Details of the Activities of the above teams and organisations can be found on the website or from the Church Secretaries.

Main Achievements

The provision of regular acts of worship, service to the community and running and sponsoring various activities for all age groups.

Good Practice

Good Practice is about establishing and maintaining procedures designed to safeguard children, young people and other vulnerable personnel in the church. All adults in the church are responsible for creating a safe caring Christian environment which prevents neglect, sexual or emotional abuse of children, young people or vulnerable adults.

St John's has adopted the URC Good Practice – Safeguarding Children and Young People in the Church fifth edition 2020 (GP5) as the basis for its Safeguarding Policy. A copy of the St John's Safeguarding Policy is available for inspection in the Link. Every church activity or group which involves working with children and young people is responsible for ensuring activities are structured in accordance with this policy to minimise situations where abuse can occur. Non-church run organisations are required to confirm that they have made their own Good Practice provisions. The Policy was last reviewed in 2022.

Two Link Persons are appointed to co-ordinate and implement child protection and vulnerable adult policies and be a first line of communication for adults and children on any issue of Good Practice including reporting suspected abuse.

The Good Practice Policy Statement (available in the Link Vestibule) gives the framework within which Good Practice procedures and activities are structured and monitored at St John's.

Report of the Treasurer

Statement of Financial Activity

The surplus for the year amounted to £107 (2021, a deficit of: £28,725). If it had not been for the surplus on the disposal of the minister's previous car, this surplus would have been a deficit of £5,643.

Incoming resources from charitable activities amounted to £227,780 (2021: £217,180). Offerings were down by approximately 11% which was disappointing. However, Hall letting income has nearly recovered to pre COVID levels. A formal gift day was not held this year but thanks to a few generous individuals' donations were still two thirds of the 2021 figure. Preschool income recovered post COVID, resulting in a trading surplus before service charges of £4,236 (2021: a shortfall of £6,503).

Expenditure on Charitable Activities amounted to £227,672, (2021: £245,905). The essential electrical work identified in 2020 is now scheduled for early 2023. The youth minister decided to leave in the first half of the year. Both these items helped to reduce costs in the year.

Balance Sheet

Total Net Assets amount to £187,495

(2021: £187,388) comprising Net Current Assets of £173,750 (2021: £166,648) and Fixed Assets less depreciation of £47,727 (2020: £38,438).

Gift Aid refunds from HMRC have been received to 5 April 2021.

Reserves

Total Reserves amount to £187,495 (2020: £187,388) Movements and classifications of reserves are shown on page 8.

Outlook

The long term impact of COVID 19 on the Church and its income is still uncertain and may continue to impact offerings of the membership. In addition, essential work on the electrics will cost an estimated £61,000 a half of which will be defrayed by a Synod grant, which has already been received. The premises reserve is sufficient to cover this expenditure. However, the challenge ahead will be to rebuild our reserves.

We understand that the church can expect to receive a substantial legacy from a recently deceased member and if this is confirmed at probate then it may be possible to rebuild our reserves and the church may have opportunities to expand its charitable activities.

Special Collections

During the year, members and friends raised money for the following good causes:

~

	£
Christian Aid	331.50
Commitment for Life	1,206.95

Acknowledgements

I would like to express my thanks to the Finance Team comprising the Minister, Gill Webb our FWO secretary, Alison Bruce for managing the hall bookings, Frank Liddell and Gordon Coventry for their accounting advice and Lynne Gill for running the day-to-day accounts packages.

My grateful thanks must be given to Johnstone Brown who stepped down as Treasurer in September after many years in the role. His ongoing support and advice has been invaluable.

I am extremely grateful to Clive Malcolm for continuing to act as our Independent Examiner.

Most of all, I would like to thank members and friends who generously support the work of the Church with regular and periodic gifts. Thank you.

INDEPENDENT EXAMINER'S REPORT TO THE ELDERS OF ST JOHN'S UNITED REFORMED CHURCH ORPINGTON CHARITY ON THE ACCOUNTS FOR THE YEAR ENDED 31 DECEMBER 2022 (CHARITY NUMBER 1135421)

Responsibilities and basis of report

I report to the Elders on my examination of the accounts of St John's United Reformed Church Orpington Charity for the year ended 31 December 2022.

As the charity trustees of the church, you are responsible for the preparation of the accounts in accordance with the requirements of the Charitles Act 2011 ("the Act").

Frepart in respect of any examination of the church's accounts carried out under section 145 of the Act and in carrying out my examination, I have followed the applicable Directions given by the Charity Commission under section 145(5(b)) of the Act'

Independent examiner's statement

These completed my examination. Fconfirm that no material matters have come to my attention in connection with the examination which give me cause to believe that, in any material respect:

- accounting records were not kept in accordance with section 130 of the Charities Act or
- the accounts do not accord with the accounting records.
- the accounts did not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts should give a 'true and fair' view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a propor understanding of the accounts to be reached.

Restricted reserves are subject to limitations on their use, imposed by legislation or the wishes of the donor. Other reserves are available for the general purposes of the church and some of these have been designated for specific items of future expenditure.

Accounting Policies Accounting convention and basis of accounting

The accounts are prepared under the historical cost convention. The income and expenditure dealt with in these accounts is accounted for on an accruals basis. The accounts include all of the transactions of the Church, the Pre-School and the Toddler Group and Thursday Club.

Tax refunds

Donations made to the Church through Gift Aid enable the Church to recover the basic rate tax associated with those donations. Where the tax refund related to donations made in the year has not been recovered at the year-end it is brought into the accounts as an amount recoverable.

Land and Buildings

The Church, the halls and the manse are the property of the United Reformed Church rather than St John's.

Assets

Assets acquired which have been provided for in reserves held for that purpose are written off in the period in which they are made. Other assets acquired in excess of £2,500 in value are capitalised and treated as fixed assets when purchased and are written down to their estimated residual value over their expected useful lives, currently 5 years for cars and 10 years for all other assets.

Advance payment for electrical work

Southern Synod of the United Reformed Church has provided a grant of £29,973 towards the cost of rewiring the church, as this work is not scheduled until 2023 this money is recorded under Creditors on the balance sheet.
