Basis

These accounts have been prepared on the basis of historical cost except that investments (including properties) are shown at their market value at the end of each year. The accruals basis has been used and trustees present accounts that show a true and fair view of the Circuit's financial position and activities.

#### iv Content

The financial information presented is relevant, reliable, comparable and complete. Where estimates are used these are based on experience, research and judgement. The accounts are expressed in £ sterling, rounded to the nearest pound.

#### V FRS102 SORP 2015

These accounts are compliant with FRS102 and with FRS102 SORP. The accounts have been prepared in accordance with applicable charity law in England, this being the Charites Act 2011 and SI 2008/629 (Charites accounting and Reporting Regulations) and, pending the making of replacement Regulations specific top SORP 2015inaccoridance with Reg.8 (4) (d) of SI 2008/629, the Charity trustees have departed from the requirements of Reg.8 (5) by following SORP (FRS102) instead of SORP 2005 to extent necessary to give a true and fair view in the Circumstance.

# Vi Going Concern

Based on the monetary assets and human resources available at 31st August 2022, the trustees believe that the Circuit is a going concern.

#### Vii Consolidation

The Circuit has denominational regulatory oversight in respect of work of the Churches within the Circuit but has no legal or operational control of these churches and their governing bodies except in extreme circumstance. For this reason. The financial statements of Churches within the Circuit are not consolidated into these financial statements.

### Viii Income recognition

Income is brought into accounts when there is entitlement and the amount is reliably measurable once it is more likely than not that the economic benefit of the income will be forthcoming. Individual amounts categorised as Other Income in the SOFA will be shown separately if they are considered material.

The Circuit acts as an agent in two matters:-

- The Collection from churches and payments over of their contributions to various funds controlled and administrated by the Methodist Church-"Connexional Funds"
- The Administration (application, collection and disbursement) of grants requested by Churches within the Circuit from. But not limited to, the District and Connexion.

In all these matters the transactions are not reflected in the SOFA because they are income of either the Connexion or Churches as appropriate. Instead the transactions are disclosed in the notes to the Accounts as required by SORP (FRS 102) module 19, 12.

In accordance with the Charities SORP (FRS102), the time of volunteers is not recognised. Further information on this matter is provided in the Trustees' Annual Report. If goods are donated, a value will be shown in the SOFA or Notes where the value is considered material.

#### ix Expenditure

This is Recognised when a liability is incurred, or a constructive obligation arises, where the amount is reliably measurable and it is considered more likely than not that there will be an outflow of economic benefit.

#### X Grants

Grants made by the Circuit from its own funds are recognised in full at the time of agreement to make the grant without performance conditions or as and when the circuit accepts that there is a legal or operational obligation to make the payment if it is subject to performance conditions. When the grant to be accrued is recurrent over more than one year the balance payable in future years, discounted to net present value where the difference is material is treated as a provision being released in future years in accordance with the originally agreed terms. In the cases where the grant has been charged to one fund but for ease of payment has been transferred to another fund any future payment provision is applied to the fund from which the grant will ultimately be paid.

#### Xi VAT

Since the circuit is not VAT registered, all input VAT is charged with the expenses to which it refers.

## Xii Tangible Fixed Assets

These are capitalised if they can be used for more than one year, and individually cost at least £1,000.

The freehold residential properties are shown in the accounts at the revalued amount or cost if purchased within last two years. The properties were revalued at 1<sup>st</sup> September 2020, and represented the properties' market value resulting from a professional valuation undertaken by Smith Lachter. No depreciation is being provided because the trustees consider the current residual value of the properties in their present condition to be not less than the historical cost and, in the absence of any impairment, any depreciation provision for the buildings component of the properties would be immaterial. The Circuit has made use of the deemed cost option on transitioning to FRS102 as outlined above.

