Objectives and Activities

Summary of the purposes of the charity as set out in its governing document	Taban was set up to provide practical support to asylum seekers and refugees, furthering voluntary work by its participating churches with predominantly Farsi-speaking communities.
Summary of the main activities in relation to those purposes for the public benefit, in particular, the activities, projects or services identified in the accounts.	Taban provides individual support and guidance in areas including access to legal support, interactions with GP's and the NHS, housing, access to work, both voluntary and paid, education and training – including signposting to other organisations.
Statement confirming whether the trustees have had regard to the guidance issued by the Charity Commission on public benefit	The trustees oversee the work of the charity in such a way as to ensure it provides public benefit as set out in Charity Commission guidance.
Policy on grant making	Taban does not make grants or investments of any kind.
Contribution made by volunteers	Taban is heavily reliant on volunteers in the fulfilment of its objectives, not least its team of trustees.

Achievements and Performance

<p>Summary of the main achievements of the charity, identifying the difference the charity's work has made to the circumstances of its beneficiaries and any wider benefits to society as a whole.</p>	<p>Over this period, Taban continued to raise funds to cover its planned expenses for an initial 3-year period. Mojgan Bakhtiary has continued across the year in the role of Development Manager.</p> <p>Over the period Taban supported 185 clients with a range of issues, with a total of 2,510 contact points.</p>
<p>Achievements against objectives set</p>	<p>The trustees are delighted with progress made in the second year of operation of the charity. Taban has continued to develop its work, providing support to an increasing number of clients, swell as building on its partnerships with other charities and institutions.</p>

Financial Review

<p>Review of the charity's financial position at the end of the period</p>	<p>Taban's financial position is secure. A combination of funds in hand and commitments from donors are sufficient to cover the next 12 months expenses and a proportion of the anticipated expenses for a further year.</p>
<p>Statement explaining the policy for holding reserves stating why they are held</p>	<p>Taban holds cash reserves against its spending commitments and in line with budgets against which donors have provided support.</p>
<p>Amount of reserves held</p>	<p>The Chair of Trustees and the Treasurer monitor current and forecast cash flows to ensure that Taban has the funding it needs to continue as a going concern. The Trustees have set a minimum reserves policy as follows:</p> <ol style="list-style-type: none"> 1. A minimum reserve will be maintained sufficient to cover 4 months monthly costs., principally costs related to our employee but also accounting costs, plus any costs of winding up the charity. This is to allow one month to plan and agree a wind-down and then give 3 month's notice to employees (our current employee has a notice period of one month). 2. Should we take on any further contractual commitments (for example renting premises), the minimum reserve will be adjusted to make sure we remain able to meet all liabilities on a wind-down.

	3. Where taking on a new employee, we will only do so if we have an additional reserve sufficient to pay them for 12 months (including the 3 months provided above).
The charity's principal sources of funds (including any fundraising)	We are grateful to the Diocese of Manchester, which has provided a significant grant, over a 3 year period, to Taban and without which we would not have been able to develop the charity in the way we have. We are also grateful to our private donors who have added their support to enable us to reach our fundraising objectives.
