STRUCTURE, GOVERNANCE AND MANAGEMENT

The charity, a Charitable Incorporated Organisation (CIO) is governed by its Articles and Constitution.

The management of the charity is vested in the trustees of the charity. The only members of the CIO are those persons who are appointed as trustees of the CIO, and all persons appointed as trustees are admitted as members.

The major risks to which the charity is exposed, as identified by the trustees, have been reviewed and systems and/or procedures have been established to manage them.

OBJECTIVES AND ACTIVITIES

The objectives of the charity are the advancement of health and saving of lives including the provision of items, services and facilities to ease the suffering or assist the recovery of people who are sick, convalescent, disabled or infirm or to provide comforts for patients.

FINANCIAL REVIEW

During our second year of operation, we have been able to build on the initial set up of operations and test campaigns and fine tuning our marketing in order to continue to efficiently and effectively raise funds for regional hospitals

ANNUAL REPORT OF THE TRUSTEES
for the year from 1st September 2021 to 31st August 2022

Having previously been affected by the pandemic, we have since stepped up our fundraising campaigns during our third year of operation and made donations to hospitals across the regions of the East Midlands, Midlands, North West, South East and Yorkshire, the regions in which funds had been raised. During the year the charity had a surplus of £22,053 leaving reserves carried forward of £76,497.

It is the charity's policy to try to maintain unrestricted funds, after deducting the book value of fixed assets at a level which equates to not less than six months' unrestricted expenditure so as to provide sufficient funds to cover normal running costs. It is considered that unrestricted funds were maintained at a reasonable level throughout the period from 1st September 2021 to 31st August 2022.

The charity is funded principally by voluntary subscriptions and donations and these pay for the equipment, administration and facilities required to deliver the charity's objectives.

PLANS FOR FUTURE PERIODS

The charity plans to continue to raise funds to support regional hospitals critical care units and seeks to expand its fundraising campaigns to include other high priority areas that may lack statutory funding for regional hospitals.

TRUSTEES RESPONSIBILITIES

Law applicable to charities in England and Wales requires the trustees to prepare financial statements for each financial year which give a true and fair view of the charity's financial activities during the period and of its financial position at the end of the period. In preparing financial statements giving a true and fair view, the trustees are required to:-

- Select suitable accounting policies and then apply them consistently
- Make judgments and estimates that are reasonable and prudent
- State whether applicable Accounting Standards and Statements of Recommended Practice (SORPs) have been followed, subject to any departures disclosed and explained in the notes to the financial statements
- Prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in operations

ANNUAL REPORT OF THE TRUSTEES

for the year from 1st September 2021 to 31st August 2022

The trustees are responsible for keeping proper accounting records which disclose with reasonable accuracy the financial position of the charity and which enable them to ensure that the financial statements comply with the Charities Act 1993. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

APPROVED BY THE TRUSTEES and signed on their behalf on 25th June 2023 by:

Mr L. Singh
Trustee

INDEPENDENT EXAMINER'S REPORT ON THE ACCOUNTS

for the year from 1st September 2021 to 31st August 2022

The Charity's trustees are responsible for the preparation of the accounts. The charity's trustees consider that an audit is not required for this period under section 144 of the Charities Act 2011 (the Charities Act) and that an independent examination is needed.

It is my responsibility to:

- Examine the accounts under section 145 of the Charities Act
- To follow the procedures laid down in the general directions given by the Charity Commission (under section 145(5)(b) of the Charities Act), and
- To state whether particular matters have come to my attention.

My examination was carried out in accordance with general directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from the trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit and consequently no opinion is given as to whether the accounts present a 'true and fair view' and the report is limited to those matters set out in the statement below.

In connection with the examination, no matter has come to my attention

1. which gives me reasonable cause to believe that, in any material respect, the requirements:
 - to keep accounting records in accordance with section 130 of the Charities Act; and
 - to prepare accounts which accord with the accounting records and comply with the accounting requirements of the Charities Act have not been met; or
2. to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.