# Xiii Investment Property

From time to time the Circuit may hold residential property (formerly manses) which is surplus to its normal staffing requirements. Where this is the case and it anticipated that the property is unlikely to be used as a manse within a periods of two years, the property is classified as investment property (whether let or not) and any lets are at market rates unless there is a compelling reasons not to do so in furtherance of the Circuit's charitable objectives.

# Xiv Receivables and payables: Bank and Cash (basic Financial Instruments)

Debtors are stated at the amounts owed to the Circuit or prepaid. Creditors are initially recognised at settlement amount after any trade discounts, where normal credit terms apply. Or the amount advanced to the Circuit. Subsequently creditors that are current liabilities are measured at the cash or other consideration expected to be paid. The liquid funds of bank balances and deposit fund balances are shown at their reasonable values.

#### Xv Methodist Connexional Funds

The Methodist Church Connexion raises assessments against each Circuit and these are paid quarterly to their Districts. The Circuits raise assessments against Churches in the Circuit. The District remits quarterly to the Methodist Church Fund most of the sum it receives from Circuits. A small sum is retained by the District to meet its own costs. The Circuit may act as an agent for ad hoc collections for various funds controlled and administrated by the Methodist Church.

#### Xvi Funds

The Trustees have adopted a policy for all unrestricted reserves which is attached as a separate document.

#### Xvii Minsters' manse costs

The Circuit is required to provide accommodation for each minister and pastor in the Circuit and their families and this is seen as a benefit to the Church. Minister and pastors are expected to occupy the manse provided for them. The Circuit bears the cost of the repairs, maintenance, buildings insurance, council tax and water charges. These figures are not separately disclosed as benefits-in-kind for minsters or pastors as HMRC does not seek to tax these receipts in the hand of them.

## 6. Assessments on Churches

The Circuit comprises 9 Churches and each is assessed for a contribution to meet the overall net costs of the Circuit. In making its Assessment budgeted income from investment income including property letting, and conformed external grants are taken into account. The Circuit aims to cover all its net core costs from the assessment.

The assessment on Churches is determined annually and is based upon the purchase of shares being equal to £250.00 for each share. The Churches voluntary to buy the shares but are requested to consider the Circuit requirements and their own churches finances. The assessment is paid on a quarterly basis in advance and is treated as creditors in the Balance Sheet.

# Pension

All presbyters are members of the Methodist Ministers Pension Scheme (MMPS). This is a defined benefit scheme. The Supreme Court held in 2014 stated that Methodist Ministers (which term includes presbyters) are not employees of the

Church. For simplicity, however, when dealing with National Insurance Contributions and pension contributions, the terms 'employer' and 'employee' are used as they would be in an employing body.

Lay employees are contractually employees and have the option of joining a pension scheme which the circuit has arranged with Nest Pensions. This is a defined benefit scheme and the circuit contributes as employer to the scheme.

The Connexional accounts for both pensions' schemes show the figure in the annual Methodist Church in Great Britain accounts. The MMPS is in deficit but a plan for removal of this deficit has been proposed and is being implemented.

## 7. Costs of Superintendents, Presbyters and Trustees

The Superintendent of the Circuit, the Presbyters and the remaining members of the CLT are considered as Key Management Personal. The Superintendent chairs meeting of the CLT and Circuit Meetings. The members of the Circuit meeting are the trustees of the Circuit. The stipends, employers NIC and employer's pension contributions and other expenses of the Presbyters of the Circuit are paid by the Circuit.

The manses are provided by the Circuit and the Circuit maintains the property. The value of the Council Tax and water charges paid by the Circuit is not disclosed here as HMRC does not regard this as a benefit in kind in the hands of the minister.

### Payments to Trustees

The Circuit policy is to reimburse members of the CLT and other trustees for expenditure properly incurred in carrying out their duties, including where appropriate travelling expenses, or where they have been requested to undertake certain activities for the Circuit. The Superintendent Minister and other presbyters undertake the primary executive roles within the Circuit. None of the trustees is an employee of the Circuit nor was in receipt of any payment for work undertaken on behalf of the Circuit other than reimbursements of appropriate expenses.
